

# PRESS RELEASE

City of Pompano Beach

100 West Atlantic Boulevard | Pompano Beach, FL 33060

Press Release Date: 7/27/17

## City Launches Mobile App “My Pompano”

The City of Pompano Beach has launched its own smart phone mobile App! The “My Pompano” App, which is free to the public, will allow residents and visitors to stay connected to the City right from their phone while on the go. The “My Pompano” App can be downloaded from the Apple App Store or Google Play Store by searching for My Pompano.

Once installed, you’ll see various icons that you can spin like a wheel to see all of the categories in alphabetical order. For example, the Amenities category provides a listing of places to shop, restaurants, hotels, fishing, diving, boating, golf, tennis and gaming. In the Beaches category, you can get information on current beach conditions and warnings which are updated daily, as well as directions to the beach from your location. Also useful is the Report an Issue category, where you can choose to remain anonymous or you can fill out your contact information if you want feedback about your issue. The issue you report will get a work order automatically sent to the appropriate department and they will advise you when the issue is resolved utilizing the contact information you provided. In addition, the App contains the categories: Pay your Water Bill, City News, Events, Bus Schedules, Contact Information for Commissioners and City Staff, City Employment Opportunities, Parks and Recreation, a Map of City Facilities, Meetings, Social Media and E-Services which includes Permitting, Building Inspections, Business Tax Receipts, Code Compliance and more.

For easy access, the “My Pompano” App links will be located on the home page of the City’s website under Hot Topics along with a video demonstration at [www.pompanobeachfl.gov](http://www.pompanobeachfl.gov).
