Charlotte Burrie Community Center Ground Breaking
Thursday, June 28th
2669 North Federal Highway
10:00 a.m.

The City of Pompano Beach will be breaking ground on the Charlotte Burrie Community Center on Thursday, June 28th at 10:00 a.m. The event will be held on the site of the upcoming project which is located at 2669 North Federal Highway.

The Groundbreaking event will begin at 10:00 a.m. with a short program to include speeches, a ceremonious groundbreaking and light refreshments.

The Charlotte Burrie Community Center will be a LEED Certified building on 1.07 acres featuring 48 Parking Spaces, Porte-Cochere (drop off), lobby/pre-function area, receptionist desk, administrative office, conference room for 8-10 people, large assembly space for 250 people theater style, warming kitchen, fixed platform stage, dressing rooms and two activity rooms.

The community center is much needed, as residents and civic associations in the north section of the City have been meeting in makeshift meeting spaces over the years. A few years ago, members of the Cresthaven Civic Association spoke at a City Commission Meeting and presented a petition that raised \$500 towards the center and requested the new community center be named after Commissioner Charlotte Burrie.

The construction project is expected to be completed in approximately one year.
