Meeting Date: June 21, 2016

Agenda Item 6

**REQUESTED CRA BOARD ACTION:**

Resolution(s)     Consideration     Approval     Other

**SHORT TITLE  
OR MOTION:**

A RESOLUTION OF THE POMPANO BEACH COMMUNITY REDEVELOPMENT  
AGENCY APPROVING AND AUTHORIZING THE PROPER OFFICIALS TO  
EXECUTE A LICENSE AGREEMENT BETWEEN THE POMPANO BEACH  
COMMUNITY REDEVELOPMENT AGENCY AND BLOOMING BEAN COFFEE &  
ROASTERY, INC. RELATING TO OPERATING A KIOSK IN THE WEST GALLERY  
OF THE BAILEY CONTEMPORARY ARTS, 41 NE 1ST STREET, POMPANO  
BEACH, FLORIDA; PROVIDING AN EFFECTIVE DATE.

**Summary of Purpose and Why:**

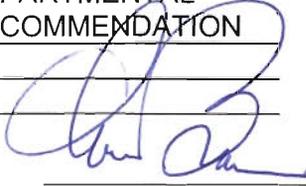

Blooming Bean Coffee & Roastery, Inc. (Blooming Bean) has participated in many CRA events as a vendor and these Old Pompano residents have identified a need for an artisanal coffee option in the area. CRA staff received an unsolicited proposal from Blooming Bean to put in a coffee and snack kiosk in the Bailey Contemporary Arts (BaCA). Blooming Bean cites the emergence of other pop-up kiosks in art museums, like Stumptown Coffee at the Whitney Museum of American Art in New York City, and how they can act as a stepping stone to establish a full-scale coffee shop. Blooming Bean proposes to set a moveable 3-station kiosk in the West Gallery that would serve their freshly brewed coffee and delicious snacks to BaCA patrons and the community at large. The terms of the unsolicited proposal have been put into a License Agreement which is presented in this agenda item. The CRA would receive a monthly percentage fee of gross sales, which would be 10% the first year, 12.5% the second year, and 15% the third. Staff recommends approval of this License Agreement and feels this kiosk will further activate the emerging creative arts district.

## MEMORANDUM

**Date:** June 21, 2016

**To:** Pompano Beach CRA Board

**From:** Adriane Esteban, Project Manager

**Subject:** License Agreement with Blooming Bean for a Coffee and Snack Kiosk at BaCA

---

In April 2014, the CRA completed the renovations of the old Bailey Hotel to create a new cultural arts venue for Downtown Pompano, the Bailey Contemporary Arts (BaCA). This facility has been an attraction for the artistic community ever since, but staff always thought there could be a more active use in the venue especially if it included a coffee shop. This need has been further exemplified during the Green Market, Old Town Untapped, and other evening events at BaCA.

Bloom Bean Coffee & Roastery, Inc. (Blooming Bean) has been a vendor at many CRA events and has identified an opportunity to serve the community their freshly roasted artisanal coffee. The owners of Blooming Bean are Old Pompano residents and are excited about the possibility of becoming part of the emerging creative arts district. They put great care into their products and think the community can feel good about supporting this socially conscious business. Blooming Bean submitted an unsolicited proposal to operate a coffee and snack kiosk at BaCA last month and this agenda item is to approve a License Agreement that codifies the terms presented in that unsolicited proposal.

The License Agreement would provide Blooming Bean the ability to serve artisanal freshly brewed coffee and delectable snacks from a moveable 3-station kiosk to be housed in the West Gallery. The CRA would provide indoor and outdoor seating, although Blooming Bean would loan the CRA work tables, and a new 220 volt outlet near the storage room. Other proposed terms of the License Agreement include the following:

- Three (3) year term with an option to renew for an additional two (2) year term
-

P. O. Drawer 1300  
Pompano Beach, FL 33060

Phone: (954) 786-5535  
Fax: (954) 786-7836

---

- CRA to receive 10% percentage fee of gross sales monthly in the first year, 12.5% fee in the second year, and 15% fee in the third year. The percentage fee would escalate by 3% in subsequent years.
- Operating hours would be Tuesday-Friday, 7:30A.M.-3:30P.M. and Saturdays 8:00A.M.-3:00P.M., but Blooming Bean may operate during evening events or longer hours if warranted
- Blooming Bean would be responsible for maintenance of kiosk, seating areas, and restroom

CRA staff is recommending approval of this License Agreement. This use will be a good fit for the venue and the movable nature of the kiosk will allow operations to commence in a short amount of time. As indicated by Blooming Bean, the emergence of pop-up kiosks in museums is a great stepping stone to a full-scale coffee shop and provides a short-term solution to activate the area, while providing the CRA a source of revenue.

