L. E-Payables

The City of Pompano Beach has implemented a voluntary E-Payables Program. This program allows the City to pay vendors via credit card and turn around vendor payments in a shorter timeframe than the traditional check payment mechanism.

**How Does the Program Work?**

The City will issue a unique credit card number to each vendor. Vendors would retain the credit card number on file. The card will retain a zero balance until payments have been authorized by the City. Once goods have been delivered or services rendered, vendors submit invoices to the Finance Department according to the normal process. When payments are processed by Finance and authorized, an email notification is sent to an email address provided by the vendor. The email notification includes the invoice number, invoice date, and amount of the payment. Once the vendor receives the email, the credit card has been authorized to be charged for the amount listed in the email. When the vendor charges the full amount authorized in the email the, the card will return to a zero balance until the next payment is authorized.

**Is There a Cost to Participate in the Program?**

The City of Pompano Beach does not charge vendors to participate in the program, however, there may be a charge by the company that processes your credit card transactions.

**What are the Benefits of Receiving Payments by Credit Card?**

Vendors that accept credit card payments are not subject to the City's payment terms of net 45 days. This will allow:

- Vendors to receive their payments sooner to use for day to day operations or investments.
- Vendors to quickly reduce outstanding Accounts Receivable balances.
- Vendors to reduce the cost of paper processing, employee time spent on preparing and making deposits and bank check processing fees.

Potential vendors may access more detailed information about the E-Payables Program at <http://www.bankofamerica.com/epayablesvendors>, including answers to "Frequently Asked Questions". Vendors may also contact the City's Finance Department at 954-786-4545.

**Vendors submitting a proposal to the City should indicate in their response whether or not they would be willing to enroll in the City's E-Payables Program. Vendors ultimately awarded a contract with the City may contact the Finance Department at 954-786-4545 to enroll in the Program.**
