SHORT TITLE

AN ORDINANCE OF THE CITY COMMISSION OF THE CITY OF POMPANO BEACH AMENDING CHAPTER 155 "ZONING CODE", BY AMENDING SECTION 155.4222, "COMMERCIAL: RETAIL SALES AND SERVICE USES- RETAIL SALES," TO MODIFY THE DEFINITION OF A CONSIGNMENT SHOP AND A THRIFT SHOP; BY AMENDING SECTION 155.5102, "OFF-STREET PARKING AND LOADING"; BY AMENDING PART 5, "TERMS AND USES DEFINED"; BY AMENDING APPENDIX A: "CONSOLIDATED USE TABLE"; PROVIDING SEVERABILITY; PROVIDING AN EFFECTIVE DATE.

Summary of Purpose and Why:

In order to allow sufficient time to study the provision of thrift shops in the City, on July 14, 2015 the City Commission adopted Ordinance 2015-67, which enacted a temporary moratorium on thrift shops. Staff has undertaken a study and has prepared text amendments based on the findings of the study (A copy of the study is attached). The text amendments propose renaming and redefining consignment shop as a consignment boutique, adopting standards that more clearly distinguish a thrift shop versus a consignment boutique, and adopting standards related to the donation areas for thrift shops. Staff will present a brief PowerPoint presentation highlighting the proposed recommendations; a copy of which is included at the end of the back-up for this item. The text amendments were unanimously recommended at the November 30, 2015 Planning and Zoning Board meeting (A copy of the draft minutes from the Planning and Zoning Board meeting are attached.).

C. INDIVIDUALS TESTIFYING PLACED UNDER OATH

Mr. Robin Bird reminded the Chairman that this is not a quasi-judicial hearing and it is not necessary to place individuals under oath. Carrie Sarver agreed that placing the audience who wishes to speak under oath is above the requirements.

City Staff and members of the public testifying before the Board at the meeting were placed under oath by Kerrie MacNeil, Zoning Technician and Notary Public in the State of Florida.

D. OTHER BUSINESS

1. Temporary Moratorium - Staff Reports

Staff has prepared reports and recommendations regarding several uses subject to the Temporary Moratorium. The reports are as follows: Health Care Uses, Thrift and Consignment Shops, and Liquor Stores (and other retail sales of alcoholic beverages), and Alternative Financing Uses.

Mr. Robin Bird introduced himself to the Board as the Director of Development Services and reviewed the temporary moratorium and the reasons why it was enacted. Mr. Bird stated that four reports are being presented tonight and a significant size team worked on the reports. Mr. Bird added that staff reserves the ability to bring items back to the next Planning and Zoning Board meeting.

Mrs. Kovac asked why restaurants were not included in the reports. Mr. Bird replied that the City Commission did not select restaurants to be placed under moratorium.

Mrs. Friedman, Principal Planner, introduced herself to the Board and stated that she would be presenting condensed versions of the reports that were included in staff's back up material and she will be focusing mostly on the recommendations. Mrs. Friedman stated that the various recommendations have the same theme: the City's need to balance access to these uses, economic development, protect single family neighborhoods and regulate secondary effects of the uses. Distance requirements.

Mrs. Friedman introduced the first topic: Thrift and consignment shops. Mrs. Friedman stated that often times the difference between thrift and consignment shops is not understood. Mrs. Friedman delivered a PowerPoint presentation to the Board which included staff's recommendations.

Mrs. Friedman introduced the next topic and began the PowerPoint presentation on Alternative Financing Uses. Mrs. Friedman presented the definition, location, history, problems, and staff's recommendations for these uses.

Mrs. Friedman gave the next presentation on Liquor Stores and other retail sales of alcoholic beverages.

Mrs. Friedman presented the next report on Health Care Uses.

Mr. Bird informed the Board that there will be four separate ordinances and suggested that the Board discuss and vote on one topic at a time. The Board agreed to discuss the reports in the order that they were presented in by staff. Mr. Stacer asked the Board if they had any questions for staff regarding Thrift and Consignment shops.

Mrs. Anderson if the consignment stores that were in B-3 that will now be considered thrift stores are considered nonconforming. Mrs. Friedman replied that they would likely be treated under the lawfully existing special exception use. Mrs. Anderson asked if this would be true even if they do not apply and Mrs. Friedman responded that it is just the designation.