LICENSEE will further, upon CRA's request, assume and defend any action that may be brought against CRA as the result of any alleged act or omission of LICENSEE or employees, agents or servants and shall further assume and pay all associated costs and attorneys' fees which may be incurred by CRA.

18. OWNERSHIP AT TERMINATION. All non-moveable fixtures, alterations, improvements, structures, additions and modifications of every kind now existing or later erected, installed or placed within the Premises shall, at the end of the Term or earlier termination of this Agreement, for any reason, be and become the property of CRA and shall be left in good condition and repair, ordinary wear and tear excepted, unless CRA at its option requires LICENSEE to remove all or a portion of same. In such event, LICENSEE at its sole expense shall promptly remove same. LICENSEE further agrees at its sole expense to promptly repair and restore all portions of the entire Premises to good condition upon such removal. It is agreed that upon any default by LICENSEE in keeping and performing any and all terms and conditions of this Agreement to be kept and performed by LICENSEE, CRA may, at its option, declare this Agreement terminated and may, after thirty (30) days written notice to LICENSEE to cure such default, re-enter and take possession of the Premises and terminate this Agreement immediately. The power granted in this paragraph to the CRA is in addition to any other rights or remedies which CRA may have under the existing laws of the State of Florida with regard to the removal of tenants, distress or other legal recourse. All rights and remedies available to CRA may be exercised concurrently or separately.

20. NON-WAIVER. The failure of CRA to insist upon the strict performance of any of the covenants, conditions and agreements of this Agreement in any one or more instances shall not be construed as a waiver or relinquishment in the future of any such covenants, conditions and agreements, or as a waiver of any other covenants, conditions and agreements.

21. DAMAGE TO PREMISES. In the event the Premises or the building of which the Premises are a part shall be damaged or destroyed by fire or other casualty, the same may be promptly repaired or rebuilt by CRA at its expense as soon as funds are available, but CRA shall not be obligated to repair, rebuild, restore or replace any fixtures, equipment, displays or other property installed by LICENSEE or others pursuant to this Agreement. Nor will CRA be liable for damage to the Premises.

A. CRA may elect, at its sole option, not to repair or reconstruct the Premises or the facility, which is a part of this Agreement and upon written notice of such election from CRA to LICENSEE the obligation of LICENSEE, shall cease and this Agreement shall thereupon terminate. However, if CRA does not give notice of termination, LICENSEE's obligation shall abate during the existence of any damage or other casualty which renders the demised premises unsuitable for LICENSEE in continued operation of business.

In the event of an emergency, CRA shall not be required to give LICENSEE notice prior to entering the premises.

24. SIGNAGE. LICENSEE, may, at its own expense, erect or place a sign for the advertising of LICENSEE on the Premises so long as same complies with all applicable governmental rules, regulations, and ordinances, including the City's Sign Code and so long as LICENSEE obtains prior written approval from the CRA as to size, location and content. Thereafter, LICENSEE shall maintain said sign in a good state of repair, and shall repair any damage to the sign.

Re: Unsolicited Proposal for Coffee Kiosk @Bailey Contemporary Arts & Gallery

Dear CRA Pompano Beach Board;

Thank you for the opportunity to conduct business with the CRA Pompano Beach and Bailey Contemporary Arts (BaCA). Our heart for Pompano Beach arts district goes well beyond our business; it is our home. We reside in Old Pompano Historic District; we love this community and the people. We also have vision. Blossoming Bean has an innovative plan for drawing *untapped* markets such as; professionals, local and visiting clients along with resident/new artisans to the Old Town Arts District which will increase exposure and revenue to the cultural events.

With the emergent of the "Pop-Up" kiosk concept in local arts & cultural scene, it is no wonder many small batch coffee roasters such as **Third Rail Coffee** and **Stumptown Coffee Roasters** have established kiosks in places such as New York's West Village and the Whitney Museum of American Art. We also think it is an innovative plan. Therefore, Blossoming Bean Coffee and Roastery is honored to submit our proposal for a Small Batch Locally Roasted Coffee Kiosk service at the Bailey Contemporary Arts.

