

Meeting Date: January 13, 2015

Agenda Item 9

REQUESTED COMMISSION ACTION:

Consent Ordinance Resolution Consideration Workshop

SHORT TITLE OR MOTION: A RESOLUTION OF THE CITY COMMISSION OF THE CITY OF POMPANO BEACH, FLORIDA, APPROVING AND AUTHORIZING THE PROPER OFFICIALS TO EXECUTE A PARTIAL REL EASE OF RIGHTS UNDER WATER WELL FIELD RIGHTS AND EASEMENT AGREEMENT; PROVIDING AN EFFECTIVE DATE. NO FINANCIAL IMPACT.

Summary of Purpose and Why:

The lender to the developer (ZOM USA) has requested a recorded instrument which says that the City will not site any additional well heads in the area North of Atlantic Boulevard. The Partial Release only says the City agrees that no new wells will be located north of Atlantic which was decided years ago and memorialized in a letter from the City. The partial release in no way changes the City's rights to install future wells in the area south of Atlantic pursuant to the longstanding wellfield easement document.

Subject: Palm Aire Well Siting

Dear Mr. Weber,

The goal of the well siting evaluation was to identify potential additional well locations within the Palm Aire community in Pompano Beach, Florida. The City of Pompano Beach (City) and the Katzoff Development Corporation (Developer) entered into an agreement in 1966 granting the City Water Well Rights and Easements for the placement of water supply wells on the Developer's property within the designated areas. A total of ten wells have been constructed and now comprise the City's existing western water supply wellfield.

According to the agreement, the City has:

"... the right but not the obligation, to drill water wells of a size, type and capacity to be determined by it, in its sole discretion ("Wells"), and to remove, without limitation, restriction or interference by the GRANTOR, water from all underground sources lying below and beneath all of the Burdened Lands, and to install monitoring wells and other testing equipment for the testing and maintenance of the wells."

The Water Well Field Rights and Easement Agreement specify that the City can operate no more than 18 wells on the designated property available for water well development. As recently requested by you, the City agreed to select the eight remaining potential future well locations in an effort to facilitate your transition of two existing golf course areas (the Sabals and Pines Courses) into a community lake system. The City proceeded to evaluate the access, construction, transmission, and protection potential of various locations within the available easement areas allotted by the Agreement for development of water supply wells.

Based on our April 22, 2010 meeting, eight potential well locations were selected by the City and agreed to by you. The eight locations are shown on the map included with this letter as Attachment 1. It was agreed that the selected locations are still preliminary and that they may change at the time of construction based on physical site constraints, regulatory conditions, or other considerations of the City or Developer. As stated in the Agreement in paragraph 1A(i):

"CITY shall submit to GRANTOR for approval complete plans and specifications for construction of Wells and/or installation on the Burdened Lands of any equipment and facilities necessary for the operation and maintenance of the proposed Wells ("Well Facilities"), together with a proposed construction schedule, together with all proposed temporary or permanent easements ("Easements") required by the CITY in connection with the ingress to, egress from, access to, and construction, operation, testing or maintenance of the Wells or the Well Facilities; ..."

The City expects that when plans and specifications are submitted for construction of Wells and Well Facilities, you as the Agreement GRANTOR's representative agree to abide by the terms and requirements of the Water Well Field Rights and Easement Agreement.

Please feel free to contact me at any time.

Sincerely,

Dennis W. Beach

**PARTIAL RELEASE OF RIGHTS UNDER
WATER WELL FIELD RIGHTS AND EASEMENT AGREEMENT**

THIS PARTIAL RELEASE OF RIGHTS UNDER WATER WELL FIELD RIGHTS AND EASEMENT AGREEMENT ("Release") is executed this ___ day of _____, _____ by the CITY OF POMPANO BEACH, a municipal corporation of the State of Florida, whose address is 100 West Atlantic Boulevard, Pompano Beach, Florida 33060 (the "City").

