**ADDENDUM #2, BID H-06-12
POOL TIMING AND DISPLAY SYSTEM**

To Whom It May Concern,

Please review the following questions submitted by potential bidders, and answers from the Engineer:

QUESTION: Will the scoreboard/video board location of where the structure is to be, be cleared by the City of Pompano Beach of all debris, trees, plantation, shrubs, etc. prior to work on the structure? Or will this be a requirement by the successful bidder?

ANSWER: The City will clear the area prior to work on the structure.

QUESTION: There is no line item provided for the structure, electrical, installation, shipping and permits on pages 16-19. Where is this cost to be included? Is it to be included under #26 Scoreboard –outdoor, full color, fully video capable? Please clarify. Thank you.

ANSWER: Per section 3 of the supplementary conditions "The City will reimburse the Contractor for actual permit fees paid by the Contractor." The costs for the structure, electrical and installation shall be included in the total price of the item.
