HAS BEEN LIFTED

RESCISSION NOTICE

August 5, 2017

Dear Customer:

On August 3, 2017, a Precautionary Boil Water Advisory was put into effect at these locations because of a broken water main.

We are pleased to inform you that we have completed testing the water, and that the water meets all applicable standards.

Therefore, we are lifting the Precautionary Boil Water Advisory.

If you have any questions please contact our Customer Service Department at (954)786-4637 during normal business hours, or (954) 942-2202 outside of normal hours.
