**ADDENDUM #1, BID H-01-13  
PAINTING TRAFFIC MAST ARM ASSEMBLIES (REBID)**

To Whom It May Concern,

Please review the following responses to requests for information.

Q1: The City is asking for Builders Risk insurance on this job but from what we can determine, this is a painting job and no building or erection is taking place. Builders Risks are generally requested when something is being built. Please confirm that this type of insurance will be required.

A1: Per the City's Risk Manager, as the scope of the project is "painting" the traffic mast arm assemblies, builder's risk would not be necessary. All other coverages should remain as required.

The remainder of the solicitation is unchanged at this time.

Acknowledge receipt of this Addendum in the area provided on Page 15 of the bid.

Very truly yours,

Leeta Hardin  
General Services Director
