SECTION II - INTRODUCTION

1. GENERAL

The Pompano Beach Community Redevelopment Agency (“CRA”) has identified major redevelopment projects and programs within its boundaries in an effort to promote private sector investment, economic growth and activity therein. The intent of this Request for Qualifications (“RFQ”) is to select one or more firms with whom to negotiate a continuing contract for environmental engineering services for known or subsequently identified redevelopment activities (the “Project”) in accordance with the Consultants Competitive Negotiations Act set forth in Chapter 287.055, Florida Statutes.

2. ELIGIBILITY

Proposers are required to have an office physically located within the tri-county area of Miami-Dade, Broward or Palm Beach County to ensure they can be readily available for required meetings, discussions and tours. This office must be an active facility from which consultant services are routinely provided and not simply the office of a representative agent, a post office box or other type of mail drop facility. The CRA reserves the right to inspect Proposer’s designated office to insure compliance with this requirement.

3. SMALL BUSINESS ENTERPRISE PROGRAM

The CRA has established a voluntary Small Business Enterprise (“SBE”) Program to encourage and foster participation of small businesses in its procurement of goods and services. In accordance with Chapter 288.703(1), Florida Statutes, a SBE is any Florida-based business entity that has a Small Business Administration 8(a) Certification or is independently owned and operated with 200 or less permanent full-time employees that, together with its affiliates, has a net worth that does not exceed \$5 million. With regard to sole proprietorships, the \$5 million net worth requirement shall include both personal and business investments.

The CRA has set a five percent (5%) voluntary SBE Small Business Enterprise (“SBE”) goal for this Project. SBE Forms are included in this solicitation package and Proposers **must return** a response of participation or non-participation in order to be considered. Appropriate responses are the SBE Participation Form (Attachment “A”) and the Letter of Intent Form (Attachment “B”). Proposers should utilize SBEs certified by the State of Florida, Broward County and/or other local government jurisdictions with similar certification criteria. Firms who are unable to meet the recommended voluntary goals should instead provide the SBE Unavailability Form and Good Faith Effort Report (Attachments “C” and “D”).

Proposers are encouraged to undertake good faith efforts to identify appropriate Small Business Enterprise partners. Sources of information on certified SBEs include the Broward County Small Business Development Division and the State of Florida Office of Supplier Diversity. Links to these organizations can be accessed from the City’s website at www.mypompanobeach.org.

4. CONTRACT AWARD

The initial contract term is for one (1) year and is expected to begin on or about March 1, 2015. The CRA reserves the right to issue one-year contracts to more than one Proposer and to also extend the contract(s) for four (4) additional one year terms providing both parties agree to the extension; all terms, conditions and specifications remain the same; and such extension is approved by the CRA Board.

5. INSURANCE

The insurance requirements for the Project are summarized below. While it is not necessary for Proposers to have this coverage in effect at the time of submittal, certificates indicating that the Proposer already possesses the requisite coverage or a letter from the Carrier indicating upgrade ability will speed the evaluation process. The successful Proposer shall not commence operations, construction and/or installation of improvements until certification or proof of insurance detailing terms and provisions of coverage has been received and approved by the City's Risk Manager.

5.1 Worker's Compensation Insurance covering all employees and providing benefits as required by Chapter 440, Florida Statute, regardless of the size of the company (number of employees). The Contractor further agrees to be responsible for the employment, control and conduct of its employees and for any injury sustained by such employees in the course of their employment.

5.2 Liability Insurance

- a) Naming the CRA as an additional insured on the General Liability Insurance policy only for work performed under this contract.
- b) Such General Liability insurance shall include the checked types of insurance and minimum policy limits indicated on the checklist that follows on Page 5 herein.

5.3 Real & Personal Property Insurance

The Contractor is responsible for any loss or damage to tools, equipment, supplies and temporary structures (e.g. cofferdams, retaining walls, etc.) at the job site and for any loss or damage to buildings being constructed until that building is completed and a certificate of occupancy is issued.

