**WHEREAS**, the City Commission has approved the recommendation that Consultant be employed by the City and authorized the negotiation of contractual terms.

**NOW, THEREFORE**, in consideration of the mutual promises herein, the City and the Consultant agree as follows:

## ARTICLE 1 – SERVICES/CONSULTANT AND CITY REPRESENTATIVES

The Consultant's responsibility under this Contract is to provide professional consulting services as more specifically set forth in RFP T-02-14 for project 14248 Avondale Stormwater Improvements attached hereto as Exhibit A and incorporated herein in its entirety.

The Consultant's representative shall be Jason McClair

The CITY's representative shall be City Engineer or designee,

## ARTICLE 2 – SCHEDULE/PERIOD OF SERVICE

The CONSULTANT shall commence services on March 24<sup>th</sup>, 2015 and complete all services by December 31<sup>st</sup>, 2017 .

Reports and other items shall be delivered or completed in accordance with the detailed schedule set forth in the Scope attached.

## ARTICLE 3 – PAYMENTS TO CONSULTANT

A. City agrees to pay Consultant in consideration for its services described herein. It is the intention of the parties hereby to ensure that unless otherwise directed by the City in writing, Consultant will complete the services specified in Exhibit B during the term of this Agreement set forth in Article 2, above.

B. Price Formula. City agrees to pay Consultant for the services set forth in this Agreement as follows:

Payment of a Not to Exceed Fee of \$ 178,655 .

C. The total amount to be paid by the City under this Contract for all services and materials including "out of pocket" expenses (specified in Paragraph E below) and also including any approved subcontracts shall not exceed a total contract amount of One hundred seventy

eight thousand six hundred fifty five Dollars (\$ 178,655 \_\_\_\_). The Consultant shall notify the City's Representative in writing when 90% of the "not to exceed amount" for the total Task Order or Work Authorization has been reached. The Consultant will bill the City on a monthly basis, or as otherwise provided. Time and Materials billing will be made at the amounts set forth in Exhibit B for services rendered toward the completion of the Scope of Work. Where incremental billings for partially completed items are permitted, the total billings shall not exceed the estimated percentage of completion as of the billing date. It is acknowledged and agreed to by the Consultant that the dollar limitation set forth in this section is a limitation upon and describes the maximum extent of City's obligation to pay Consultant, but does not include a limitation upon Consultant's duty to perform all services set forth in Exhibit A for the total compensation in the amount or less than the guaranteed maximum stated above.

D. Invoices received by the City from the Consultant pursuant to this Contract will be reviewed and approved in writing by the City's Representative, indicating that services have been rendered in conformity with the Contract, and then will be sent to the City's Finance Department for payment. All invoices shall contain a detailed breakdown of the services provided for which payment is being requested. Invoices shall be paid in accordance with the Florida State Statutes governing this process. In addition to detailed invoices, upon request of the City's representative, Consultant will provide City with detailed periodic Status Reports on the project.

E. "Out-of-pocket" expenses shall be reimbursed up to an amount not to exceed five hundred Dollars (\$ 500\_\_\_\_) and as provided for in Paragraph C of this Article. All requests for payment of "out-of-pocket" expenses eligible for reimbursement under the terms of this Contract shall include copies of paid receipts, invoices, or other documentation acceptable to the City's Representative and to the Finance Department. Such documentation shall be sufficient to establish that the expense was actually incurred and necessary in the performance of the Scope of Work described in a Work Authorization and this Contract. All out-of-pocket, reimbursables and expenses shall be billed at actual amount paid by Consultant, with no markup.

F. Final Invoice: In order for both parties herein to close their books and records, the Consultant will clearly state "Final Invoice" on the Consultant's final/last billing to the City. This final invoice shall also certify that all services provided by Consultant have been properly performed and all charges and costs have been invoiced to the City. Because this account will thereupon be closed, any and other further charges not properly included on this final invoice are waived by the Consultant.

#### **ARTICLE 4 – TRUTH-IN-NEGOTIATION CERTIFICATE**

Signature of this Contract by the Consultant shall also act as the execution of a truth in negotiation certificate, certifying that the wage rates, overhead charges, and other costs used to determine the compensation provided for this Contract are accurate, complete and current as of the date of the Contract and no higher than those charged the Consultant's most favored customer for the same or substantially similar service. Should the City determine that said rates and costs were significantly increased due to incomplete, non-current or inaccurate representation, then said rates shall be adjusted accordingly.