RECITALS

WHEREAS, the City and Katzoff Development Corp., a Florida corporation, entered into that certain Water Well Field Rights and Easement Agreement dated December 18, 1992 and recorded in Official Records Book 20353, Page 167 of the Public Records of Broward County, Florida (the "**Easement Agreement**"); and

WHEREAS, pursuant to the terms of the Easement Agreement, the City was granted certain water well rights and easements with respect to the Burdened Lands as more particularly described therein, including the right to drill Wells (as defined in the Easement Agreement), the right to install monitoring wells and other testing equipment for the testing and maintenance of the Wells (collectively, the "**Testing Facilities**") and the right to install Well Facilities (as defined in the Easement Agreement); and

WHEREAS, in order to facilitate the development of a portion of the Burdened Lands located north of West Atlantic Boulevard, as more particularly described on **Exhibit "A"** attached hereto (the "**Released Property**"), the City has agreed to release its rights and easements, under and pursuant to the Easement Agreement, to construct on the Released Property any new or additional (a) Wells, (b) Testing Facilities, and/or (c) Well Facilities; and

NOW, THEREFORE, in consideration of the mutual covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the City hereby agrees as follows:

1. **Recitals.** The foregoing recitals are true and correct and are incorporated herein by this reference. Capitalized terms not defined herein shall have the meaning ascribed to such terms in the Easement Agreement.

2. **Release.** The City hereby releases, cancels, terminates and waives its rights and easements, under and pursuant to the Easement Agreement, to construct on the Released Property any new or additional (a) Wells, (b) Testing Facilities, and/or (c) Well Facilities from and after the date of this Release. Nothing in this Release shall impair, alter or diminish (i) the rights of the City to operate the existing Wells, the existing Testing Facilities and the existing Well Facilities located on the Released Property on the date of this Release (collectively, the "**Existing Facilities**"); or (ii) the obligation of the City, under and pursuant to the Easement Agreement, to maintain the Existing Facilities.

IN WITNESS WHEREOF, the City has executed this Agreement as of the date first written above.

TRI PARTY AGREEMENT

This Tri Party Agreement ("Agreement") is made and entered into this 26th day of July, 2013, by and between the CITY OF POMPANO BEACH, FLORIDA, a Florida municipal corporation ("City"), PALM AIRE ASSOCIATES, LIMITED PARTNERSHIP, a Delaware Limited Partnership, its successors and assigns ("Palm Aire") and SUMMAN WESTERN INVESTMENT, INC., a Florida corporation, its successors and assigns ("Summan"). City, Palm Aire and Summan are referred to herein as the "Parties."

WHEREAS, Palm Aire owns that certain 85+/- acre parcel of land located north of Atlantic Blvd., between N.W. 31st Avenue and the Florida Turnpike, more particularly described in **Exhibit "A,"** attached hereto (the "Property"); and

WHEREAS, Palm Aire owns that certain 10+/- acre parcel of land within the Property, more particularly described in **Exhibit "A-1,"** attached hereto (the "Original Park Property"), which it is obligated to dedicate to the City for park purposes upon certain terms set out in a Declaration of Restrictive Covenants dated July 8, 2010, and recorded at Official Records Book 47427, Page 1280, of the Public Records of Broward County, Florida ("Original Declaration"); and

WHEREAS, the City has requested and Palm Aire has agreed to dedicate certain additional land adjacent to the Original Park Property of approximately 2-acres, more particularly described in **Exhibit "A-2,"** attached hereto. The property depicted on Exhibits A-1 and A-2 are hereinafter referred to collectively as the "Park Property;" and

WHEREAS, Summan owns two certain parcels of substantially vacant land lying adjacent to and south of the Park Property totaling approximately 3.14 acres, more particularly described in **Exhibit "B,"** attached hereto (the "Summan Property"); and

WHEREAS, the City owns a certain strip of land located between the two Summan Property parcels ("City Utility Parcel") which is utilized by City for access to the generator and for a raw water line ("Water Line"), a portion of which City Utility Parcel described in **Exhibit "C"** is referred to herein as the "Swap Parcel;" and

WHEREAS, future development of the Property, the Park Property, and the Summan Property will require access between said properties and N.W. 31st Avenue; and

WHEREAS, the Parties wish to provide for permanent access to N.W. 31st Avenue in accordance with the conceptual plan attached hereto as **Exhibit E** (the "New Road"), which plan requires the conveyance to the City for roadway use and related drainage purposes of a portion of the Summan Property located on the northern portion of the Summan Property between the Park Property and N.W. 31st Avenue more particularly described on **Exhibit "D,"** attached hereto (the "Road Parcel"); and

WHEREAS, the Summan Property, the Park Property and the Property will be enhanced and improved by the relocation of the Water Line to the Road Parcel (the "New Water Line") and construction of a new public road extending N.W. 4th Street westerly across N.W. 31st Avenue to the Property and the Park Property, as shown on Exhibit E; and

WHEREAS, in the event the preliminary design of the New Water Line is performed by Palm Aire and is acceptable to the City as described herein, the City is willing to declare the Swap Parcel surplus and offer same for sale, subject to an easement for access and utility purposes, in accordance with Section 253 of the City Charter, as more particular described herein; and

WHEREAS, Palm Aire and the City wish to modify the Original Declaration with regard to the timing of the dedication of the Park Property and the matters set forth in this Agreement, as set out in that certain Amendment to Declaration executed of even date herewith ("Amended Declaration").