Dr. Mills stated that he is unclear on the difference between consignment and thrift shop. Mrs. Friedman explained the difference between the two. Dr. Mills asked if no new business can be established under the moratorium and what is the length of the Moratorium. Mrs. Friedman responded that the Moratorium was enacted by the City Commission on July 14, 2015 and it is set to expire on January 14, 2016 unless further action is taken by the Commission. Dr. Mills asked if no new business can be established during this time and Mrs. Friedman replied that no new permits and no new business tax receipts were issued to any of the uses that have been subject to the Temporary Moratorium.

Mrs. Aycock asked why consignment boutiques are prohibited from fronting Atlantic Boulevard in the AOD but not thrift. Mrs. Friedman responded that they Thrift Shops are a prohibited use in the AOD; therefore, we would not have to regulate where they would be located.

Mr. Klosiewicz asked who will determine what is considered "luxury merchandise." Mrs. Friedman responded that staff will be looking to see if the business is focusing on selling one type of merchandise or if they focusing on multiple items (this is a way to determine the difference between thrift and consignment). Mrs. Friedman added that this is a standard used by several other cities in South Florida and staff will make their best determination. Mr. Klosiewicz expressed that he does not believe the word luxury should be included because the word luxury may be interpreted differently by different people. Mr. Klosiewicz stated that he suggests the word be stricken from the text amendment.

Dr. Mills asked what happens to the places that are not in compliance once this goes into effect. Mrs. Friedman responded that the use will become a legal non-conforming use or lawfully existing special exception use. Mrs. Friedman added that we do not force them to comply.

Mr. Evans asked for the distinction between a shop and a boutique and if a boutique is a more specialized. Mrs. Friedman answered that it is a more specialized type of retail establishment (ex. vintage clothing or furniture).

Any person who decides to appeal any decision of the PLANNING AND ZONING BOARD/LOCAL PLANNING AGENCY with respect to any matter considered at this meeting will need a record of the proceedings and for such purpose may need to ensure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is to be based. // kem

Mrs. Anderson asked if the lawfully existing special exception is held to the same improvement as the legal nonconforming use. Mr. Bird responded that a lawful special exception use is held to a different standard.

Mr. Stacer asked if staff is looking for a recommendation to extend the Moratorium and Mrs. Friedman responded that they are only looking for a recommendation on the text amendments.

Mr. Stacer opened up the discussion to the public.

Patrick Jovanov (411 NE 18th Avenue Pompano Beach, FL) introduced himself to the Board and complimented Mrs. Friedman and the rest of the team on their research. Patrick stated that he has visited the Salvation Army over the years and he wishes that staff would come up with more equitable regulations. Patrick stated that this was a part of history. Patrick stated that "this is very good."

Tara Patton introduced herself to the Board as the representative of Festival Flea Market (2900 West Sample Road Pompano Beach, FL) and asked how outlet stores like Nordstrom Rack are categorized since they are selling goods below market value. Mrs. Friedman responded that there is a use in the code called "other retail establishment" that does not take into account the prices of the items sold. Mrs. Patton asked if there was an umbrella that grouped alike types of "luxury items." Mrs. Friedman answered that it would be related accessories (example: purses and jewelry). Mrs. Patton asked that her concern was who gets to make that determination.

Mrs. Kovac asked if clothing, jewelry and purses would be considered consignment and Mrs. Friedman confirmed.

Dr. Mills asked staff why the moratorium is necessary. Mr. Bird answered that staff and the City Commission have determined that the location of many of these uses were creating side effects that were concerning. The moratorium gives staff time to study the issues and decide how to go forward. Dr. Mills asked if we are currently under moratorium and Mr. Bird confirmed.

Mr. Klosiewicz asked the Chairman if the Board is going to have the opportunity, at this time, to amend the language in the text amendments. Mr. Stacer confirmed.

Mr. Stacer closed the public hearing.

MOTION made by Richard Klosiewicz and seconded by Dwight Evans to recommend approval of the proposed text amendments to Thrift and Consignment shops with the word "luxury" stricken from code sections 155.4222.E.2 and Article 9, Part 5. All vote in favor of the above motion; therefore, the motion passed.

Mr. Stacer asked the Board if anyone had questions on the Alternative Financing presentation and recommendations.

Any person who decides to appeal any decision of the PLANNING AND ZONING BOARD/LOCAL PLANNING AGENCY with respect to any matter considered at this meeting will need a record of the proceedings and for such purpose may need to ensure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is to be based. // kem

Dr. Mills asked if the proposed changes would mean that he cannot go into a bank and cash a check. Mrs. Friedman answered that one would be able to cash a check at a bank and they are separate uses. Dr. Mills asked why staff is recommending to modify the definition of bank to exclude these items. Mrs. Friedman answered that the definition of "Bank or Financial Institution" today includes a check cashing store. If we do not exclude them, we would be treating them under two different categories. We are not taking the ability to cash a check away from a bank, but we are removing the description of a check cashing facility from the "Bank or Financial Institution" use.