MEMORANDUM

January 9, 2015

TO: CRA Board

THRU: Kim Briesemeister, CRA Executive Director
Chris Brown, CRA Executive Director

FROM: Horacio Danovich, CRA Engineer

Issue

A team was assembled to evaluate submittals in response to a Request for Qualifications for Continuing Contract for Engineering Services for Various Community Redevelopment Agency projects (RFQ PB-CRA-02-15) (See Exhibit "A").

The Community Redevelopment Agency ("CRA") is seeking CRA Board approval of the ranking compiled by the team based on the reviews of the various packages submitted by the applicants. Upon receiving CRA Board approval, the CRA will begin negotiating contracts to provide services as described in the RFQs.

Recommendation

The CRA staff recommends approval of the ranking and authorization to prepare contracts and negotiate prices with the top three (3) firms.

Background

To secure the services of qualified construction professionals to assist, the CRA issued a Request for Qualifications (RFQ) to provide continuing services from engineering professionals. A bid notice was placed in the Sun-Sentinel and on the CRA's website. A total of five (5) responses were received.

To continue with implementation of the Strategic Finance Plan, CRA staff recommends approval to prepare contracts and subsequently negotiate pricing for specific tasks with the top three (3) ranked firms. Upon successful resolution of the pricing issues, staff will seek approval from the Board to enter into contracts with the top three ranked firms, as well as any future work authorizations that exceed \$25,000.00 in cost.

To evaluate submittals, a review criteria was prepared whereas each one of the reviewers had the opportunity to consider Applicants' prior experience with similar type services, qualifications of their personnel and their availability to service the CRA, whether the firm and/or subconsultants were certified minority enterprises, and the Applicants' experience dealing with government agencies.

The team responsible to evaluate the packages for RFQ PB-CRA-02-15 was comprised of Adriane Esteban (Project Manager), Nguyen Tran (Director NWCRA), Juan Ayala (Program Manager), and Horacio Danovich (CRA and CIP Engineer).

The firms that responded to the RFQ, rankings, and scores, as compiled by the respective team, are as follows. The highlighted firms, followed by ranking and scores, denote the top score(s) for the RFQ, and therefore recommended for subsequent negotiations:

C. Fee Determination. The total amount to be paid by the CRA under this contract for all services and materials including "out of pocket" expenses (specified in Paragraph C below) and also including any approved subcontracts shall not exceed a total contract amount of two hundred thousand Dollars (\$200,000.00) per project in compliance with Consultants Competitive Negotiation Act (CCNA) Guidelines, unless otherwise agreed in writing by both parties. The Consultant shall notify the CRA's Representative in writing when 90% of the "not to exceed amount" has been reached. The Consultant will bill the CRA on a monthly basis, or as otherwise provided. Where incremental billings for partially completed items are permitted, the total billings shall not exceed the estimated percentage of completion as of the billing date. It is acknowledged and agreed to by the Consultant that the dollar limitation set forth in this section is a limitation upon and describes the maximum extent of CRA's obligation to pay Consultant, but does not include a limitation upon Consultant's duty to perform all services set forth in the Scope of Work.

D. Invoices received by the CRA from the Consultant pursuant to this Contract will be reviewed and approved in writing by the CRA's Representative, indicating that services have been rendered in conformity with the Contract, and then will be processed for payment. All invoices shall contain a detailed breakdown of the services provided for which payment is being requested. Invoices shall be paid in accordance with the Florida State Statutes governing this process. In addition to detailed invoices, upon request of the CRA's representative, Consultant will provide CRA with detailed periodic Status Reports on the project.

E. This section intentionally left blank.

F. Final Invoice: In order for both parties herein to close their books and records, the Consultant will clearly state "Final Invoice" on the Consultant's final/last billing to the CRA. This final invoice shall also certify that all services provided by Consultant have been properly performed and all charges and costs have been invoiced to the CRA. Because this account will thereupon be closed, any and other further charges not properly included on this final invoice are waived by the Consultant.

ARTICLE 4 – TRUTH-IN-NEGOTIATION CERTIFICATE

Signature of this Contract by the Consultant shall also act as the execution of a truth in negotiation certificate, certifying that the wage rates, overhead charges, and other costs used to determine the compensation provided for this Contract are accurate, complete and current as of the date of the Contract and no higher than those charged the Consultant's most favored customer for the same or substantially similar service. Should the CRA determine that said rates and costs were significantly increased due to incomplete, non-current or inaccurate representation, then said rates shall be adjusted accordingly.

