City Receives Distinguished Budget Presentation Award

The Government Finance Officers Association of the United States and Canada (GFOA) Awarded the City of Pompano Beach GFOA's Distinguished Budget Presentation Award for its FY 2016 budget.

The award represents a significant achievement and reflects the commitment of the governing body and staff to meet the highest principles of governmental budgeting. In order to receive the budget award, the government entity had to satisfy nationally recognized guidelines for effective budget presentation. These guidelines are designed to assess how well an entity's budget serves as a policy document, financial plan, operational guide and communications device.

Budget documents must be rated "proficient" in all four categories, and the fourteen mandatory criteria within those categories, to receive the award.

When a Distinguished Budget Presentation Award is granted to an entity, a Certificate of Recognition for Budget Presentation is also presented to the individual or department designated as being primarily responsible for its having achieved the award. The award was presented to the City of Pompano Beach Budget Office. A formal presentation will take place at the City Commission Meeting of June 28th at 6:00 p.m. by a local GFOA representative.

Award recipients have pioneered efforts to improve the quality of budgeting and provide an excellent example for other governments throughout North America.

The Government Finance Officers Association is a major professional association servicing the needs of approximately 18,700 appointed and elected local, state, and provincial-level government officials and other finance practitioners. The GFOA's Distinguished Budget Presentation Awards Program is the only national awards program in governmental budgeting.