Mrs. Aycock asked staff why there is no separation distance between these uses and residential uses. Mrs. Friedman responded that she found separation of like uses in her research and the intent of this is to prevent clustering.

Mr. Evans asked if staff stated that these uses cause an area to become blighted. Mrs. Friedman confirmed that this is what the report indicated and the secondary effects blight the area, attract crime, cause deterioration of shopping centers, and they have certain appearance issues that may cause blighting (ex. bullet proof glass windows). Mr. Evans asked about the benefits staff identified on page 8 of the report and stated that he thinks there is a greater benefit to keeping the uses rather than removing them. Mr. Evans asked if we have this blight in Pompano. Mrs. Friedman responded that we have four distinct clusters of these uses and three of four are within or directly adjacent to the Northwest CRA which is a blighted area of the City. Mr. Evans asked if there was more than one facility located on Atlantic Blvd just west of Dixie Highway. Mrs. Friedman pulled up the map and responded that there are multiple locations in Cluster #4.

Mr. Klosiewicz stated that he believes that these stores would not have opened if they were not needed and that competition may benefit the people that are being served.

Mr. Stacer asked staff about an inconsistency between what is permitted in the PD-I in the appendix and the backup material. Mrs. Friedman stated that check cashing facility should not be permitted in the PD-I and confirmed it is an error and the Appendix is correct.

Mrs. Anderson asked if staff considered implanting design criteria for these uses. Mrs. Friedman responded design guidelines were not one of the considerations.

Mr. Klosiewicz asked if the State of Florida has some control over the rates that can be charged. Mrs. Friedman answered that the state has some rates but she does not know them off hand. Mr. Klosiewicz asked why people would use this type of service. Mrs. Kovac answered that it is possible that clients of these uses do not have checking accounts. Mr. Klosiewicz asked what people would do if this use is reduced or eliminated. Mrs. Friedman responded that staff's recommendation is not to eliminate the use.

Mrs. Kovac asked staff for confirmation that we are only talking about going forward and not talking about closing any existing Alternative Financing stores. Mrs. Friedman confirmed.

Mrs. Anderson asked if any of the existing uses will become nonconforming due to the separation requirements and Mrs. Friedman confirmed (legal non-conforming use).

Mr. Klosiewicz stated that he did not say anything that expressed that he believed that the uses were being eliminated.

Mrs. Aycock stated that, according to the research, the goal is to spread them out in order to lower the crime rates and help with appearance.

Mr. Klosiewicz asked how many stores on the map would be nonconforming. Mrs. Friedman responded that she could not provide that information at that very moment; however she could return with the requested information. Mr. Bird suggested a cover memo to the Board.

Mr. Stacer opened up the discussion to the public.

Vincente Thrower (1890 NW 6 AV Pompano Beach, FL) stated that the check cashing stores are needed in the minority community. Vincente stated that he believes this is a neighborhood discussion and not a board discussion on whether the neighbors want the stores in the area. Vincente expressed that the check cashing stores are important for people who have bad credit and are not able to open a bank account.

Patrick Jovanov (411 NE 18th Avenue Pompano Beach, FL) asked staff why the research includes military bases if there are no military bases in Pompano Beach. Mr. Jovanov expressed that he does not understand why there is a reference to military bases. Mr. Jovanov shared a quote from Mark Twain and stated that what is being proposed is a recurring prejudice that was discussed at City Commission meetings several times. The lack of financial institutions in the Northwest CRA was planned or discouraged.

The Chairman closed the public hearing and asked if the Board had any additional questions.

MOTION made by Joan Kovac and seconded by Tobi Aycock to recommend approval of the text amendments to Alternative Financing Uses. All voted in favor of the above motion with the exception of Jerry Mills and Dwight Evans.

The Board moved on to discussing Liquor Stores and other retail sales of alcoholic beverages.

Dr. Mills asked if these amendments will affect the American Legion, the Elks Lodge etc. Mrs. Friedman responded that these uses are not included. Dr. Mills if regular bars are included. Mrs. Friedman responded that bars with accessory package sales will be affected because the package sales will now be a new accessory use that would require approval.