ARTICLE 5 – TERMINATION

This Contract may be cancelled by the Consultant, upon thirty (30) days prior written notice to the CRA's Representative, in the event of substantial failure by the CRA to perform in accordance with the terms of this Contract through no fault of the Consultant. It may also be terminated, in whole or in part, by the CRA, with or without cause, immediately upon written notice from the CRA's Representative to the Consultant. Unless the Consultant is in breach of its Contract, the Consultant shall be paid for services rendered to the CRA's satisfaction through the date of termination. Ten Dollars (\$10.00) paid to the Consultant, the adequacy of which is

acknowledged, is given as specific and independent consideration of the CRA's right to terminate this Contract for convenience. Termination for cause by the CRA shall include, but not be limited to, failure to suitably perform the work, failure to continuously perform the work in a manner calculated to meet or accomplish the objectives of the CRA as set forth herein, or multiple breach of the provisions of this Contract notwithstanding whether any such breach was previously waived or cured. After receipt of a Termination Notice and except as otherwise directed by the CRA the Consultant shall:

- A. Stop work on the date and to the extent specified.
- B. Terminate and settle all orders and subcontracts relating to the performance of the terminated work.
- C. Transfer all work documents in process, completed work, and other materials related to the terminated work to the CRA.
- D. Continue and complete all parts of the work that have not been terminated.

ARTICLE 6 – PERSONNEL

The Consultant is, and shall be, in the performance of all work services and activities under this Contract, an independent Contractor, and not an employee, agent, or servant of the CRA. All persons engaged in any of the work or services performed pursuant to this Contract shall at all times, and in all places, be subject to the Consultant's sole direction, supervision, and control and shall not in any manner be deemed to be employees of the CRA. The Consultant shall exercise control over the means and manner in which it and its employees perform the work. This contract does not create a partnership or joint venture between the parties.

The Consultant represents that it has, or will secure at its own expense, all necessary personnel required to perform the services under this Contract. Such personnel shall not be employees of or have any contractual relationship with the CRA, nor shall such personnel be subject to any withholding for tax, Social Security or other purposes by the CRA, nor be entitled to any benefits of the CRA including, but not limited to, sick leave, pension benefits, vacation, medical benefits, life insurance, workers or unemployment compensation benefits, or the like from the CRA.

All of the services required hereunder shall be performed by the Consultant or under its supervision, and all personnel engaged in performing the services shall be fully qualified and, if required, authorized or permitted under state and local law to perform such services.

Any changes or substitutions in the Consultant's key personnel, as may be listed in Article 1, must be made known to the CRA's Representative at the time substitution becomes effective.

The Consultant warrants that all services shall be performed by skilled and competent personnel to the highest professional standards in the field.

ARTICLE 7 – SUBCONTRACTING

Consultant may subcontract any services or work to be provided to CRA with the prior written approval of the CRA's Representative. The CRA reserves the right to accept the use of a subcontractor or to reject the selection of a particular subcontractor and to inspect all facilities of any subcontractors in order to make determination as to the capability of the subcontractor to perform properly under this Contract. The CRA's acceptance of a subcontractor shall not be

unreasonably withheld. The Consultant is encouraged to seek small business enterprises for participation in its subcontracting opportunities.

ARTICLE 8 – FEDERAL AND STATE TAX

The CRA is exempt from payment of Florida State Sales and Use Taxes. The CRA will provide the Consultant with the current state issued exemption certificate. The Consultant shall not be exempted from paying sales tax to its suppliers for materials used to fulfill contractual obligations with the CRA, nor is the Consultant authorized to use the CRA's Tax Exemption Number in securing such materials.

The Consultant shall be responsible for payment of its own and its share of its employees' payroll, payroll taxes, and benefits with respect to this Contract

ARTICLE 9 – AVAILABILITY OF FUNDS

The CRA's performance and obligation to pay under this contract is contingent upon appropriation for various projects, tasks and other professional services by the CRA as are normally approved.

