Press Release Date: 4/22/19

## Temporary Closing of the Pines Golf Course for Reconstruction of New Greens 1101 North Federal Highway

Renovation begins today on the City of Pompano Beach Greg Norman Signature Golf Course putting greens. The Pines course, located at 1101 North Federal Highway, is one of two courses located at the City's public golf course. The second course, The Palms Course, will remain open during the reconstruction.

The re-grassing of the Pines Golf Course putting greens will provide a much improved turf surface. Platinum Paspalm Turf has been chosen based on the conditions at this facility. The City has been testing the Paspalm Turf on four greens over the past year which has proven to be highly successful.

The process of re-grassing involves many steps including applying herbicide in order aid in the removal of the existing turf, applying soil amendments, frequent rolling of surfaces to develop a consistent turf stand, aerification, installation of the premium sod, etc.

The Greg Norman Design Pines Golf Course is tentatively scheduled to re-open by the end of June weather permitting.
