"Playground Equipment, Surfacing, Site Furnishings and Related Products and

The Public Works Department recommends the City issue a purchase order to PlayCore Wisconsin, Inc., d/b/a GameTime to repair the poured rubber playground surface at Hunter's Manor Park to replace the existing surface that has deteriorated. PlayCore Wisconsin, Inc., d/b/a GameTime, was awarded a contract for playground equipment, surfacing, site furnishings and related products and services by Mecklenburg County in North Carolina (Charlotte) which is valid through September 16, 2017. Mecklenburg County issued this contract as the lead agency, on behalf of the U.S. Communities purchasing cooperative, to be used as needed by any participating government agency. The agreement is based on a competitive RFP, and the City Code allows us to piggyback a contract of this type. The contract provides for an 18% discount for surfacing. The repair to the poured rubber surface will be purchased from account 302-7199-572.65-12, Capital Project / Construction. Total cost is \$48,189.00.

It is recommended that the City Commission approve the purchase of repairs to the poured rubber playground surface, per the Mecklenburg County Contract #110179, from PlayCore Wisconsin, Inc., d/b/a GameTime. Enriching Childhood Through Play.

International Territories

Our installers go through classroom and field training to ensure they know how to install our equipment.

Certificates are issued to installers after completion of our course, signifying they are trained to install GameTime equipment.

Installers who share our vision

It isn't enough to send our installers to a third party certification program. We want to meet them, teach them, and make sure they know how to install our products. All playground equipment is different, and we want to ensure that when they learn how to put a play structure together, they are training on one of ours.

That's why at GameTime we offer an intensive training course at our facility. We want to make sure our installers know safety regulations, industry standards, and how they apply when installing our equipment. It is important to us that your installation process goes smoothly, and that everything is done to our exacting specifications.

Certification Matters

GameTime's exclusive Certified Installer Training course has a two-part curriculum. First, attendees learn about installation in a hands-on lab where they assemble play structures under the watchful eyes of our on-staff professionals. They learn about new products, modifications, and new industry information. They also are instructed on CPSC, ASTM, and industry regulations in relation to our products and proper installation. They learn how to properly locate and drill ground holes, recognize and avoid underground utilities, and use the tools needed to ensure an accurate installation.

The course also includes a lecture series, with focuses on risk management, insurance, and many other topics that will give installers the knowledge and skills to make your playground everything you expect it to be. By completing our training, we can have the confidence that no matter where they are in the US, all of our

playgrounds are being installed correctly, expertly, and to the exacting standards that we maintain throughout all of our processes.

Upon completion of the course our installers sign a contract that we share with our sales force, so that when scheduling an installation our representatives know who to choose to get the job done right. This manufacturer specific training course is unique to GameTime alone, and is acknowledged in the industry as a program that should be a model for all. It's just one more thing that sets GameTime apart, and one more reason you should trust us to be your playground company.

Poured Bonded Rubber Warranty

Playground Equipment

GameTime warrants the GT Impax recycled poured bonded rubber surface installed and maintained in accordance to GameTime specifications, under this contract agreement for a period of three (3) years commencing from the date of substantial completion. This limited warranty shall provide for 100% of the cost for necessary repairs caused by the failure of the GT Impax Poured Bonded Rubber due to workmanship and materials only, and pertains only to the surfacing material agreed to under this contract.

This limited warranty includes GameTime's obligation to only repair and/or replace any defective materials or workmanship in the surface area or surface areas that have failed during the first year of the three-year warranty period. A failed area or failed areas include edge raveling, delaminating, peeling, color loss or loss of integrity as a result of the GT Impax recycled poured bonded rubber degradation. Due to maintenance requirements, edge raveling, delaminating, peeling or loss of integrity in the second and third year of the warranty is limited to material replacements only. Labor cost for resealing and/or repairing the poured bonded rubber pad will be at the expense of the end user. Material replacement due to color lost carries a one-year warranty.

