Complete Streets Project Public Input Meeting
Monday, April 23rd
Pompano Beach Cultural Center, 50 West Atlantic Boulevard
6:00 p.m.

The City of Pompano Beach Community Redevelopment Agency will host a Complete Streets Public Input Meeting. The meeting will be held on Monday, April 23rd, at the Pompano Beach Cultural Center located at 50 West Atlantic Boulevard at 6:00 p.m.

The purpose of the Complete Streets Public Input Meeting is to inform and discuss with residents the redesign of stretches of Atlantic Boulevard and Dixie Highway that will run through Pompano Beach's proposed Downtown District.

Pompano Beach residents are encouraged to attend the meeting to learn about why roadway renovations are essential to the success of the new Downtown. "These roadway renovations are essential to the success of the new Downtown because these heavily traveled roads bisect and disconnect the four quadrants of Downtown," said Mayor Lamar Fisher.

The Complete Streets renovation project of Atlantic Boulevard and North Dixie Highway will be a key element in including beautified Downtown as the entry to the City and the beaches, a safer roadway for both vehicular and pedestrian traffic and substantial economic impacts in one thriving area.
