## Synopsis

The Second Chance Society Hand Up Program was founded in 2001 to fill a critical gap found in the Continuum of Care services available to homeless and struggling men and women. SCS's Founder discovered that there were agencies to shelter, clothe and feed the homeless, those to provide medical and mental health services, those to provide treatment for alcohol and drug addiction, case management and counseling and others to assist with employment. There were, however, no entities whatsoever who could provide financial assistance and funding of both job-related materials and/or vocational training materials to help one to accept a job and/or return to school to learn a trade. Having identified this gap, Second Chance Society found its niche and implemented the Hand Up Program. To date, it has helped over 3500 individuals and has 100 agencies that refer their clients to the program on a daily basis.

## Objectives

The Second Chance Society Hand Up Program provides unduplicated assistance to homeless and struggling individuals in the community who are inhibited from being able to work by some material barrier. This barrier can be any one of a number of job-related items and necessities such as lack of tools, uniforms, work boots, non-skid shoes, licensure, certifications, etc. Through the well run referral process, SCS meets with and interviews clients referred by homeless shelters, sober houses, department of corrections, etc., makes a recommendation to its Board for approval, and with approval, takes such clients shopping to purchase whatever items are needed to begin a job. The objective here is to get the client working as soon as employment is found.

Additionally, the Second Chance Society provides assistance to homeless and struggling individuals in the community who are inhibited from being able to take vocational training due to a lack of funding for tuition, text books and educational materials, test fees, etc.. Through the well run referral process, SCS meets with and interviews clients referred by homeless shelters, sober houses, department of corrections, etc., makes a recommendation to its Board for approval. Upon approval, tuition, text books and educational materials are funded thereby allowing clients to enroll in their course of choice and begin their studies immediately. The objective here is to enable clients to complete a course of study which they are passionate about and which in time will lead to a viable trade and employment. In both of these summaries, the objective is to aid in returning the client to a state of independence, self-sufficiency and general well being.

## Deliverables

This Public Funding Services Application for the Hand Up Program is being requested so that SCS can continue to support and expand its already existing and successful program which is well recognized and appreciated within the community of the Continuum of Care for the homeless. A key deliverable of the program is that it helps to speed up the return-to-work process to those living in shelters, using other community resources. The eventual deliverable will be the outcome that documents that one has reached a state of self-sufficiency.

## Measurements

Second Chance Society's Client Tracking Module is a crucial element to the program. SCS will make personal contact with its clients and their referring agencies/case managers at set intervals for up to 1 year. The purpose of such calls is two-fold: (1) to evaluate and report client progress to grantors, and (2) to provide moral encouragement and ongoing support to its clients. Outcomes Reporting will be provided to the City of Pompano Beach as per contract provisions. SCS has found that many of its clients stay in touch well beyond the 1 year period. Many have lost contact with family members, and to these individuals, Second Chance Society becomes a surrogate family.

**BUDGET NARRATIVE:**

**Fringe Benefits** - Under allocation schedule 100% of this expense is allocated to other grants and funding, and no expense is allocated to City of Pompano Beach CDBG funding.

**Professional Fees** - The principal element to this expense category is CPA fees for the annual audit, coupled with insurance expense. This expense category is 100% allocated to other grant and funding sources, and no expense is allocated to City of Pompano Beach CDBG funding.

**Printing & Supplies** - This is a very modest expense category for the Second Chance Hand-Up Program and is 100% allocated to other grant and funding sources, and no expense is allocated to City of Pompano Beach CDBG funding.

**Shipping & Postage** - This is a very modest expense category for the Second Chance Hand-Up Program and is 100% allocated to other grant and funding sources, and no expense is allocated to City of Pompano Beach CDBG funding.

**Communications** - This category includes the phone, fax and internet systems. 100% of funding is allocated to other grant and funding sources, and no expense is allocated to City of Pompano Beach CDBG funding

**Capital Expense** - This is a very modest expense category for the Second Chance Hand-Up Program and is 100% allocated to other grant and funding sources, and no expense is allocated to City of Pompano Beach CDBG funding.

**Administrative Costs** - This is a general administrative cost category and is 100% allocated to other grant and funding sources, and no expense is allocated to City of Pompano Beach CDBG funding.

**Rent & Facility Costs** - The Second Chance Society facility which houses the Hand-Up Program is owned by the Second Chance Society. Since the purchase of the building, affectionately called Second Chance House, a private benefactor and mortgage holder has each year made a restricted donation for this purpose, by forgiving the interest expense, and reducing the mortgage principal balance.

**Direct Client Expenses** - This expense represents the budget allocation for the purchase of goods and services to assist qualified clients to overcome material barriers to employment or to further vocational studies in accordance with Hand Up Program procedures and guidelines. The \$7,500 allocation in this category for City of Pompano Beach CDBG funding represents the direct client costs for 50 clients. The Program will serve well more than this number of clients who are residents of the City of Pompano Beach, and SCS assures the City that they will serve a minimum of 50 City of Pompano Beach resident clients during the grant period. Funding for the additional and expected 350 County wide clients to be served by the Program in FY 2015 to 2016 is allocated to other grants, other funding sources, and fundraising.

**LEVERAGE ABILITY - SCS will leverage CDBG funding through the below funding sources:**

Rogers Family Foundation	\$15,000.00
Batchelor Foundation	\$25,000.00
Enterprise Foundation	\$1,500.00
SCS is currently in the 2 <sup>nd</sup> of a 3-year contract with the United Way of Broward	\$45,000.00
Amerijet International Corporation	\$10,000.00
World Fuel Corporation	\$10,000.00
Holy Cross Hospital	\$1,500.00

Stacy Foundation	\$15,000.00
Fundraising	<u>\$10,000.00</u>
Total:	\$142,978.24

*Funding Update: SCS plans on expanding its current "Ambassador Club Program" which honors donors in the following categories: Foundations, Corporations, and Individuals. SCS just held its Third Annual Ambassador Club Luncheon where it honored the Rogers Family Foundation, Holy Cross Hospital and Mr. & Mrs. Lee Burt. The expansion of this club will attract new donors to the SCS funding pool. The SCS Board of Directors is committed to increasing its fundraising activities as well with smaller but more frequent events. Additionally, it should be noted that SCS utilizes the services of 25 volunteers who assist in the daily operation of its program. By the end of its fiscal year, SCS logs approximately 2500 volunteer hours (or more). At a rate of approximately \$22.14 per volunteer hour, an in-kind donation of \$2,214.00 per volunteer, or, a total of \$55,350.00 of in-kind contribution is realized through the value of its volunteer base.*