Mr. Stacer asked staff for clarification on the difference between a brew pub and a distillery. Mrs. Friedman answered that the City has both brew pubs and food and beverage manufacturing and she briefly explained the differences between the two.

Any person who decides to appeal any decision of the PLANNING AND ZONING BOARD/LOCAL PLANNING AGENCY with respect to any matter considered at this meeting will need a record of the proceedings and for such purpose may need to ensure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is to be based. // kem

Patrick Jovanov (411 NE 18th Avenue Pompano Beach, FL) asked how the Costco Liquor store would be grouped. Mrs. Friedman stated that we treat these membership stores as retail establishments.

The Chairman closed the public hearing and asked if any Board members had any additional questions.

MOTION made by Richard Klosiewicz and seconded by Dwight Evans to recommend approval of the text amendments to Liquor Stores and other retail sales of alcoholic beverages. All voted in favor of the above motion; therefore, the motion passed.

The Chair asked the Board if they had any questions concerning the proposed text amendments regarding Health Care uses.

Dr. Mills asked for the geographic definition of the AOD and Mr. Bird provided Dr. Mills with an explanation. Dr. Mills asked if he could open a one story office and have treatment on the first floor. Dr. Mills also asked why someone would not be able to have a doctor's office open after 7pm and expressed that he does not agree with the proposed changes.

Mrs. Friedman stated that the intent is to balance the various needs including access (ex. hours of operation) as well as taking into consideration the impact on neighboring properties (especially the residential community). Mrs. Friedman answered that the hours of operation in the AOD would be affected. Dr. Mills mentioned that there are many senior citizens living east and he expressed that he thinks the restrictions are wrong.

Cecelia Ward introduced herself to the Board as the Planning Consultant for the Pompano CRA and stated that she would like to address a few of the comments. Mrs. Ward stated that they have performed an extensive analysis of the medical facilities in the AOD and the DPOD. The research discovered that facilities exist that close before 7pm and open after 7am. Mrs. Ward informed the Board that the purpose of the restriction on the hours of operation is to utilize the evening activity to support the pedestrian oriented uses that will help revitalize the area. The research shows that the restriction on the hours is consistent with the current operating hours of the existing facilities.

Mr. Stacer asked why Health Care uses are not proposed to be permitted in the I-1X zoning district. Mrs. Friedman stated that this district is intended for heavier uses. Mr. Bird added that no I-1X locations would be on a major corridor.

The Chairman opened up the discussion to the public.

Vincente Thrower (1890 NW 6th Ave Pompano Beach, FL) asked if someone would be prohibited from building an urgent care facility on Martin Luther King Boulevard. Mrs. Friedman responded that on MLK, a Specialty Medical Facility would be prohibited in the Downtown Pompano Beach Overlay District. Mr. Thrower asked staff why we would prohibit an urgent care facility from being constructed when there are no existing facilities in the Northwest CRA community. Mr. Bird stated that this would not prohibit an urgent

care center in the Northwest CRA, only in the downtown overlay district (DPOD). Mr. Thrower stated that he objects this item. Mr. Thrower asked the Chair what the logic is behind this regulation.

Mr. Stacer asked staff if it is permitted today. Mr. Bird responded that it is allowed today. Mr. Thrower asked if the text amendment is adopted it will not be permitted. Mr. Bird responded that the use would be permitted west of I-95 on MLK but not east of I-95.

Mr. Thrower asked why there would not be urgent care center allowed near the new residential development across from the E. Pat Larkins Center. Mr. Thrower asked the Board to not support the text amendment. Mr. Thrower asked if the item will need to pass the City Commission and staff confirmed. Mr. Thrower stated that he believes that it does not make economic sense to restrict the urgent care centers from the MLK corridor in the DPOD.

Patrick Jovanov (411 NE 18th Avenue Pompano Beach, FL) stated that the slide 17 of the presentation lists the "Lamb of God Recovery Centers" as being licensed since 2007 when it has been here for decades. Mr. Jovanov shared a personal account regarding a sober home and an attempted kidnapping of a small child. Mr. Stacer asked what part of the code Mr. Jovanov is referring to. Mr. Jovanov stated that the issue is allowing sober homes to be located in a residential district adjacent to schools. Mr. Jovanov stated that he does not have proof, but it is the only explanation for something like this happening in his neighborhood. Mr. Jovanov asked if sober homes are still permitted in the City under the temporary moratorium. Mrs. Friedman answered that the recommended text amendments do not deal with any housing uses and added that the question is unrelated to the topic at hand. Mr. Jovanov stated that he agrees with Mr. Thrower that not allowing urgent care is discrimination, prejudice, etc.

