## MEMORANDUM

**Date:** September 16, 2015

**To:** Pompano Beach CRA Board

**From:** Adriane Esteban, Project Manager

**Subject:** Contract for Sale and Purchase of 103 S. Federal Hwy.

### Agenda Item

Approval of the Contract for Sale and Purchase between the CRA and Joseph Woodard and Lydia Iasiello for the purchase of the property located at 103 South Federal Highway. The contract amount is \$339,250. This property is located in highly visibly prominent area of the East CRA district and the purchase and transformation of this property can be a catalyst to ignite further redevelopment along Federal Highway.

### Background

The property is located on the west side of Federal Highway between Atlantic Boulevard and SE 2<sup>nd</sup> Street. The building contains approximately 2,017 sq. ft. of enclosed commercial space and is located just south of Mooring Products Worldwide. The current tenant, Able Automotive, rents the property on a month to month basis. One of the property owners, Mr. Joseph Woodard, approached the CRA to see if the CRA had any interest in acquiring the property. The 2015 Broward County Property Appraiser's assessment valued the property to be \$353,000.

Since the CRA has made significant investments with the redevelopment in the East CRA district, this property on a major thoroughfare is in desperate need of appropriate revitalization. This property is an area that is susceptible to incompatible uses with redevelopment objectives, so it would be in the best interest for the CRA to take possession of this parcel. Long term this parcel could be part of an assemblage for mixed-use development and in the interim the CRA would find an appropriate commercial use. If the CRA does not purchase this property, then the automotive use associated with this parcel will remain the same in perpetuity, leaving this area as a haven for non-pedestrian friendly businesses. The redevelopment of this property can be the catalyst to ignite further appropriate redevelopment along Federal Highway.

CRA staff had a Phase I and Phase II Environmental Site Assessments performed and there were not any major environmental issues found. A lien search was also performed and indicated that the property is clear from any City liens. In addition, an appraisal was completed and listed the market value as \$295,000. The property owner originally had an asking price of \$365,000. The East CRA Advisory Committee recommended at their September 2015 meeting that the CRA purchase the property at the appraised value of \$295,000. CRA staff had previously discussed with the owner a purchase price of \$295,000 however the owner indicated he was not willing to sell at that price. After the East CRA Advisory Committee meeting, CRA staff submitted a written contract to the owner with a purchase price of \$295,000. Again the owner rejected the offer and told staff he had a higher offer but wanted to sell with the CRA since this would be a cash arrangement. CRA staff recommends a contract price of \$339,250 which is 15% above the appraised value, however this property is located on a major transportation corridor and could be the beginning of major redevelopment in this area.

Since the CRA is actively involved in the redevelopment activities in this area that serves as an entrance to the East Village and the redeveloped beach and it is recommended that the Contract for Purchase and Sale between the Pompano Beach CRA and Joseph Woodard and Lydia Iasiello be approved.

BEFORE ME, the undersigned authority, personally appeared Joseph W. Woodano and LYDIA PALMERI-IASIOLLO, who, being by me first duly sworn on oath, depose(s) and say(s):

This Affidavit is made this \_\_\_ day of \_\_\_\_\_ pursuant to a Contract for Sale and Purchase ("Contract") made as of \_\_\_\_\_, by and between \_\_\_\_\_ and \_\_\_\_\_ (collectively "SELLER") and POMPANO BEACH COMMUNITY REDEVELOPMENT AGENCY, acting by and through its CRA Commissioners ("CRA"), pertaining to property located at 103 South Federal Highway, Pompano Beach, Florida 33062 A/K/A Broward County Folio ID# 4842 36 01 2750 (the "Property") and shall hereby be considered an addendum and an integral part of said Contract.

SELLER hereby represents and warrants to CRA as follows:

1. To the best of SELLER's knowledge, there are no environmental hazards on the Property which would require CRA to treat, remove, or otherwise incur any expense relative to meeting current environmental standards as of date of closing.
2. SELLER is not aware of any event of environmental contamination of the Property occurring between the Effective Date of the Contract and the Closing.
3. SELLER represents and warrants to CRA that as of the effective date of the Contract and as of closing that neither SELLER, nor to the best of SELLER's knowledge any third party, has used, produced, manufactured, stored, disposed of or discharged any hazardous wastes or toxic substances in, under or about the Property during the time in which SELLER owned the Property other than that disclosed in this Affidavit.

8. The Property has always been utilized as an automotive repair facility since the late 1960's and through the normal course of business throughout the years certain chemicals were used, including but not limited to, motor oil, anti-freeze, parts cleaner and the like and to the best of Sellers knowledge and belief any and all chemical waste was picked up and disposed of by chemical recycle vendors or service providers.
