## Pompano Beach Announces Mosaic Team Program

The City of Pompano Beach has selected mosaic artist Sonata Kazimieraitiene for a two year Mosaic Team Program. Ms. Kazimieraitiene will be working with five apprentices who will learn the craft while also helping her complete four distinct and different mosaic mural projects.

The first project is entitled “Trail of the Honey Bees” and is already underway. This project will consist of a trail of mosaic murals, connecting the community through artwork and education. The focus of the mosaics will be on the honey bee and all vegetation it helps pollinate. The one mile trail will stretch from general locations near the Ali Cultural Center, Bailey Contemporary Arts and the new Cultural Arts Center with the intention of utilizing the artwork to connect the community’s cultural resources.

The second project in the Mosaic Team Program is entitled “Music Leads the Way” and will consist of music themed mosaic murals placed throughout the Pompano Beach Amphitheater.

The third and fourth projects are forthcoming.