#### **ARTICLE 5 – TERMINATION**

This Contract may be cancelled by the Consultant, upon thirty (30) days prior written notice to the City's Representative, in the event of substantial failure by the City to perform in accordance

with the terms of this Contract through no fault of the Consultant. It may also be terminated, in whole or in part, by the City, with or without cause, immediately upon written notice from the City's Representative or the City Manager to the Consultant. Unless the Consultant is in breach of its Contract, the Consultant shall be paid for services rendered to the City's satisfaction through the date of termination. Ten Dollars (\$10.00) paid to the Consultant, the adequacy of which is acknowledged, is given as specific and independent consideration of the City's right to terminate this Contract for convenience. Termination for cause by the City shall include, but not be limited to, failure to suitably perform the work, failure to continuously perform the work in a manner calculated to meet or accomplish the objectives of the City as set forth herein, or multiple breach of the provisions of this Contract notwithstanding whether any such breach was previously waived or cured. After receipt of a Termination Notice and except as otherwise directed by the City the Consultant shall:

- A. Stop work on the date and to the extent specified.
- B. Terminate and settle all orders and subcontracts relating to the performance of the terminated work.
- C. Transfer all work documents in process, completed work, and other materials related to the terminated work to the City.

The Consultant represents that it has, or will secure at its own expense, all necessary personnel required to perform the services under this Contract. Such personnel shall not be employees of or have any contractual relationship with the City, nor shall such personnel be subject to any withholding for tax, Social Security or other purposes by the City, nor be entitled to any benefits of the City including, but not limited to, sick leave, pension benefits, vacation, medical benefits, life insurance, workers or unemployment compensation benefits, or the like from the City.

Any changes or substitutions in the Consultant's key personnel, as may be listed in Article 1, must be made known to the City's Representative at the time substitution becomes effective.

The Consultant warrants that all services shall be performed by skilled and competent personnel to the highest professional standards in the field.

## **ARTICLE 7 – SUBCONTRACTING**

Consultant may subcontract any services or work to be provided to City with the prior written approval of the City's Representative. The City reserves the right to accept the use of a subcontractor or to reject the selection of a particular subcontractor and to inspect all facilities of any subcontractors in order to make determination as to the capability of the subcontractor to perform properly under this Contract. The City's acceptance of a subcontractor shall not be unreasonably withheld. The Consultant is encouraged to seek small business enterprises and to utilize businesses that are physically located in the City of Pompano Beach with a current Business Tax Receipt for participation in its subcontracting opportunities.

## **ARTICLE 8 – FEDERAL AND STATE TAX**

The City is exempt from payment of Florida State Sales and Use Taxes. The City will provide the Consultant with the current state issued exemption certificate. The Consultant shall be responsible for payment of its own and its share of its employees' payroll, payroll taxes, and benefits with respect to this Contract

The City's performance and obligation to pay under this contract is contingent upon appropriation for various projects, tasks and other professional services by the City Commission.

## **ARTICLE 10 - INSURANCE REQUIREMENTS**

The Consultant shall not commence work under this Contract until it has obtained all insurance required under this paragraph and such insurance has been approved by the Risk Manager of the City, nor shall the Consultant allow any Subcontractor to commence work on its sub-contract until the aforementioned approval is obtained.

CERTIFICATE OF INSURANCE, reflecting evidence of the required insurance, shall be filed with the Risk Manager prior to the commencement of the work. The Certificate shall contain a provision that coverage afforded under these policies will not be cancelled, will not expire and will not be materially modified until at least thirty (30) days prior written notice has been given to the City. Policies shall be issued by companies authorized to conduct business under the laws of the State of Florida and shall have adequate Policyholders and Financial ratings in the latest ratings of A. M. Best and be part of the **Florida Insurance Guarantee Association Act**.

Insurance shall be in force until all work required to be performed under the terms of the Contract is satisfactorily completed as evidenced by the formal acceptance by the City. In the event the Insurance Certificate provided indicates that the insurance shall terminate and lapse during the period of this Contract, the Consultant shall furnish, at least ten (10) days prior to the expiration of the date of such insurance, a renewed Certificate of Insurance as proof that equal and like coverage for the balance of the period of the Contract and extension thereunder is in

effect. The Consultant shall not continue to work pursuant to this Contract unless all required insurance remains in full force and effect.

Limits of Liability for required insurance are shown in Exhibit C.

The City of Pompano Beach must be named as an additional insured for the Automobile and Commercial General Liability Coverage.

For Professional Liability, if coverage is provided on a claims made basis, then coverage must be continued for the duration of this Contract and for not less than one (1) year thereafter, or in lieu of continuation, provide an "extended reporting clause" for one (1) year.

Consultant shall notify the City Risk Manager in writing within thirty (30) days of any claims filed or made against the Professional Liability Insurance Policy.