We believe our proposal is built on a proven successful strategy for providing our community the best locally roasted and handcrafted coffees and teas along with lite fare created by local culinary artisans. We are strategic in our vision for steady growth while establishing brand recognition and gaining loyal customers utilizing social media and local events. Since October 2015, we have been cultivating a loyal following in the Local Green Market, Untapped, Lyrical Lab and Art Reveals at BaCA establishing us as Pompano's locally roasted & brewed coffee company.

*We feel we are more than a coffee kiosk to BaCA. We are creating an environment that will draw people looking for a social experience in a mixed-use art venue – **where** people can brainstorm their passions, socially hang-out, professionals can have "think tank" session, students can study and engage, a place where moms can "chill and find inspiration" while their children participate in art lessons, an venue where couples, groups or "just girls" can enjoy a coffee cupping event along with the arts, where fun family friendly game nights ensue and of course all the *amazing artistic vibes and events*.*

Although our vision reaches well beyond a kiosk in BaCA, we are aware this is a phase we will grow out from into the larger vision. We are a culturally responsible company, placing great value on our patrons and surrounding community. As an artisan, we are invested in the arts community and in developing leaders. We have a heart to mentor and cultivate a culture of responsive young adults who have a hunger to become responsible community entrepreneurs, artists and leaders. Our vision is to help bring awareness that every life matters as we serve our clients, building on a culture of integrity and responsibility.

# THE BLOOMING BEAN STORY

## EXHIBIT "B"

**Blooming Bean Coffee & Roastery** is about two things, fresh locally roasted coffee and community! We feel, these two combined sets us apart from others. It's a perfect artistic expression.

In 1996, we basically got hooked! Our first experience with a cup of **locally roasted hand crafted coffee** was like, "What planet I have been living on?" Sharon knew she would one day marry her two passions -serving our community great coffee with a purpose. Coffee that was "**not torched to death**" in the roasting process and marketed as just *fantastic!*

Many years later, a lot of hours researching and learning the coffee culture and industry, (and a lot of sampling too!) exploring the perfect business model to serve our community the best cup of locally roasted *Joe or Jill*, we knew we had to roast in the Old Town and serve the Pompano's cultural arts community because it fit with our outreach philosophy.

Initially, we roasted utilizing a shared roaster environment. Preparing for our next phase in growth, we invested in our first roaster – an Ambex – affectionately called "**Red Rooster**". We were strategic in building for longevity with our cause-based brand through creating awareness & following with local Pompano community, CRA and artists. Last year we began a drip campaign offering our fresh locally roasted coffee at Pompano Bach Green Market, Pompano Proud, Pompano CRA (Untapped) and serving our community at the Bailey Contemporary Arts community (Lyrical Labs, Art Reveals) events.

POMPANO GREEN MARKET

We are serious about coffee, however, we are passionate about our cause – to prevent and end child trafficking specifically to South Florida. With intention we named our company, Blooming Bean because **Every Bloom Matters**. Just as a green coffee bean has everything inside it to create the perfect aroma and taste, but during the roasting process it gets trapped.

Only after the bean is bloomed, its fragrant aroma and taste is set free. We believe just as a bean's true characteristics are revealed when bloomed, victims set free from human trafficking can BLOOM revealing their truly beautiful fragrant identities. Our hope is that with each sip of coffee, we are creating life-long relationships with our customers who will also share the message that **every bloom matters**.

We continue to serve our cause through our community outreach and financial support South Florida organizations such as **There IS Hope for Me, Operation Mobilization and Hepzibah House**. We build brand awareness as we continue to work with local athletic events to spread awareness about child trafficking and educate families on signs and preventative measures to protect their children. We have worked with Pompano Piranhas Swim Team and Laxwear who runs lacrosse tournaments in Palm Beach and Broward County. We are also involved in human trafficking community offering pro bono coffee service to Hepzibah House, There's Hope for Me, **Evening of Freedom and Arts** at University of Miami, **Stand for Hope** at Barry University and other Human Trafficking Awareness event.

### Founders/Owner's Business Experience

Sharon Stephenson has always had a passion for local business and community. She knew she would own a Local Coffee Company. Since 1996, her husband, Rick and she has become long time coffee enthusiasts. During those years, they have traveled to various roasters along the east coasts of the United States, studying coffee process from origins, roasting profiles, coffee cooperatives. They continue to learn and train as they develop the best roasting methods and how to grow a successful roasting company while keeping to their philosophy of sustainability and value of life.

