Addendum #1

Issued By: Pompano Beach Community Redevelopment Agency

This Addendum No 1 is issued to add to, delete, modify or clarify and/or amend the RFP. The items contained in the Addendum No. 1 shall have full force and be incorporated as part of the original RFP.

It is the bidder's responsibility to ensure receipt of all addenda and to acknowledge receipt by signing below and submitting as part of their bid response.

This Addendum consists of one page and no Attachments.

1. On PGD-2, cross sections A-A and B-B show a retaining wall, referencing the structural plans for detail. Sheet S-7 has a typical detail for a CMU wall, but appears to be boilerplate.
 - a. Is this the detail for the retaining walls on the civil plans?
 - b. Or is the retaining wall intended to be cast-in-place? (i.e. FDOT gravity wall or cantilevered retaining wall)

Answer: Yes, these are standard details. Should the contractor/designer choose anything different, it will be subject to building department approvals.

2. Can Local Construction Material Supplier's be used to satisfy the voluntary goals for Local Businesses?

Answer: Yes. New LBE/SBE forms can be found on the City's Purchasing Departments website and are available for download.