NOW, THEREFORE, in consideration of the mutual covenants and promises set forth in this Agreement and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

1. The above recitals are true and correct and incorporated herein by reference.
2. Preliminary Design of New Water Line.

Within eighteen (18) months following the Effective Date of the this Agreement, Palm Aire may elect to proceed with preliminary design of the New Water Line. If Palm Aire elects to proceed with preliminary design, Palm Aire shall at its sole expense cause to be prepared and provided to the City: (i) a survey depicting all existing utility infrastructure that may be affected by the Construction (as hereinafter defined). City shall cooperate fully in the preparation of such survey, including providing access to City-owned lands and sharing all available information regarding existing City-owned facilities ("Existing Facility Survey"); and (ii) preliminary plans of the New Water Line, completed to approximately 60% completion ("60% Plans"). The Existing Facility Survey and 60% Plans must include all items reasonably required by the City. City shall evaluate the 60% Plans and advise Palm Aire within 45 days whether the 60% Plans are acceptable or shall identify specific revisions required which, when made, will render the 60% Plans acceptable. If the City determines, after the review and revision process described above, that the 60% Plans cannot be revised and thereafter completed to result in Construction Plans that meet all applicable codes and reasonable requirements of the City, City shall notify Palm Aire in writing of such determination and this Agreement shall terminate. If Palm Aire

does not submit the Survey and 60% Plans within eighteen months following the Effective Date of this Agreement, this Agreement shall terminate.

3. Consideration of Swap Property.

Following acceptance of the 60% Plans, City agrees to consider adoption of a resolution declaring the Swap Parcel to be surplus. If the City adopts such a resolution, it will thereafter offer the Swap Parcel for sale or exchange and publish notice as required by Section 253 of the City Charter. The terms of the Swap Parcel offer shall include establishment upon the Swap Parcel of an access and utility easement in favor of the City. At such time as the Swap Parcel is no longer used for public or City access and utility purposes (not later than the Improvements Turnover, as defined below), the City will promptly process a vacation of the easement in accordance with City procedures. If the City, after consideration of all responsive proposals, elects to accept a proposal by which Summan will acquire the Swap Parcel and the City will acquire the Road Parcel it will notify Summan and Palm Aire of such decision (the "Property Decision"), and the provisions of paragraphs 4, 5, 6, 7 and 8 of this Agreement shall become effective. If the City, for any reason, elects to accept any other proposal or reject all proposals, then this Agreement shall terminate.

4. Exchange of Parcels.

In the event the City elects to accept a proposal, pursuant to paragraph 3, above, and notifies Palm Aire of the Property Decision, City and Summan will proceed to negotiate or finalize a contract for purchase and sale and undertake to perform the conditions set out in such contract and, if all conditions of the purchase and sale contract are satisfied, proceed to closing, including exchange of deeds transferring marketable title to the Road Parcel to the City and marketable title to the Swap Parcel to Summan (subject to the retained easement for access and utility purposes described in paragraph 3, above), in accordance with the terms of the resolution and other terms and conditions established by the City in connection with the notice of sale ("Closing").

5. Completion of Design and Construction of New Water Line and New Road.

a. Promptly following the Closing, Palm Aire shall at its sole cost complete or cause the completion of the design, permitting and construction of all the necessary improvements to implement: (i) the relocation and re-routing of the New Water Line from the City Utility Parcel to the Road Parcel and (ii) construction of the New Road, which shall be designed and constructed to right-of-way standards (collectively the "Construction"). The Construction shall be undertaken in compliance with all applicable City, County and State of Florida requirements and regulations for such facilities and must be acceptable to the City in every respect. It is acknowledged that the plans for the New Water Line must adequately address relocation of the stub-out facility for raw water line clean-out. Dimensions, turning radii and all other design features of access areas and access roads to and within the City Utility Parcel must be acceptable to the City in every respect. City agrees to and shall review the plans for the Construction and any revised or resubmitted Construction plans promptly after receipt from Palm Aire.

