ADDENDUM #3, RLI E-61-14

SITE DEVELOPMENT AND DESIGN SERVICES FOR THE RELOCATION OF TAXIWAY DELTA IN POMPANO BEACH AIR PARK

To Whom It May Concern,

Please review the following question submitted by potential bidders, and the answer from the City.

Q1: While Addendum 2 removes the cost criteria, there is a reference on page 2 that states "Each respondent must include pricing for each task, including a grand total price for all tasks combined." Should this still be a consideration?

Response: Please replace page two of the RLI with the attached. The RLI document has also been modified with replacement page 2.

Addendum #3 is posted on the City's website: http://www.pompanobeachfl.gov. Bidders must submit their bid with the revised information. Acknowledge receipt of this Addendum as per instructions on Page 6 of the RLI.
