The Mummers Band is coming and you won't want to miss out on the fun! The Mummers Band is made up of a variety of instruments that include strings, bells, woodwinds, accordions, keyboard and percussion. The most notable exception is that there are no brass instruments in a Mummers band. Ages range from middle school kids to members in their 80's. There are also members known as "Strutters", whose job is to get audience members out of their chairs and dance. There is one individual who is the lead "Strutter" called the Captain, and he wears the most elaborate costume in the band.