GameTime is under no obligation or responsibility to repair and/or replace the GT Impax recycled poured bonded rubber surface if damaged during the curing process (Unless specified in contract), damage by vandalism (including stains, cuts, burns, gouges, etc.), product misuse, abuse or alteration, improper slab or base or sub-base design or construction, improper drainage, improper or lack of specified required maintenance, any foreign residue that may be deposited on the surface, normal wear and tear (including slight color variations, and color fading), damage from sharp objects (high heels, spikes, etc.), problems caused by moisture, alkali, hydrostatic pressure, cracking, shifting, or lifting of the substrate, or acts of God.

All warranty claims shall be made in writing to GameTime within thirty (30) days after the Owner has knowledge thereof, but in no event later than thirty (30) days after expiration of the warranty period. The written notification from the Owner shall include the following: the date of the first notice of the failure, details of the failure, photos of the failed area and a request for a warranty claim meeting with GameTime at the installation site (if applicable). GameTime shall not be responsible for warranty claims for any notices received from the Owner after thirty (30) days of Owner's first knowledge of the failure.

GameTime shall determine the validity of all claims after sufficient evidence has been gathered. GameTime shall then replace, repair or make a refund for any claims validated by it. Any refund, credit or allowance provided to the Owner on a warranty claim is exercisable only if said allowance is used to accommodate replacement with a GT Impax recycled poured bonded rubber surface.

Any dispute as to whether and to what extent there is a GT Impax recycled poured bonded rubber surfacing failure and a subsequent valid warranty claim within the meaning of this warranty shall be initially dealt with by joint investigation and discussion between GameTime and owner in order to achieve a mutually agreeable solution. If such a solution cannot be reached within thirty (30) days, then either the Owner or GameTime shall submit the matter to an arbitrator who is a member of the American Arbitration Association and who shall make a determination in accordance with the rules and regulation of said American Arbitration Association. The decision of said arbitrator shall be binding on both parties.

This limited warranty is exclusive of the underlying material (e.g. existing surface, existing or new asphalt, concrete, base, sub-base or sub-grade). If the underlying material fails for any reason whatsoever (including hydrostatic pressure, cracking, shifting, heaving), then GameTime warranty shall be rendered invalid. If the underlying material is concrete, a "curing agent" is NOT allowed; as it will probably cause delamination of the GT Impax recycled poured bonded rubber. Additionally, there is no warranty against surface cracking along expansion joints and underlying cracks, or separating from an adjacent border, curb or walkway. This limited warranty does not include discoloration as a result of ultraviolet rays, unapproved cleaning materials or vandalism. WARNING: Surface temperatures can prove dangerous under warm weather conditions. Shoes and/or socks must be worn during warm weather conditions.

Owner agrees that it will not, under any circumstances, make alterations to the GT Impax recycled poured bonded rubber surface without the written authorization of GameTime. Any unauthorized alteration by the Owner shall result in the immediate termination of all warranties for the GT Impax recycled poured bonded rubber surfacing and shall also give rise to the duty of the Owner to hold harmless, defend and indemnify GameTime from any claim, suit or cause of action, personal injury, death, or property damage arising out of or related to said alteration.

This limited warranty is expressly made in lieu of any other warranties and is exclusive to the original Owner. If the contract price is not paid in a timely manner as per the terms and conditions of the agreed contract, the limited warranty is automatically voided. Any damages to the surface during the curing period will be repaired or paid for at the Owner's expense. Playground Equipment

GameTime warrants the GT Impax recycled poured rubber surface (referred to as PIP) installed and maintained in accordance to GameTime specifications, under this contract agreement for a period of five (5) years commencing from the date of substantial completion. This limited warranty shall provide for 100% of the cost for necessary repairs caused by the failure of the GT Impax PIP due to workmanship and materials only, and pertains only to the surfacing material agreed to under this contract.

Water Play Equipment

GameTime warrants the GT Impax recycled poured rubber surface (referred to as PIP) installed and maintained in accordance to GameTime specifications, under this contract agreement for a period of three (3) years commencing from the date of substantial completion. This limited warranty shall provide for 100% of the cost for necessary repairs caused by the failure of the GT Impax PIP due to workmanship and materials only, and pertains only to the surfacing material agreed to under this contract.

Water Play Equipment Only: If aliphatic binder is not used, poured rubber surfacing (PIP) will carry a maximum one-year (1) warranty.