Mr. Stacer asked if this will happen in the east and west CRA. Mrs. Friedman responded that the use "Specialty medical facility" would be a special exception in B-3, permitted in B-4, I-1 and OIP. However, it would be prohibited in the AOD and DPOD. Mrs. Friedman stated that it is consistent with the goals of these districts in terms of promoting pedestrian activity uses and active night life activity. Mr. Stacer asked which uses are allowed in the AOD and DPOD and Mrs. Friedman answered that retail clinics, personal care services, and medical offices are all permitted uses in these districts.

Mr. Klosiewicz asked if an urgent medical facility open from 7am to 7pm would be permitted and Mrs. Friedman responded that it would not because the hours of operation are not the only issue. Other issues are ambulances (noise) and medical waste etc.

Mrs. Friedman answered that it is also ambulances, medical waste, (specialty medical uses), more intense than a regular doctor's office. Go here in lieu of the ER. Mr. K asked if these uses are permitted in the area that Vincente was worried about.

Mr. Evans said he thought that being transported in an ambulance to an urgent care facility occurs very infrequently. Mrs. Friedman stated that these uses have some deleterious secondary effects and we need to treat them with more regulation. Mr. Evans asked why

it is necessary to go outside of the core area if there are not significant adverse effects. Mr. Bird stated that these uses will negatively affect redevelopment efforts.

Mrs. Kovac asked how many blocks from Martin Luther King Boulevard could there be an urgent care center.

Cecilia Ward explained the purpose of the redevelopment efforts for the DPOD area.

Mrs. Friedman explained the boundaries of the DPOD.

Mr. Evans asked if the zoning regulations of the area should adjust in the area as time goes on and be updated to reflect changes. Mrs. Friedman stated that this is what staff is trying to do and the point of the moratorium. Mr. Evans asked staff if it is their belief if a specialty medical facility located in the DPOD on MLK Boulevard would adversely affect development of the area.

Mr. Bird stated that there are many uses within the specialty medical facility (not just the urgent care center). Dr. Mills stated that he is asking specifically about medical offices and how these text amendments would eliminate these uses from the area. Mrs. Friedman stated that these uses are not consistent with the redevelopment efforts in the AOD and DPOD.

Mrs. Kovac asked if Dr. Mills is aware the urgent care centers close at 7pm as well.

Dr. Evans asked if the Board will be making a recommendation regarding one of staff's recommendations and Mrs. Friedman responded that those (that Mr. Evans is referring to) are the overriding recommendations and the proposed text amendments came from these recommendations. Mrs. Friedman stated that the Board could think of them as "Considerations 1, 2, 3 and 4" and the text amendments were prepared from these considerations.

Mr. Stacer asked if staff mapped the locations of the medical facilities. Mrs. Friedman replied that staff did mapping and staff was able to conclude from the mapping is that the change in the location of uses has not changed significantly from 2005 to 2015. The maps would not be useful because they would be so cluttered with the multiple locations.

Mr. Stacer closed the discussion to the public.

MOTION made by Elizabeth Anderson and seconded by Richard Klosiewicz to recommend approval of the proposed text amendments. All voted in favor of the above motion, with the exception of Jerry Mills and Dwight Evans, therefore the motion passed.

Mr. Stacer stated that he has questions for staff that are specific to the AOD. Mrs. Friedman placed a document on the screens for the Board to see and Mr. Stacer directed her to page 2, item number 3. Mr. Stacer asked what uses fall under 3b. Mrs. Friedman stated that the changes that were made reflected the changes coming out of the moratorium. Mrs.

Friedman stated that staff will meet with the CRA and discuss visitor accommodation uses being permitted in a residential mixed use project.

Dr. Mills asked for clarification on the outcome of the most recent vote on health care uses and Mr. Stacer and Carrie Sarver clarified that there were two “Nays” or a 5-2 vote.

Mr. Stacer stated that, referring to page 3 and the parking exemptions, he is concerned about big projects that would theoretically not have to provide parking. Mrs. Friedman responded that this is an incentive for smaller projects that are looking to do adaptive reuse. Mrs. Friedman stated that this is an effective mechanism to get sites to convert their use to a more desirable use without meeting the parking requirements.

Mr. Stacer said that he considers it to be potentially dangerous to not require parking for new projects such as a large retail redevelopment project (100,000 square feet of retail).

