ADDENDUM #1, RFQ T-12-15

CONSTRUCTION MANAGEMENT AT RISK CONTRACT SERVICES

To Whom It May Concern,

Please review the following question submitted by potential proposers, and answer from the City.

Q1: This question is in reference to RFQ T-12-15 CONSTRUCTION MANAGER AT RISK CONTRACT SERVICES:

This RFQ is based on qualifications. It is stated on page 4 and 5 the requirement of filling out Exhibits "A" through "H". Listing the SBE / LBE firms to be used on the proposed contract.

One of the requirements of the selected successful Construction Manager is to put out the scopes of work to bidders, including SBE's and LBE's in order to establish a GMP (see page 14, part 2, Pre-Construction Phase, letter C & D . At that time your proposed Exhibits "A" through "H" can be used for their intended purpose.

Selecting subcontractors/vendors prior to bidding would jeopardize the required bidding process.

1) With that being said, is it still the City's intent for these forms to be submitted if there is no project plans, no specifically identified scope of work, or quantity survey to put together bid packages at this time

Response: Please omit exhibits (A-H) from the RFQ submission. These exhibits will not be required at this time.

The deadline for acceptance of sealed bids in the Purchasing Office, 1190 N.E. 3rd Avenue, Bldg. C, Pompano Beach, 33060, is **2:00 p.m. (local), January 20, 2015.**

The remainder of the solicitation is unchanged at this time.

Sincerely,

Otis J. Thomas
General Services Director