ARTICLE 10 - INSURANCE REQUIREMENTS

The Consultant shall not commence work under this Contract until it has obtained all insurance required under this paragraph and such insurance has been approved by the Risk Manager of the City of Pompano Beach, nor shall the Consultant allow any Subcontractor to commence work on its sub-contract until the aforementioned approval is obtained.

CERTIFICATE OF INSURANCE, reflecting evidence of the required insurance, shall be filed with the Risk Manager prior to the commencement of the work. The Certificate shall contain a provision that coverage afforded under these policies will not be cancelled, will not expire and will not be materially modified until at least thirty (30) days prior written notice has been given to the CRA. Policies shall be issued by companies authorized to conduct business under the laws of the State of Florida and shall have adequate Policyholders and Financial ratings in the latest ratings of A. M. Best.

Insurance shall be in force until all work required to be performed under the terms of the Contract is satisfactorily completed as evidenced by the formal acceptance by the CRA. In the event the Insurance Certificate provided indicates that the insurance shall terminate and lapse during the period of this Contract, the Consultant shall furnish, at least ten (10) days prior to the expiration of the date of such insurance, a renewed Certificate of Insurance as proof that equal and like coverage for the balance of the period of the Contract and extension there under is in effect. The Consultant shall not continue to work pursuant to this Contract unless all required insurance remains in full force and effect.

Limits of Liability for required insurance are shown in Exhibit B.

The CRA of Pompano Beach must be named as an additional insured for the Automobile and Commercial General Liability Coverage.

For Professional Liability, if coverage is provided on a claims-made basis, then coverage must be continued for the duration of this Contract and for not less than one (1) year thereafter, or in lieu of continuation, provide an "extended reporting clause" for one (1) year.

Consultant shall notify the CRA Risk Manager in writing within thirty (30) days of any claims filed or made against the Professional Liability Insurance Policy.

For Workers' Compensation Insurance, coverage shall be maintained during the life of this Contract to comply with statutory limits for all employees, and in the case of any work sublet, the Consultant shall require any Subcontractors similarly to provide Workers' Compensation Insurance for all the latter's employees unless such employees are covered by the protection afforded by the Consultant. The Consultant and his Subcontractors shall maintain during the life of this Contract Employer Liability Insurance.

ARTICLE 11 – INDEMNIFICATION

To the fullest extent permitted by Florida law, the Consultant agrees to indemnify and hold harmless the City, its officers, directors, agents and employees from and against any claims, losses, damages or expenses (including all costs and reasonable attorneys' fees and appellate attorneys' fees) suffered by City from (a) any claim, demand, judgment, decree, or cause of action of any kind or nature arising out of or resulting from any negligence, recklessness, or intentionally wrongful act or omission of Consultant, its agents, servants, or employees, anyone directly or indirectly employed by them, or anyone for whose acts they may be liable, in the performance of Consultant's services (b) any breach by the Consultant of this Contract; (c) any misconduct by the Consultant; and (d) any inaccuracy in or breach of any of the representations, warranties or covenants made by the Consultant herein.

Consultant acknowledges and agrees that City would not enter into this contract without this indemnification of City by Consultant, and that the City entering into this Contract shall constitute good and sufficient consideration for this indemnification. These provisions shall survive the expiration or earlier termination of this Contract. Nothing in this Contract shall be construed to affect in any way the City's rights, privileges, and immunities as set forth in Florida Statute § 768.28.

ARTICLE 12 – SUCCESSORS AND ASSIGNS

The CRA and the Consultant each binds itself and its partners, successors, executors, administrators and assigns to the other party of this Contract and to the partners, successors, executors, administrators and assigns of such other party, in respect to all covenants of this Contract. Except as above, neither the CRA nor the Consultant shall assign, sublet, encumber, convey or transfer its interest in this Contract without prior written consent of the other. Nothing herein shall be construed as creating any personal liability on the part of any officer or agent of the CRA, which may be a party hereto, nor shall it be construed as giving any rights or benefits hereunder to anyone other than the CRA and the Consultant.