Sharon has 20+ years' experience in advertising/marketing specifically branding. After leaving The Tribune Company to stay home with her children, she built two businesses with marketing sales companies. For over 15 years, Sharon has home-educated her three sons from Kindergarten through high school, two have since graduated and attend local university. Their youngest son is a just as passionate about coffee and works in the family business honing his barista skills.

During her college and post college years, Sharon worked extensively in food and hospitality industry on a New York based yacht charter company and in catering services at the Boca Raton Hotel. Recently, she purposely immersed herself in managing position at a local food concept to gain valuable food managing experience while planning Blooming Bean's coffee/roaster business model. From that experience, she honed her ideas for the company from distribution, food and beverage quality, management style, branding, customer service loyalty programs.

For over 6 years, Sharon has worked with and financially supported organizations that fight against and bring awareness and education about child trafficking specific to South Florida. Sharon's passion for both great local fresh roasted coffee and her cause is the driving force behind her business motto, "**We roast for you with them in mind.**"- That with every sip of Blooming Bean Coffee, patrons are actually helping to prevent and rescue children trafficked in South Florida.

Co-founder, Rick Stephenson, has owned and operated a successful South Florida commercial yacht maintenance and diving company for over 23 years. Because he values his customers and has a strong work ethic towards business and employees, he has gained respect from hundreds of loyal local customers

Also, Rick was trained at Morningstar Fishermen in Dade City, Florida, built and maintained a fully functional prototype Hydro/Aquaponics systems raising produce and wild Tilapia for over 5 years. His vision is to teach sustainability through aquaponics and train organizations and local community how to start a basic system at home or cooperatively. Recently, he started working with a local urban farm, *Fruitful Fields* and founder Flavio Sloat, to establish local system for their farm. "It just makes sense. They are doing exactly what I envisioned," Rick stated. *Fruitful Fields* is a Community Supportive Agriculture farm who reaching the community. There are many volunteers at the farm including church members, active seniors, and Bright Horizons special needs youth and young adults. Also, at-risk youth in the neighboring community work the farm and help with everything from soil preparation to harvesting, and learning the value of hard work and commitment. (O'Donnell)

While continuing to learn best roasting methods and profiling, Rick loves to teach and train others. His extensive business know how and management skills is extremely beneficial to the planning and implementations of the daily operation of Blooming Bean and business plan & vision. He also has consistently provided financial resources and time into Blooming Bean Coffee and Roastery and is the active Vice-President of the company.

Both founders continue to grow in learning to roast and create roast profiles, learning from a community of local roasters and continued self-taught process. Incorporating a strong family work ethic, they are teaching and training their sons and others in coffee culture and industry trade.

Letter of Commendation & Recommendation herewith.

# INTRODUCTION – KIOSK SERVICE

## EXHIBIT "B"

Pompano Beach's Old Town Arts District is in process of becoming the **up and coming** cultural arts experience within the community, however, there are still current issues that need addressing, such as vagrants, human waste outside of BaCA doors (*I have personally removed*) and loitering by individuals which deter visitors. Blooming Bean shares the forward vision and efforts of the CRA for the Northwest Area/Arts District and has diligently worked and served the community through branding awareness in Old Town via Social Media, Green Markets, Art Reveals, Untapped and "Word of Mouth" to encourage patrons to visit the area. We understands efforts are being made to address above issues for occupants to be successful and also patrons to feel safe visiting the area.

We know providing locally roasted coffee kiosk services is a smart business move. It is a perfect prelude to "what's to come". It allows for quick low start up, and a quick way to build brand exposure and following, until a more permanent location is established. As Heather Sittig, owner of **McLaughlin Coffee** explains, "It is a great way to "let curious residents not only get a caffeine fix, but also a peek at the new spot in their neighborhood. It also gives the business an opportunity to work out some kinks ... sort of the ultimate soft opening. ...The pop-up shop has been a very good way to spread the word early and gain a little market traction prior to opening."

This Unsolicited Proposal is to provide vision for Blooming Bean Coffee and Roasters to offer a Coffee Kiosk service at Bailey Contemporary Arts serving residence artists and patrons, cultural events and local community of the City of Pompano Beach. The Kiosk will provide hand crafted beverages and high quality seasonally rotating moderately priced lite fare & baked goods. With a forward vision, Blooming Bean Coffee request to provide a coffee kiosk service to BaCA resident artists and visiting patrons.
