## **SECTION II INTRODUCTION**

### **1. General**

The City of Pompano Beach Public Works Department (CITY) has identified major projects and programs within the CITY boundaries with the goal to make the City more attractive to residents, visitors and tourists and promote economic growth and activity as detailed in the City's Strategic Plan.

The intent of this Request for Qualifications (RFQ) is, through a competitive process pursuant to Florida Statutes, Chapter 287.055(2)(g) (Consultants Competitive Negotiations Act), to select the three (3) most qualified firms based on the top three (3) rankings, with whom to negotiate Guaranteed Maximum Price (GMP) Agreements and enter into Construction Manager at Risk Contracts with on an interchangeable basis as determined by the City, for the potential projects listed herein and any other potential projects of similar nature to be determined by City.

The CITY, as part of the City's Capital Improvement Program and Strategic Plan, are providing for the renovation and replacement of existing facilities and the construction of new facilities within the City. The proposed improvements include, but are not restricted to, conversion of existing overhead utilities (e.g. electric, telephone and cable TV) to underground distribution, installation of new drainage, replacement of water and sewer distribution lines, and streetscape improvements, including lighting, sidewalks, pavement and landscaping. The proposed improvements may not occur at the same time, but may be phased as necessary.

Construction drawings and specifications for each project will be provided by the City to the awarded firm(s) to develop a GMP and Construction Manager at Risk contract accordingly, on an as needed basis as determined by the City. The City reserves the right to enter into agreements interchangeably with either of the top three (3) highest ranked firms as determined by the City.

### **2. Eligibility**

Due to the requirement that the Contractor(s) need to be readily available for meetings, discussions and tours within the areas of responsibility, it will be necessary for any proposers to have an office physically located within the tri-county areas of Miami-Dade, Broward, and Palm Beach County. This office must be an active facility from which consultant services are routinely provided and not merely a post office box or other type of mail drop, nor can it be the office of simply a representative agent. The CITY reserves the right to inspect any facility designated by the proposer to insure that it complies with this section.

### **3. Small Business Enterprise Program**

The Pompano Beach City Commission has established a voluntary Small Business Enterprise (SBE) Program to encourage and foster the participation of Small Business Enterprises in the central procurement activities of the City. The City of Pompano Beach is strongly committed to ensuring the participation of Small Business Enterprises (SBE's) as contractors and subcontractors for the procurement of goods and services. The definition of a SBE, for the purpose of the City's voluntary program, is taken from the State of Florida Statute 288.703(1).

As of the date of publication of this solicitation, a small business means an independently owned and operated business concern that employs 200 or fewer permanent full-time employees and

that, together with its affiliates, has a net worth of not more than \$5 million or any firm based in Florida that has a Small Business Administration 8(a) certification. As applicable to sole proprietorships, the \$5 million net worth requirement shall include both personal and business investments.

The City encourages all firms to undertake good faith efforts to identify appropriate Small Business Enterprise partners. Sources of information on certified Small Business Enterprises include the Broward County Small Business Development Division, the State of Florida Office of Supplier Diversity, South Florida Water Management District, and other agencies throughout the State. The City includes links to these organizations from the City's website [www.pompanobeachfl.gov](http://www.pompanobeachfl.gov).

**The City has set a 15% voluntary Small Business Enterprise Goal for this project. In subsequent stages of the RFQ process, proposers will be provided and required to submit SBE Forms.**

#### **4. Local Business Program**

On March 23, 2010, the City Commission approved a Resolution establishing a Local Business Program, a policy to increase the participation of City of Pompano Beach businesses in the City's procurement process.

You can view the list of City businesses that have a current Business Tax Receipt on the City's website, and locate local firms that are available to perform the work required by the specifications. The business information, sorted by business use classification, is posted on the webpage for the Business Tax Receipt Division: [http://pompanobeachfl.gov/pages/department\\_directory/development\\_services/business\\_tax\\_receipt\\_division/business\\_tax\\_receipt\\_division.html.php](http://pompanobeachfl.gov/pages/department_directory/development_services/business_tax_receipt_division/business_tax_receipt_division.html.php)

**The City has set a 15% voluntary Local Business goal for this project. In subsequent stages of the RFQ process, proposers will be provided and required to submit LBE Forms.**

The final ranking will then be recommended to the CITY for approval. The CITY has the authority to (including, but not limited to); approve the recommendation; reject the recommendation and direct staff to re- advertise the solicitation; or, review the responses themselves

After the CITY has approved the rankings of the firms and authorized negotiations to proceed, CITY staff may negotiate Contracts with any of the three (3) top ranked Firm(s) on an interchangeable basis, as determined by the CITY. The final Contract negotiated between the Firm and CITY staff will incorporate the contents of this "Request for Qualifications" the qualifications submitted by the Firm, and any other terms or conditions that the parties may agree to include by way of negotiation. If CITY staff is unable to negotiate a satisfactory Contract, CITY staff may terminate negotiations with that Firm without recourse or liability.