b. Following completion of the plans for the Construction and approval of same by the applicable permitting agencies (the "Construction Plans"), Palm Aire shall cause to be prepared for execution by City and Summan, as applicable, a form of temporary construction easement and sketch and legal description of such property as is needed for construction of the New Water Line and the New Road. Palm Aire shall provide same, together with the approved Construction Plans, to Summan and City for review and approval. The temporary construction easement shall, at a minimum, provide that Palm Aire or its designees or contractors shall indemnify and save City and Summan, as applicable, harmless from or on account of the construction of the New Water Line and the New Road and related work upon the described area and shall save and protect such parties from the claims of any potential construction lienors. The temporary construction easement shall further require that all persons and entities, including contractors and invitees, utilizing the easement areas shall keep and maintain workers' compensation insurance as required by law and commercial general liability insurance in such reasonable limits as may be required by Summan and City. Summan and City shall have thirty (30) days to review the temporary construction easement and shall thereafter execute and deliver same to Palm Aire, together with any and all other documents, permits or notices required to be executed by the owner of the affected property to permit the construction of the New Water Line and the New Road.

c. The Construction Plans must be complete and permitted and construction of the New Road must be commenced prior to the issuance of the first building permit for a principal building for development within the Property. Construction of the New Water Line and New Road and all related work depicted on the Construction Plans (hereinafter referred to as the "Improvements") must be complete and accepted by the City prior to the issuance of the first certificate of occupancy for any development within the Property.

d. Following completion of the Improvements and all of such Construction passing final inspection by the City and all other permitting agencies having jurisdiction, Palm Aire shall deliver or cause to be delivered to the City: (i) executed waivers or releases of lien from all contractors for the New Water Line and the New Road, (ii) an executed bill of sale for all of the Improvements, (iii) documents evidencing a 1-year warranty of the Improvements from the contractors, and (iv) a warranty bond for the New Water Line equal to 10% of the construction cost of the New Water Line (hereinafter the "Improvements Turnover"). In addition, in connection with the Improvements Turnover, Palm Aire shall deliver to the City an executed easement for vehicular and pedestrian access over and across any portions of the entire New Road, as shown on Exhibit E, including the cul-de-sac and access road(s) to the City Utility Parcel, located upon property that is not at the time of the Improvements Turnover owned by the City, or, at the direction of the City, shall dedicate the entire New Road to the public by instrument acceptable to the City Attorney.

6. Dedication of Park Property. Simultaneously with the Closing, Palm Aire will dedicate or convey to the City good and marketable title to the Park Property; provided, however, Palm Aire shall retain, for itself, its successors and assigns, as an appurtenance to the Property, an access easement over and across the Park Property for pedestrian and vehicular access. The foregoing retained easement shall not impose any affirmative obligation upon the City to develop or improve the Park Property; it is the intent of the City and Palm Aire that, when and if the Park Property is improved as a public park, the Property shall have direct access to the Park Property

at a location acceptable to the City in its discretion, and Palm Aire, its successors and assigns, shall have the right to access and use the Park Property in common with the public. If this Agreement terminates pursuant to paragraphs 2, 3 or 4, above, then Palm Aire will dedicate or convey to the City the Park Property (subject to the retained access easement described in the immediately preceding sentence) within six (6) months following such termination. Palm Aire shall accomplish the dedication by whatever form of instrument reasonably requested by the City Attorney and shall deliver with the instrument a certificate of title for the Park Property.

7. Release from Declaration. Following acceptance by the City of the Park Property, Palm Aire shall be deemed to have fully performed all requirements of the Original Declaration and Amended Declaration with regard to "Park Dedication," and, upon request, City agrees to and shall execute a partial release in recordable form setting forth the performance and completion of the park requirements of the Original and Amended Declarations.

8. Relocation of Additional City Facilities from Swap Parcel. If the Existing Facilities Survey reveals that certain City facilities (such as concrete pad or fuel tanks or both) associated with the City's generator ("Additional City Facilities") are actually located in part upon the Swap Parcel, then, following the Closing and prior to the Improvements Turnover, Summan shall cause all such Additional City Facilities to be relocated from the Swap Parcel to City-owned property at locations acceptable to the City ("Summan Work"). The Summan Work shall be planned and performed in compliance with all applicable City, County and State of Florida requirements and regulations and must be acceptable to the City in every respect. It is understood and agreed by the Parties that the City's retained easement for access and utility use upon the Swap Parcel shall not be vacated until all City facilities are relocated from the Swap Parcel. If this Agreement terminates prior to the Closing, there shall be no duty to perform the Summan Work.