Mr. Bird stated that this regulation has been in effect for 5 years and we have seen neither benefits nor deleterious effects. Mr. Bird used Delray Beach as an example of a City not requiring restaurants to provide additional parking and there were still new parking garages constructed. Mr. Stacer stated that he is still concerned about this concept. Mr. Bird suggested having staff come back before the Board with a separate report on this item. Mr. Stacer said that he is ok with this proposal.

Mrs. Aycock suggested staff look at the parking scheme in downtown Gainesville for ideas.

Mr. Klosiewicz complimented Mr. Bird and staff for their hard work regarding the reports on the moratorium uses.

E. AUDIENCE TO BE HEARD

Mr. Stacer asked if there was anyone in the audience who wished to speak and no one responded.

F. BOARD MEMBERS DISCUSSION

Mr. Stacer asked if the Board members had anything to discuss and there was no response.

G. REPORTS BY STAFF

Mr. Stacer asked if staff had anything to report and Ms. MacNeil announced that the next regularly scheduled meeting is December 16th, 2015.

H. ADJOURNMENT

MOTION made by Richard Klosiewicz and seconded by Dwight Evans to adjourn the meeting at 9:29pm; all voted in favor of the above motion.

Approved at the meeting held on January 27, 2016.

Temporary Moratorium

Ordinance 2015-67 Temporary Moratorium on Thrift Shops

WHEREAS, the moratorium is intended to allow sufficient time to study the provision of these uses for the citizens of Pompano Beach and to create a long term strategy to ensure adequate access to such services is provided, and,

WHEREAS, the moratorium is intended to allow sufficient time to study the provision and location of these uses does not result in an over-concentration of these uses that will result in the blighting or downgrading of the surrounding neighborhood, and

WHEREAS, the moratorium is intended to allow sufficient time to study the provision of these uses to ensure that there is a balance between the existing residential uses and the projected demand for and location of these uses,

Establishments which sell used merchandise not only prevent more goods from going to landfills and extend the life of products still in working condition, but can also offer hard to find, one-of-a-kind merchandise. However these uses can encourage illegal dumping and deteriorate the exterior appearance of shopping areas. This report analyzes the differences in consignment and thrift uses, the appearance and locations of the uses in the city, and proposes new definitions and use specific standards. The purpose of this report is to determine the right place in the city for the right consignment and thrift uses.

Purpose

Consignment vs. Thrift

Consignment Shop:

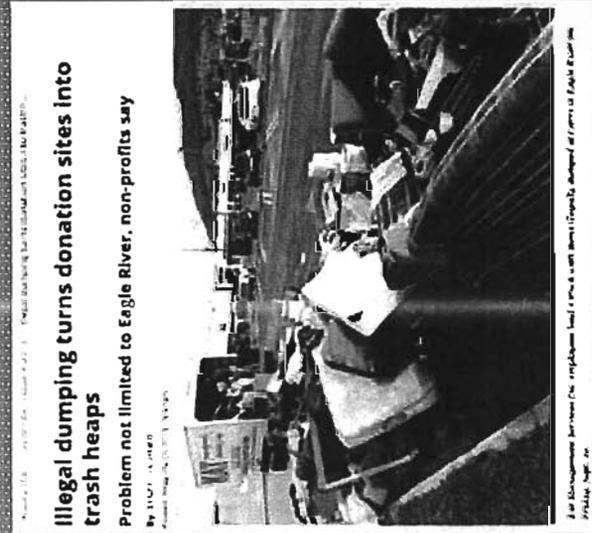

- "Consign" means to hand-over goods to be cared for while being sold for a commission.
- Sellers desiring to sell unwanted belongings can sell them throughout the shop, and have the advantage of avoiding advertising, display space, and storage costs, while the consignment store earns a percentage of the sales' profits.
- In general, they only accept items in good condition
- The goods must be current (one to two years old) and seasonal.
 - Some consignment shops do specialize in vintage goods.
- If items are not sold within a given time period, they are returned to their owner.
- Tends to focus on one or two specialty items.
 - Children's Furniture / clothing
 - Vintage or high-end clothing
 - High end furniture

Consignment vs. Thrift

Thrift Shop:

- Sells a variety of donated merchandise, often quite below market value.
- Thrift/charity shops are classified into three categories based on their operating system: nonprofit, charity-affiliated for-profit, and for-profit thrift shops.
- Nonprofit thrift shops may be operated by major national charities and sometimes by local religious groups, charities, or cultural benefactors.
- Donated merchandise is often left onsite within or outside of a donation bin or an outdoor area.
- Illegal dumping and donated merchandise left outside for extended periods create an unsightly appearance.
- Donated merchandise left outside can attract crime and theft.

