Visitor Center Grand Opening
3465 Pier St
Wednesday, June 13th
10:00 a.m.

The City of Pompano Beach will be holding a grand opening and ribbon cutting of the City's new tourism visitor center on Wednesday, June 13th at 10:00 a.m. The Visitor Center is located at 3465 Pier Street in the Pier Parking Garage.

The Visitor Center is strategically located in a highly visible storefront at the South East corner of the City's parking garage facing the beach. The full service information center is manned seven days per week including holidays to provide personalized information to visitors and residents about local events, concerts and exhibits, lodging, restaurants, attractions, water sports as well as maps and brochures.

The Visitor Center is a direct result of the Mayors Stimulus Task Force established almost ten years ago, recognizing the importance of tourism to beach communities. As a result of this this task force's recommendation, the Economic Development Council established a Tourism Committee who determined the need for a Visitor Center and brought it to the City Commission who ultimately approved it.
