

NOTICE! Liberty Park Sewer Improvements

TEMPORARY ROAD CLOSURES will require detours

- NW 21st Street
- NW 20th Court
- NW 20th Street
- NW 19th Street
- NW 6th Avenue (@ NW 19th)

The City of Pompano Beach and DP Development would like to advise you of upcoming temporary isolated road closures at the above locations. The closures are anticipated to take less than a week at each location @ the center of each block. No more than 2 locations will experience impact at once. Overall work is expected between ~~August 22nd and October 31st~~
August 24th and November 7th

The purpose of construction is to improve the existing sewer system at the above streets for general area maintenance access. No interruption to your current sewer service will be experienced.

Detours will be clearly shown and you may be slightly inconvenienced by having to drive an additional block around a current construction zone. Access to all homes will be maintained and any services you may require will still be accessible at all times.

Thank you in advance for your continued cooperation during our construction process
