On Saturday, April 29<sup>th</sup> from 7:30 a.m. until 1:00 p.m., the City of Pompano Beach, Pompano Beach Community Redevelopment Agency and Rebuilding Together Broward County will be partnering together for a National Rebuilding Day Event in Pompano Beach. The event will kick-off at 7:30 a.m. at the McNair Community Center located at 951 NW 27th Avenue where volunteers will come together to repair approximately 20 homes in the Collier City community of Pompano Beach.

National Rebuilding Month is a month-long call to service during the entire month of April, culminating with National Rebuilding Day, held on the last Saturday in April. More than 70,000 volunteers will come together nationally to repair over 4,000 homes nationwide during the month, and millions of dollars will be invested into low income communities across the country. National Rebuilding Month brings awareness to the ongoing struggle that low-income homeowners and families face to remain in safe and healthy homes. Proceeds are used to underwrite the costs of National Rebuilding Day and fund Rebuilding Together's mission which supports the organization's year round Safe and Healthy Homes program as well as Safe at Home, Green Housing, and Veteran Housing initiatives. National Rebuilding Together Day is a day that greatly impacts target neighborhoods and brings the community together.

Rebuilding Together Broward County is a non-profit organization which brings volunteers and communities together to improve the homes and lives of local veterans, elderly, disabled and low income homeowners. Rebuilding Together Broward seeks to restore safe and healthy housing by providing home repairs and safety modifications at no cost to the homeowners.
