Dear Mark Beaudreau,

Thank you for applying for an Out-of-School Time Programs grant from the National Recreation and Park Association (NRPA) in partnership with the Walmart Foundation. I am pleased to inform you that your agency has been selected to receive grant funding in the amount of \$35000 to support your agency's out-of-school time programs.

Congratulations – we look forward to working with you to ensure as many children as possible receive nutritious meals and healthy enrichment activity during out-of-school times.

The grant agreement period is April 4, 2016 to March 1, 2017. During this period, your agency is required to:

1. Direct grant funds to:
 - A. Increase the number of healthy meals children in low-income communities receive through the Summer Food Service Program (SFSP) and the Child and Adult Care Food Program (CACFP) during out-of-school times.
 - B. Provide nutrition literacy to children and families that creates behavior change by teaching the importance of healthy eating.
 - C. Implement nutrition and physical activity standards that increase access to healthier foods and increase opportunities for physical activity.
 - D. Promote meal and program efficiencies that will decrease food waste and lead to more sustainable meal programs.
2. Provide a copy of your agency's W-9 along with this signed MOU by **May 15, 2016**.
3. Complete the following items at the beginning of the grant period. No grant funds will be disbursed until each of these items are complete.
 - a. Complete the Commit to Health pledge for each of your out-of-school time sites where you plan to implement the Healthy Eating and Physical Activity (HEPA) standards. Note that while this grant period is less than a year, Commit to Health is a five year initiative.
 - b. Complete the Alliance for a Healthier Generation's Healthy Out-of-School Time Assessment (accessible after registering your sites) at the beginning of the grant period and again by **January 15, 2017**.

National Recreation and Park Association

- c. Create an Action Plan for each of your out-of-school time sites where you will be implementing the HEPA standards (this can be done while completing the assessment) at the beginning of the grant period and again by January 15, 2017.
4. At least one representative from your agency must attend:
 - a. Mandatory preliminary phone conference on April 26, 2016.
 - b. Mandatory virtual training for Summer programming on May 10, 2016 (it is recommended that additional management and program staff attend this training).
 - c. Mandatory virtual training for Fall programming on August 16, 2016 (it is recommended that additional management and program staff attend this training).
5. Implement the Nutrition Literacy Curriculum in at least 4 out-of-school time sites in the Summer and Fall of 2016.
6. Implement the Cooking Matters at the Store Program in the Summer and Fall of 2016.
7. Promote the mHealth (mobile texting) campaign at your park and recreation sites to help engage parents and teens.
8. If selected, participate in an evaluation group conference call on May 17, 2016 and administer surveys pre and post-program to children and staff to evaluate the effectiveness of the nutrition literacy curriculum on increasing knowledge of nutrition and healthy living.
9. If requested, host a half-day site visit by NRPA staff, including local stakeholders.
10. If selected, host focus groups conducted by NRPA staff at one or more of your sites to include program participants, parents/caregivers, and staff.
11. Participate in occasional conference calls with NRPA and other grantees, as requested.
12. If requested, participate in a phone interview with NRPA and a consultant to share information on your successes, challenges, and lessons learned. Your information will be compiled into a case study publication which NRPA will produce as part of this initiative.
13. Share success stories, press releases, photos, videos, quotes, local media and other outreach information highlighting the impact of the grant throughout the grant period. (Please forward to Allison Colman at acolman@nrpa.org)
14. Submit a final report by **January 15, 2017** using an online survey tool provided by NRPA. This report will collect information, such as the number of healthy meals served and the number of children who participated in your out-of-school time programs. It will also collect information on how the grant funds were spent.

Termination for Cause: Either party shall have the right to terminate this MOU for cause if the other party (i) materially breaches its obligations and agreements hereunder, or (ii) commits and/or demonstrates gross neglect in the conduct of its duties hereunder. In addition, NRPA retains the right to terminate this MOU, upon written notice, if it determines

National Recreation and Park Association

that continued affiliation with your agency is inconsistent with its mission and/or adversely affects its reputation. In order to terminate this MOU for cause, and as a condition to exercising such right to terminate for cause, a party shall give the other party thirty (30) days' prior written notice of such intention to terminate, specifying in detail the grounds or reasons for such termination for cause. Following any notice of termination for cause, the receiving party shall be permitted a reasonable opportunity to cure such claimed cause to the reasonable satisfaction of the other party.

Please acknowledge your agreement to the terms above by signing below. Upon receipt of this signed form, your agency's W-9, and NRPA's verification that your Commit to Health pledges and Healthy Out-of-School Time Assessments and Action Plans have been completed, a check will be issued for your grant funds minus \$5000 that will be disbursed upon completion of all grant requirements.
