To Whom It May Concern,

Please review the following question submitted by potential bidders, and answers from the City.

Response: The minimum order can be as low as one battery for both the 12 and 8 volts.

Q2: What is the minimum that will be picked up on core pick up?

Response: If we purchase a small order, such as 1 to 50 batteries, we will have all the cores ready for pick up at the same time as the delivery of the new ones. Larger orders will require up to 30 days.

Q3: Where will the core pick-up be? Will it always be one location?

Response: Deliveries and core pickups will be at:

Pompano Beach Golf Course
1101 N Federal Hwy.
Pompano Beach, FL 33062

Q4: Will the cores be palletized, wrapped up, and strapped for a pick up by a recycler? If not, can they be?
