**ADDENDUM #1, BID T-23-13  
NEW PEST CONTROL TRUCK**

To Whom It May Concern,

**No further technical specification questions will be accepted for this Bid.**

Please review the questions submitted by potential bidders, and answers from the City.

Question #1: Is the Hypo D-30 and D-50 pumps mandatory, or can comparable Kappa pumps be considered?

Answer #1: No alternates will be considered.

Question #2: Would back-up camera and monitor be needed or considered?

Answer #2: The Bid specifies a back-up alarm only.

Question #3: Fiberglass tank manufacturer has informed us that a 600/gal split tank using your 500/100 split is uncommon. Would you consider and approve 400/200 split tank instead?

Answer #3: A 400/200 split tank will be considered.

Question #4: What is the expected delivery date of the vehicle?

Answer #4: 120-150 days after receipt of purchase order.

Question #5: Would you please be more specific on which manufactures warranty you require?

Answer #5: Warranty Information must be included for any added equipment requested in the specifications, such as pumps, tanks, hardware, etc.

The following items listed in section 3.01 of the Bid document will not be required:

1. Two (2) complete sets of Operation manuals describing the operator's responsibility and all functions of the equipment.
2. Two (2) complete sets of Maintenance manuals describing repair and replacement procedures for all components of the equipment.
3. Two (2) complete sets of Parts manuals with all major components and assemblies illustrated for quick and easy reference.
