ADDENDUM #3, BID E-74-14

Public Safety Complex Fire Alarm System

To Whom It May Concern,

Please review the following question, and the City's response.

Q1: We are in receipt of Addendum #2 dated 10-4-14 and are requesting further clarification: The responses to questions 2&3 confirm our position that the extent of security drywall, regular drywall, ceiling and wall repair/restoration is not definite at this time- wouldn't the bid evaluation process be enhanced by all bidders carrying a fixed number assigned by the owner as a line item in the proposal for this work?

Response: The proposal page has been modified to include an allowance of $15,000.00 for the removal/replacement of the ceiling.

The opening date has been moved from 10/22/14 to 10/24/14.

Please replace pages 1, 3, and 17 of your bid document with the attached corrections. The bid document has also been modified with the replacement pages.

Addendum #3 is posted on the City's website: http://www.pompanobeachfl.gov. Bidders must submit their bid with the revised information. Acknowledge receipt of this Addendum in the area provided on Page 15 of the bid.

The deadline for acceptance of sealed bids in the Purchasing Office, 1190 N.E. 3rd Avenue, Bldg. C, Pompano Beach, 33060, has been changed to **2:00 p.m. (local), October 24, 2014.**

The remainder of the solicitation is unchanged at this time.
