**BID SPECIFICATIONS, SALE OF SURPLUS REAL PROPERTY**  
**"AS IS"**

Pursuant to the provisions of Section 253, Article XXV, Charter of the City of Pompano Beach, Florida, which is Chapter 57-1754, Laws of Florida, Special Acts of 1957, as subsequently amended and supplemented, the City Commission of said City has declared surplus and now offers for sale the following described real property owned by the City, to-wit:

**See Exhibit "A" Attached Hereto and Made a Part Hereof,  
Hereinafter the "Property"**

This offer to sell is based upon the following terms and conditions:

1. Condition of Property: The Property will be sold in an "as is" condition. City will not warrant the condition of the property or title to the Property.

2. Bid Bond: The amount bid shall be payable in cash, cashier's check or certified check at closing, or the City Commission may by majority vote accept not less than twenty-five (25%) percent cash down payment and the balance in equal annual installments not exceeding five (5) years. All bids shall be accompanied by a bid bond in cash, cashier's check or certified check, in an amount equal to ten (10%) percent of the total bid price, which bond shall be forfeited as liquidated damages in the event a successful bidder fails to comply with or complete the terms of its bid, or the terms of the purchase contract required by Paragraph 2 below, following which neither party shall have any further rights or remedies against the other. The bid bond will be deducted from the amount bid to determine the balance due at closing.

3. Purchase Contract: Forthwith upon the acceptance of a bid by the City Commission, the successful bidder will enter into a contract for the purchase of the property by said bidder, said contract to be prepared by the City Attorney for the City, and to contain the following terms:

A. Title to the Property shall be conveyed by Quit Claim Deed and the deed shall be prepared by the City Attorney at the expense of the City.

B. While the status of the title to the Property and environmental concerns should be investigated by Purchaser prior to placing a bid, Purchaser may, at Purchaser's expense, have title to the Property reviewed and have a Phase I environmental audit conducted on the Property prior to the closing date. Any defects in the Property, other than those set forth herein, shall not be an objection to proceeding with the purchase of the Property.

C. A survey of the property, if required, shall be paid for by the Purchaser.

D. State documentary stamps on the deed shall be paid by the Purchaser.

E. Certified, confirmed and ratified special assessment liens shall be paid by the City at the time of closing. The City represents that there are no pending liens at this time affecting the property which have been made by the City, and to the best of its knowledge there are no other pending liens affecting the property. However, if at the time of closing there shall be new or future pending liens, Purchaser shall assume the same.

F. The Purchaser shall pay the cost of recording the deed.

G. The Purchaser shall pay the cost of his or its own attorneys and title insurance.

H. The Bid Bond will be considered as a good faith deposit and will be deducted from the price bid to determine balance due at closing. Failure to consummate the purchase in accord with the terms of the contract and the bid specifications will result in retention of the good faith deposit by the City as agreed upon liquidated damages accruing to it from such failure, following which neither party shall have any rights and remedies against the other.

I. Closing shall take place within one hundred eighty (180) days from the date of the contract, in the office of the City Attorney.

J. Purchaser is purchasing the Property in an “as is” condition with all faults and without any representation or warranty on the part of the City except as otherwise specified herein. Purchaser is solely responsible for obtaining all necessary development approvals from government entities. City does not represent that any government approval has been given for development on any specific site or parcel. Purchaser represents and warrants to City that Purchaser is relying solely upon its own investigations and inspections of the Property, and as a result, City shall not be obligated to make any modifications to the Property as a condition to Purchaser’s obligation to close.

4. Survival of Bid Specification and Purchase Contract

After Closing: It is understood and agreed that the terms of these bid specifications and of the purchase contract shall survive the conveyance of title, particularly with respect to any act or event which may take place after such conveyance and which affects the rights of the parties hereto.

5. Sale; Rejection: The property will be sold to the highest and best bidder, if a sale is made, on the terms and conditions herein stated, but the City reserves the right to reject any and all bids.

6. Bids: Sealed bids will be received until 4:00 p.m. July 10<sup>th</sup>, 2015, in the office of the City Clerk, City Hall, 100 West Atlantic Boulevard, Pompano Beach, Florida. The bids will then be publicly opened during the course of the regular City Commission Meeting to be held on July 14<sup>th</sup>, 2015 in the City Commission Chambers, 100 West Atlantic Blvd.,

Pompano Beach, Florida, It will be the sole responsibility of the bidder to deliver his proposal to the office of the City Clerk on or before the hour and date specified herein.

7. Variances; Informalities: Bidders must submit their proposals strictly in accordance with these specifications. Each variance to these specifications must be specifically stated by the bidder in his bidding proposal and may result in his bid being rejected. The City of Pompano Beach reserves the right to waive any informality in any bid.

8. Period of Effectiveness: All bids shall be effective and binding upon the bidder for a period of ten (10) days from the date of the award and any bid bonds previously deposited shall be returned to the unsuccessful bidders ten (10) days after said award.

9. Certification: The Bidder, by submitting his proposal, certifies that his bid is made without previous understanding, agreement, collusion or connection with any person, firm or corporation making a bid for the same property.

10. Real Estate Brokers: The City has not employed any real estate brokers in connection with the sale of the surplus property being offered herein, nor is it in any way liable or responsible for any real estate brokerage or other similar commission claimed as the result of any sale made of the property herein offered. Any such real estate brokerage or other similar commission shall be the sole obligation and responsibility of the successful bidder and the City shall not be responsible or liable therefor. The successful bidder shall, concurrent with the execution of the purchase contract, agree to indemnify against and hold the City harmless from any and all such claims or demands for a real estate brokerage or other similar commission which may be made as the result of the sale of property offered hereby and, in the event litigation should result from any such claim, such indemnification and hold harmless agreement shall include any judgment rendered as the result of such litigation and all costs and expenses of such

litigation, including, but not limited to, attorney's fees, suit costs, expert fees and all other costs or expenses of whatsoever nature incurred by the City in connection with such litigation, including any appellate litigation.

north side of the street, but in reality, the City owns half of the property and the resident owns the other half. Therefore, Comr. Hardin recommended that the commission direct staff to declare the City's portion surplus property to get it out for a bid.

Mayor Fisher directed City Attorney Linn to handle this matter.

Gordon B. Linn, City Attorney requested that the appropriate staff member meet with him regarding this matter.

Comr. Hardin indicated that Robin Bird, Development Services Director is aware of the property.

**Update on the Burrie Civic Center** – Comr. Hardin requested an update on the Barrie's Civic Center. He recalled that there was some discussion at the last Parks and Recreation Advisory meeting about this center and about the design moving forward on the limited site available on Federal Highway. He asked if any progress has been made as it relates to trying to do a swap with Pompano Ford, otherwise, the Center will not have access from the neighborhood and it would only be ingress/egress on Federal Highway. This was a concern for the members of the Parks and Recreation advisory board.

Dennis W. Beach, City Manager reported that the City has made some contacts and had several meetings with the property owners in an effort to work through the issues. Therefore, it is still underway, and the intentions are to make this happen at some point. Nevertheless, the City is proceeding with the design based on the property in hand, with the objective of making that connection to the residential neighborhood, when possible.

Comr. Hardin understands the City Commission wants this to happen, however, he is concerned that it has not happened yet, and it appears that the building will be constructed without any access. In sum, he is concerned that this is a bad design, and if access is not granted, and the City cannot find another place to buy to do a land swap, perhaps, the City will be stuck with a Civic Center on Federal Highway that has no access to the neighborhood. Therefore, he asked if staff has exhausted every other possibility.