City	Definition of Consignment Shop	Definition of Thrift Shop
Pompano Beach	Consignment Shop. A retail establishment primarily engaged in selling used household goods and merchandise (e.g., clothing, furniture, books, shoes, small appliances), where all such goods and merchandise are sold on consignment.	Thrift Store. A retail establishment primarily engaged in selling used household goods and merchandise (e.g., clothing, furniture, books, shoes, small appliances), where such goods and merchandise are not sold on consignment.
North Miami	Consignment shop means an establishment wherein goods limited to clothing, shoes and/or accessories for adults and/or children are sold by the operator of the shop, acting as the agent for the owner of such goods, in return for a percentage of the profits, or other consideration. Such goods may be comprised of a combination of used goods and new goods, or of used goods only.	Thrift store or resale shop means an establishment wherein secondhand articles are sold, such as clothing, shoes, accessories, furniture and other assorted items, the value of which is only a fraction of the original cost, for which price guides are not available, and which normally have no collectible or antique value. This term shall not apply to businesses which sell primarily new goods, and which may occasionally sell secondhand articles as a result of trade-ins, or unclaimed merchandise.
Parkland	Consignment store means stores which sell non-donated items such as art work, used musical instruments, antiques, or a particular class of items that could be fairly characterized as vintage due to their association with a particular time in history or period of production or other luxury items whether new or used; provided that a pawn shop as defined in F.S. § 539.001 shall not be considered a consignment store.	None
Plantation	Resale boutique. A resale boutique shall not be defined to include the business of a "secondary dealer" as defined in section 4-91 of this Code of Ordinances, as same may be amended, or a "second-hand dealer" as defined in section 538.03, Florida Statutes (1991), as amended. As used within this definition, "qualified, previously owned or used merchandise" shall be limited to wearing apparel and accessories thereto, which are clean and not stained, abraded, torn, or worn out in any area, and which (but for the sole fact that the item was previously owned) are generally merchantable as "first quality" merchandise. Whenever in this chapter a use is defined sufficiently broad arguably to include the sale of previously owned items, such as "wearing apparel stores," but where the usual and customary connotation of such use would be for the sale of new and unused merchandise, then such use shall not be deemed to include the sale or consignment of previously owned or used merchandise.	Thrift shop. A shop wherein the items sold (or given away to the needy) have been obtained through donations or gifts and where the donor receives no value upon the sale (or gift) of such merchandise to a thrift shop customer, where the use is designed to sell donated merchandise at a price below reasonable market value, and where the revenue received from selling same is retained by a charitable, not-for-profit, or religious organization or institution. The term "resale boutique," as used in this chapter, shall not be deemed to include "thrift shops."

- Any donated goods or materials left outside of the store overnight shall be removed by 9:00 a.m. the next business day

Outcome, Considerations, and Recommendations

Outcome

- Neither Parkland nor Hallandale Beach define "Thrift Store"
- Boynton Beach groups thrift stores and consignment stores together into one term, "Other Used Merchandise"
- Dania Beach and Hollywood use the same definition for Consignment Shop.
 - The definition includes the following components: the items sold are secondhand, and that the purchase price is divided between the business establishment owner and the owner of the item.
- Hallandale Beach and North Miami use the same definition for Consignment Shop.
 - The definition includes the following components: the goods sold include clothing, shoes and/or accessories; and the operator of the shop receives a percentage of the profit.
- Plantation has a use called "Resale Boutique".
 - Though a bit convoluted, the intent of this use is for the resale of wearing apparel and accessories thereto. Therefore it is similar to the definition used by Hallandale Beach et al.
- Dania Beach, Hollywood and Plantation use a similar definition for Thrift Store.
 - The definition includes the following components: the items sold have been obtained through donations; the donor receives no value from the sale; the goods are sold below the market value; and the revenue is retained by a nonprofit.
- North Miami's definition of Thrift Store includes the sale of used items including clothing, shoes, accessories, furniture and other assorted items. This definition does not require the goods to have been donated or the store to be operated by a nonprofit.
- There is local precedent to require separation between thrift shops.
- There is local and national precedent to require use-specific standards related to outdoor donations, indoor donations, space designated for sorting, illegal dumping, and overall appearance of thrift shops.

