Press Release Date: 11/6/18

Rabies Vaccination and Microchip Clinic
North Pompano Park, 4400 NE 18th Avenue
Saturday, December 8th
9:00 a.m. until 2:00 p.m.

The City of Pompano Beach Animal Control Division is hosting a Rabies Vaccination and Microchip Clinic at North Pompano Park located at 4400 NE 18th Avenue. The event will be held on Saturday, December 8th from 9:00 a.m. until 2:00 p.m.

Rabies vaccinations, registration and tags will be provided by Broward County Animal Care and Adoption for a fee of only \$25.00 for spayed/neutered pets and \$35.00 for NON-spayed/neutered pets.

This year, free microchips will be available with the purchase of a rabies vaccine and Broward County Rabies Registration License tag. The microchips are funded by a grant provided by PetSmart Charities® to help protect pets and increase their chances of getting back home in case they become lost. If your pet has already received a rabies vaccination and license, please bring proof of the shot and tag with you.

You must be a Broward County resident to attend. No appointment is necessary and customers are taken on a first-come, first-served basis. All dogs must be on leashes and all cats must be in carriers.

Only credit/debit cards will be accepted (no cash/no checks).