This limited warranty includes GameTime's obligation to only repair and/or replace any defective materials or workmanship in the surface area or surface areas that have failed during the warranty period. A failed area or failed areas include edge raveling, bubbling, delamination, peeling, and loss of integrity as a result of the GT Impax recycled poured rubber degradation. GameTime is under no obligation or responsibility to repair and/or replace the GT Impax recycled poured rubber "PIP" surface if damaged during the curing process (Unless specified in contract), damage by vandalism (including stains, cuts, burns, gouges, etc.), product misuse, abuse or alteration, improper slab or base or sub-base design or construction, improper drainage, improper or lack of specified required maintenance, any foreign residue that may be deposited on the surface, normal wear and tear (including slight color variations, and color fading), damage from sharp objects (high heels, spikes, etc.), problems caused by moisture, alkali, hydrostatic pressure, cracking, shifting, or lifting of the substrate, or acts of God.

All warranty claims shall be made in writing to GameTime within thirty (30) days after the Owner has knowledge thereof, but in no event later than thirty (30) days after expiration of the warranty period. The written notification from the Owner shall include the following: the date of the first notice of the failure, details of the failure, photos of the failed area and a request for a warranty claim meeting with GameTime at the installation site (if applicable). GameTime shall not be responsible for warranty claims for any notices received from the Owner after thirty (30) days of Owner's first knowledge of the failure.

GameTime shall determine the validity of all claims after sufficient evidence has been gathered. GameTime shall then replace, repair or make a refund for any claims validated by it. Any refund, credit or allowance provided to the Owner on a warranty claim is exercisable only if said allowance is used to accommodate replacement with a GT Impax recycled poured rubber surface.

Any dispute as to whether and to what extent there is a GT Impax recycled poured rubber surfacing failure and a subsequent valid warranty claim within the meaning of this warranty shall be initially dealt with by joint investigation and discussion between GameTime and owner in order to achieve a mutually agreeable solution. If such a solution cannot be reached within thirty (30) days, then either the Owner of GameTime shall submit the matter to an arbitrator who is a member of the American Arbitration Association and who shall make a determination in accordance with the rules and regulation of said American Arbitration Association. The decision of said arbitrator shall be binding on both parties.

This limited warranty is exclusive of the underlying material (e.g. existing surface, existing or new asphalt, concrete, base, sub-base or sub-grade). If the underlying material fails for any reason whatsoever (including hydrostatic pressure, cracking, shifting, heaving), then GameTime warranty shall be rendered invalid. If the underlying material is concrete, a "curing agent" is NOT allowed, as it will probably cause delamination of the GT Impax recycled poured rubber. Additionally, there is no warranty against surface cracking along expansion joints and underlying cracks, or separating from an adjacent border, curb or walkway. This limited warranty does not include discoloration as a result of ultraviolet rays, unapproved cleaning materials or vandalism. **WARNING:** Surface temperatures can prove dangerous under warm weather conditions. Shoes and/or socks must be worn during warm weather conditions.

Owner agrees that it will not, under any circumstances, make alterations to the GT Impax recycled poured rubber surface without the written authorization of GameTime. Any unauthorized alteration by the Owner shall result in the immediate termination of all warranties for the GT Impax recycled poured rubber surfacing and shall also give rise to the duty of the Owner to hold harmless, defend and indemnify GameTime from any claim, suit or cause of action, personal injury, death, or property damage arising out of or related to said alteration.

This limited warranty is expressly made in lieu of any other warranties and is exclusive to the original Owner. Owner acknowledges that the limited warranty will be voided if the Owner fails to follow the GameTime Maintenance Guidelines provided by GameTime. Owner agrees that in no event shall GameTime have any liability to Owner for loss of use or loss of profits or any form of consequential damages. **NOTE:** The following chemicals can cause potential damage to the GT Impax recycled poured rubber and should be avoided: disinfectants, concentrated bleach, gasoline, diesel, hydraulic and lubricating oils, weak acids and organic solvents.

If the contract price is not paid in a timely manner as per the terms and conditions of the agreed contract, the limited warranty is automatically voided. Any damages to the surface during the curing period will be repaired or paid for at the Owner's expense. This limited warranty does not lessen or eliminate any other contractual obligation of Owner to GameTime.
