# MEMORANDUM

## Parks, Recreation & Cultural Arts

### Memorandum 16-A075

DATE: May 12, 2016

TO: Dennis W. Beach, City Manager

FROM: Mark A. Beaudreau, Recreation Programs Administrator *mb*

SUBJECT: Agenda Item – Commission Approval to Purchase Replacement Showmobile & Approval of Corresponding Budget Adjustment

Please place the attached item on the May 24, City Commission Agenda.

History:

On February 16, 2016 the Showmobile was destroyed beyond repair due to the tornado that hit the City of Pompano Beach. The Showmobile is used by many entities including the City itself, fellow municipalities and local community groups in many events throughout the year. On average, it is used 2 – 4 times per month. Risk Management is anticipating some recovery from insurance.

Recommendation:

Due to multiple events suffering from the lack of staging and the length of time it will take to build and deliver the Showmobile (approximately 4 months), we are recommending approval of the funding for a new Showmobile from Century Industries. The new Showmobile will be purchased per pricing of Federal GSA Contract GS-07F-9321G in the amount of \$142,366 from the Disaster Recovery Fund/Repairs and Maintenance Account 121-2153-521-6410. Any insurance recovery related to the damaged Showmobile will be credited to the account towards the cost of the replacement equipment.

If you have any questions, please call me at 954-786-4191.