ARTICLE 13 – REMEDIES

The laws of the State of Florida shall govern this Contract. Any and all legal action between the parties arising out of the Contract will be held in Broward County. No remedy herein conferred upon any party is intended to be exclusive of any other remedy, and each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder shall preclude any other or further exercise thereof.

ARTICLE 14 – CONFLICT OF INTEREST

The Consultant represents that it has no interest and shall acquire no interest, either direct or indirect, which would conflict in any manner with the performance of services required hereunder, as provided for in the Code of Ethics for Public Officers and Employees (Chapter 112, Part III, Florida Statutes). The Consultant further represents that no person having any interest shall be employed for said performance.

The Consultant shall promptly notify the CRA's representative, in writing, by certified mail, of a potential conflict(s) of interest for any prospective business association, interest or other circumstance, which may influence or appear to influence the Consultant's judgment or quality of services being provided hereunder. Such written notification shall identify the prospective business association, interest or circumstance, the nature of work that the Consultant may undertake and request an opinion of the CRA as to whether the association, interest or circumstance would, in the opinion of the CRA, constitute a conflict of interest if entered into by the Consultant. The CRA agrees to notify the Consultant of its opinion by certified mail within thirty (30) days of receipt of notice by the Consultant. If, in the opinion of the CRA, the prospective business association, interest, or circumstance would not constitute a conflict of interest by the Consultant, the CRA shall so state in the notice and the Consultant shall at its option, enter into said association, interest or circumstance and it shall be deemed not a conflict of interest with respect to services provided to the CRA by the Consultant under the terms of this Contract.

ARTICLE 15 – EXCUSABLE DELAYS

The Consultant shall not be considered in default by reason of any failure in performance if such failure arises out of causes reasonably beyond the control of the Consultant or its subcontractors and without their fault or negligence. Such causes include, but are not limited to, acts of God; natural or public health emergencies; freight embargoes; and abnormally severe and unusual weather conditions.

Upon the Consultant's request, the CRA shall consider the facts and extent of any failure to perform the work and, if the Consultant's failure to perform was without it, or its subcontractors fault or negligence, the Contract Schedule and/or any other affected provision of this Contract shall be revised accordingly; subject to the CRA's rights to change, terminate, or stop any or all of the work at any time.

ARTICLE 16 – DEBT

The Consultant shall not pledge the CRA's credit or attempt to make it a guarantor of payment or surety for any contract, debt, obligation, judgment, lien or any form of indebtedness. The Consultant further warrants and represents that it has no obligation or indebtedness that would impair its ability to fulfill the terms of this Contract.

ARTICLE 17 – DISCLOSURE AND OWNERSHIP OF DOCUMENTS

The Consultant shall deliver to the CRA's representatives for approval and acceptance, and before being eligible for final payment of any amounts due, all documents and materials prepared by and for the CRA under this Contract.

All written and oral information not in the public domain or not previously known, and all information and data obtained, developed, or supplied by the CRA or at its expense will be kept confidential by the Consultant and will not be disclosed to any other party, directly or indirectly, without the CRA's prior written consent unless required by a lawful order. All drawings, maps, sketches, programs, data base, reports and other data developed, or purchased, under this

Contract for or at the CRA's expense shall be and remain the CRA's property and may be reproduced and reused at the discretion of the CRA.

The CRA and the Consultant shall comply with the provisions of Chapter 119, Florida Statutes (Public Records Law).

The City of Pompano Beach is a public agency subject to Chapter 119, Florida Statutes. The Contractor shall comply with Florida's Public Records Law. Specifically, the Contractor shall:

Keep and maintain public records that ordinarily and necessarily would be required by the city in order to perform the service;

Provide the public with access to such public records on the same terms and conditions that the City would provide the records and at a cost that does not exceed that provided in Chapter 199, Fla. Stat., or as otherwise provided by law;

Ensure that public records that are exempt or that are confidential and exempt from public record requirements are not disclosed except as authorized by law; and

Meet all requirements for retaining public records and transfer to the City, at no cost, all public records in possession of the Contractor upon termination of the contract and destroy any duplicate public records that are exempt or confidential and exempt. All records stored electronically must be provided to the city in a format that is compatible with the information technology systems of the City.