For Workers' Compensation Insurance, coverage shall be maintained during the life of this Contract to comply with statutory limits for all employees, and in the case of any work sublet, the Consultant shall require any Subcontractors similarly to provide Workers' Compensation Insurance for all the latter's employees unless such employees are covered by the protection afforded by the Consultant. The Consultant and his Subcontractors shall maintain during the life of this Contract Employer Liability Insurance.

#### **ARTICLE 16 – DEBT**

AVONDALE NEIGHBORHOOD STORMWATER IMPROVEMENTS

Pursuant to Florida Statutes Chapter 287.055 "Consultants' Competitive Negotiation Act" the City of Pompano Beach invites qualified engineering firms to submit Letters of Interest, qualifications and experience for consideration to provide professional engineering services to the City for Avondale Park Neighborhood Storm Water Improvements.

The City will receive sealed proposals until 2:00 p.m. (local), November 19, 2013, in the City's Purchasing Office, 1190 N.E. 3rd Avenue, Building C, Pompano Beach, Florida, 33060. E-mailed or faxed proposals will not be acceptable.

**Introduction**

**1. Scope Of Services**

The City intends to issue a single contract to an engineering firm to provide professional engineering services to the City for the design, bidding, and construction phase services for storm water improvements. The total project is estimated to be in excess of \$2,000,000.

The Avondale Neighborhood was identified as a priority drainage basin in need of stormwater system improvements based on historical flooding problems observed by City staff, flooding complaints from residents or business operators, and the results from the existing conditions stormwater model. The Avondale Neighborhood is bound by I-95 to the west, S.W. 3<sup>rd</sup> Street to the south, Dixie Highway to the east and Atlantic Boulevard to the north. The Avondale Neighborhood typically experiences significant flooding throughout the area during heavy rainfall events. Based on the results of the existing conditions stormwater model along with the observations by City staff, the problem area is centered on S.W. 4<sup>th</sup> Avenue along with the adjacent intersecting roadways, which is where most of the critical flooding occurs.

This project was identified in the Stormwater Master Plan. The applicable portion of the master plan is a part of this RLI. The complete Stormwater Master Plan can be found on the City's website at: [this Link](#)

The scope of services may include, but is not limited, to the following:

- Survey the project area
- Prepare preliminary design reports, feasibility analyses, site plans and/or design alternative recommendations and preliminary cost estimates.
- Conduct presentations to elected officials, staff, and the public.

- Prepare all required bidding and construction documents for the projects. This will include preparing surveys, design plans; supplementary contract requirements, technical specifications and cost estimates.
- Attendance at City Commission, pre-design, design, bidding and bid award meetings may be required.
- Coordinate processing the projects through all required governmental and quasi-governmental agencies, City Departments and other appropriate review boards.
- Prepare and process all required permit applications and submittal packages as required for permit issuance of all agency permits (i.e. State, County and City)
- Attend pre-bid meeting, respond to bidder questions and prepare possible bid addendums for project revisions.
- Assist the City in making bid award recommendations for contracting/construction services.
- Provide construction engineering/management services for the projects. Services during construction may include periodic or routine inspections, threshold inspections, shop drawing/contractor submittal reviews and approvals, responding to contractor requests for information, and reviewing contractor payment applications.
- Provide project closeout services. This may include preliminary and final acceptance of projects, preparation and approval of punch list items and project certification as required to all permitting agencies.

Firms must have previous demonstrable experience with municipal or governmental agencies for projects of varying sizes and types. Firms must be licensed to practice engineering in the State of Florida, according to Florida State Statute 481, by the Board of Professional Regulation.

The City of Pompano Beach is strongly committed to ensuring the participation of Small Business Enterprises (SBE's) as contractors and subcontractors for the procurement of goods and services. The definition of a SBE, for the purpose of the City's voluntary program, is taken from the State of Florida Statute 288.703(1).

As of the date of publication of this solicitation, a small business means an independently owned and operated business concern that employs 200 or fewer permanent full-time employees and that, together with its affiliates, has a net worth of not more than \$5 million or any firm based in Florida that has a Small Business Administration 8(a) certification. As applicable to sole proprietorships, the \$5 million net

The City encourages all firms to undertake good faith efforts to identify appropriate Small Business Enterprise partners. Sources of information on certified Small Business Enterprises include the Broward County Small Business Development Division, the State of Florida Office of Supplier Diversity, South Florida Water Management District, and other agencies throughout the State. The City includes links to these organizations from the City's website [www.pompanobeachfl.gov](http://www.pompanobeachfl.gov).

**The City has set a 5% voluntary Small Business Enterprise Goal for this project. SBE Forms are located at the end of this solicitation, and all firms responding must return a response of participation or non-participation in order to be considered responsive for evaluation purposes.**

Please indicate in your response if your firm is a certified Small Business Enterprise, and include the completed "Good Faith Effort Report" form with your proposal.