Considerations

- The City's existing Consignment Shops and Thrift Shops have similar exterior appearances; they are indistinguishable except in name only.
- The City's regulations, which permit Consignment Shops in B-3, while requiring Thrift Shop to obtain Special Exception approval, are inadvertently encouraging business owners to apply as Consignment Shop even when they are operating a Thrift Shop.
- City Staff is unable to effectively determine when an applicant's request is a Consignment Shop versus a Thrift Shop.
- City's definitions should enable applicants, staff, and code enforcement officers to easily distinguish between the two uses.

Recommendation: Consignment

- Rename Consignment Shop to Consignment Boutique
 - Similar to Hallandale Beach, Parkland and Plantation
- Revise definition to limit boutique to one type of merchandise. Examples include:
 - Clothing and related accessories
 - Maternity clothes
 - Children's apparel and furniture
 - Sporting equipment
 - Furniture and related accessories
- Specifically excludes sales of guns, appliances, mattresses, and motor vehicles
- In AOD prohibit Consignment Boutiques from fronting on Atlantic Blvd.

E. CONSIGNMENT SHOP BOUTIQUE

2. Definition

A consignment shop boutique is a retail establishment primarily engaged in selling used household goods and merchandise (e.g., clothing, furniture, books, shoes, small appliances), where all such goods and merchandise are sold on consignment. This use does not include thrift shops or antique shops non-donated, second-hand luxury merchandise, and the merchandise is placed for sale with the establishment by the owner of the merchandise and upon sale of the merchandise the purchase price is divided between the establishment owner and the owner of the merchandise. The establishment shall be limited to one type of merchandise, including but not limited to, clothing and related accessories, children's apparel and furniture, sporting equipment, or furniture and related home furnishings. This use does not include the sale of guns, appliances, mattresses, or motor vehicles.

Recommendation: Thrift

- Revise definition to clarify that use is for items bought or donated items, which are sold below reasonable market value
- Definition also includes establishments that sell on consignment but are not a considered a Consignment Boutique, including:
 - Consignment Appliances or Mattresses
 - Consignment of more than one type of merchandise (furniture, books, clothing, ...)
- Require a designated donation area and require that the area be located in the rear of the building
- Require signage for the designated donation area, including no dumping signage
- Clarify that donation left outside for 24-hours are considered illegal outdoor storage and is prohibited
- Remove limitation on minimum size in B-3.
 - The removal of the limitation reflects that this use now includes some consignment shops, which currently are permitted in B-3, but they do not meet the standard for Consignment Boutique.
- Continue to prohibit Thrift Shops in both AOD and DPOD

Recommendation: Thrift

The Right Use in the Right Location: Thrift and Consignment Shops

City Commission Hearing
February 9, 2016

Consignment vs. Thrift

Consignment Shop:

- "Consign" means to hand-over goods to be cared for while being sold for a commission.
- Sellers desiring to sell unwanted belongings can sell them throughout the shop, and have the advantage of avoiding advertising, display space, and storage costs, while the consignment store earns a percentage of the sales' profits.
- In general, they only accept items in good condition
- The goods must be current (one to two years old) and seasonal.
 - Some consignment shops do specialize in vintage goods.
- If items are not sold within a given time period, they are returned to their owner
- Tends to focus on one or two specialty items
 - Children's Furniture / clothing
 - Vintage or high-end clothing
 - High end furniture

Consignment vs. Thrift

Thrift Shop:

- Sells a variety of donated merchandise, often quite below market value.
- Thrift/charity shops are classified into three categories based on their operating system: nonprofit, charity-affiliated for-profit, and for-profit thrift shops.
- Nonprofit thrift shops may be operated by major national charities and sometimes by local religious groups, charities, or cultural benefactors.
- Donated merchandise is often left onsite within or outside of a donation bin or an outdoor area.
- Illegal dumping and donated merchandise left outside for extended periods create an unsightly appearance.
- Donated merchandise left outside can attract crime and theft.

Recommendations

Consignment

- ✓ Rename as *Consignment Boutique*
- ✓ Revise definition to limit boutique to one type of merchandise.
- ✓ Specifically excludes sales of guns, appliances, mattresses, and motor vehicles
- ✓ In AOD, prohibit Consignment Boutiques from fronting on Atlantic Blvd.

Thrift

- ✓ Revise definition to clarify that use is for items bought on bulk or donated items, which are sold below reasonable market value
- ✓ Require a designated donation area
- ✓ Require donation area be located in the rear of the building
- ✓ Require "No dumping" signage
- ✓ Prohibit donations from being left outdoors for 24-hours
- ✓ Remove limitation on minimum size in B-3.
- ✓ Continue to prohibit Thrift Shops in both AOD and DPOD
