**ADDENDUM #6, RFP H-45-13
LICENSE PLATE RECOGNITION SYSTEM**

To Whom It May Concern,

Please review the following questions and City responses regarding the Request for Proposals solicitation.

1. Question: Reference RFP, Section 1-1, Page 5. How many LPR client PCs are planned for in-office users, such as the Broward County Sheriff's Office(BSO), city offices, and the IT department?

Response: That has not been decided. We will need a system that is not licensed per user or a system that has unlimited licenses.

2. Question: Reference RFP, Section 1-1, Page 5. How many Sheriff's vehicles are scheduled to be equipped with the LPR system software?

Response: Same as 1 above.

3. Question: Reference RFP, Section 1-2, Page 6. You reference targeting existing metal light poles or wood utility power poles for camera mounting. If there aren't any poles that are suitable, as referenced at a couple locations, is it acceptable to install new wood poles at the desired locations?

Response: Yes.

4. Question: Reference RFP, Section 1-8, Page 14. What are the approximate number of vehicles currently entering the following parks annually? We need this number to provide the correct amount of data storage.

- a. Community Park
- b. Dog Park and Golf Course
- c. Mitchell Moore Par

Response: This information is not available.

The deadline for receipt of sealed proposals is 2:00 p.m. (local), September 3, 2013 in the City's Purchasing Office, 1190 N.E. 3rd Avenue, Building C, Pompano Beach, Florida, 33060.

Please note that City offices are closed on Monday, September 2, 2013.

Proposers should acknowledge receipt of this Addendum in the area provided on the RFP Proposal Signature page.

Very truly yours,

Leeta Hardin
General Services Director