The failure of Contractor to comply with the provisions set forth in this section shall constitute a Default and Breach of this Agreement and the city shall enforce the Default in accordance with the provisions set forth in this Agreement or as provided by law.

All covenants, agreements, representations and warranties made herein, or otherwise made in writing by any party pursuant hereto, including but not limited to any representations made herein relating to disclosure or ownership of documents, shall survive the execution and delivery of this Contract and the consummation of the transactions contemplated thereby.

ARTICLE 18 – CONTINGENT FEES

The Consultant warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the Consultant to solicit or secure this Contract and that it has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for the Consultant, any fee, commission, percentage, gift, or any other consideration contingent upon or resulting from the award or making of this Contract. Violation of this Article shall constitute a forfeiture of this Contract by Consultant.

ARTICLE 19 – ACCESS AND AUDITS

The Consultant shall maintain adequate records to justify all charges, expenses, and cost incurred in estimating and performing the work for at least three (3) years after completion of this Contract. The CRA shall have access to such books, records, and documents as required in this section for the purpose of inspection or audit during normal business hours, at the Consultant's place of business.

ARTICLE 20 – NONDISCRIMINATION

The Consultant warrants and represents that all of its employees are treated equally during employment without regard to race, color, religion, disability, sex, age, national origin, ancestry, marital status, and sexual orientation.

ARTICLE 21 – INTERPRETATION

The language of this Contract has been agreed to by both parties to express their mutual intent and no rule of strict construction shall be applied to either party hereto. The headings are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement. All personal pronouns used in this Agreement shall include the other gender, and the singular, the plural, and vice versa, unless the context otherwise requires.

ARTICLE 22 – AUTHORITY TO PRACTICE

The Consultant hereby represents and warrants that it has and will continue to maintain all licenses and approvals required to conduct its business, and that it will at all times conduct its business activities in a reputable manner. Proof of such licenses and approvals shall be submitted to the CRA's representative upon request.

ARTICLE 23 – SEVERABILITY

If any term or provision of this Contract, or the application thereof to any person or circumstances shall, to any extent be held invalid or unenforceable, to remainder of this Contract, or the application of such terms or provision, to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected, and every other term and provision of this Contract shall be deemed valid and enforceable to the extent permitted by law.

ARTICLE 24 – ENTIRETY OF CONTRACTUAL AGREEMENT

The CRA and the Consultant agree that this Contract, together with the Exhibits hereto, sets forth the entire agreement between the parties, and that there are no promises or understandings other than those stated herein. It is further agreed that no modification, amendment or alteration in the terms or conditions contained herein shall be effective unless contained in a written document executed with the same formality and of equal dignity herewith. None of the provisions, terms and conditions contained in this Contract may be added to, modified, superseded or otherwise altered, except by written instrument executed by the parties hereto in accordance with Article 25 – Modification of Work. In the event of any conflict or inconsistency between this Contract and the provisions in the incorporated Exhibits, the terms of this Contract shall supersede and prevail over the terms in the Exhibits.

ARTICLE 25 – MODIFICATION OF SCOPE OF WORK

The CRA reserves the right to make changes in the Scope of Work, including alterations, reductions therein or additions thereto. Upon receipt by the Consultant of the CRA's notification of a contemplated change, the Consultant shall, in writing: (1) provide a detailed estimate for the increase or decrease in cost due to the contemplated change; (2) notify the CRA of any estimated change in the completion date; and (3) advise the CRA if the contemplated change shall affect the Consultant's ability to meet the completion dates or schedules of this Contract.

If the CRA so instructs in writing, the Consultant shall suspend work on that portion of the Scope of Work affected by a contemplated change, pending the CRA's decision to proceed with the change.

If the CRA elects to make the change, the CRA shall initiate a Work Authorization or Task Order Amendment and the Consultant shall not commence work on any such change until such written amendment is signed by the Consultant and the CRA Manager, and if such amendment is in excess of \$25,000, it must also first be approved by the CRA Commission and signed by the appropriate CRA Official authorized by the CRA Commission

The CRA shall not be liable for payment of any additional or modified work, which is not authorized in the manner provided for by this Article.

ARTICLE 26 – NOTICE