9. Force Majeure. No Party will be considered in breach of or in default of any of their respective obligations under this Agreement (including, without limitation, the commencement or completion of the Work) as a result of unavoidable delay due to strikes, lockouts, acts of God, archaeological excavation required by law, inability to obtain labor or materials due to government restrictions, epidemics, quarantine restrictions, freight embargoes, fire, lightning, riot, war, hurricane, floods, extremely abnormal and excessively inclement weather or similar causes beyond the commercially reasonable control of a Party (in each case, an event of "Force Majeure"). Upon occurrence of a Force Majeure, the applicable time period will be extended for the period of the Force Majeure event.

10. Notices. Any notice, demand or other communication required or permitted to be given by the terms of this Agreement must be in writing and must be sent by (a) a recognized overnight delivery service which provides confirmation of delivery; (b) certified or registered mail, return receipt requested; (c) hand-delivery, with a delivery receipt provided to the sender; or (d) facsimile or email, provided that the notice is also sent by one of the three foregoing methods. Notice will be effective upon delivery or refusal of delivery. A party may change its address for notice by sending written notice of the new address in accordance with this provision. The addresses of the parties for the giving of notice are as follows:

11. Amendment. No modification or amendment of this Agreement will be of any force or effect unless in writing executed by all Parties to this Agreement.

12. Covenant Running with the Land. This Agreement shall be recorded in the Public Records of Broward County, Florida, and the rights and obligations set forth herein shall be binding upon the Parties, their successors and assigns. It is intended that this Agreement and the rights and obligations herein shall run with the Property and the Summan Property and shall bind every person acquiring any fee, leasehold, easement or other interest therein, and shall inure to the benefit of the Parties, their successors and assigns.

13. Construction of Agreement. All parties to this Agreement have substantially contributed to the drafting and negotiation of this Agreement, and this Agreement shall not, solely as a matter of judicial construction, be construed more severely against one of the parties than the other. The parties acknowledge that they have thoroughly read this Agreement, including all exhibits and attachments, and have sought and received whatever competent legal advice and counsel was necessary for them to form a full and complete understanding of all rights and obligations set forth in this Agreement.

14. Counterparts. This Agreement may be signed in any number of counterparts, each of which constitutes the agreement of the parties and each of which will be treated as an original.

15. Entire Agreement. This Agreement sets forth the entire agreement and understanding among the parties relating to the subject matter of the Agreement. This Agreement supersedes all prior and contemporaneous negotiations, understandings and agreements, written or oral, among the parties, concerning the matters addressed herein.

16. Governing Law; Venue; Waiver of Jury Trial. This Agreement will be interpreted and enforced in accordance with Florida law. Venue for any litigation arising out of this Agreement will be Broward County, Florida. The parties hereby voluntarily waive any right to a trial by jury in any litigation which may arise out of or in connection with this Agreement or the performance hereof.

17. No Third Party Rights. Nothing in this Agreement, express or implied, is intended to confer upon any person, other than the parties hereto and their respective successors and assigns, any rights or remedies under or by reason of this Agreement.

18. Section and Paragraph Headings. The section and paragraph headings contained in this Agreement are for purposes of identification only and are not to be considered in construing this Agreement.

19. Severability. This Agreement is intended to be performed in accordance with and only to the extent permitted by applicable law. If any provisions of this Agreement, or the application of any provisions of this Agreement, to any person or circumstance is for any reason and to any extent, invalid or unenforceable, but the extent of the invalidity or unenforceability does not destroy the basis of the bargain between the parties contained herein, the remainder of this Agreement and the application of such provision to other persons or circumstances will not be affected, and will be enforced to the fullest extent permitted by law.

20. Signatories' Authority. The individuals signing this Agreement represent and warrant that they have the authority and approval to execute this Agreement on behalf of the party they are identified as representing below. The undersigned representatives represent that they are agents of their respective parties duly authorized to execute contracts generally and this Agreement in particular.

21. Successors and Assigns. This Agreement and all obligations of the parties under this Agreement will be binding upon and will inure to the benefit of the City, Palm Aire and Summan, and their permitted legal representatives, successors, and assigns.

IN WITNESS WHEREOF, the Parties have executed the foregoing Agreement.
