**ADDENDUM #1, L-40-15 CONTINUING CONTRACT FOR ENGINEERING SERVICES FOR
WATER AND REUSE TREATMENT PLANT PROJECTS**

To Whom It May Concern,

Please review the following questions submitted by potential bidders, and answers from the City.

Q1: In the aforementioned LOI/RLI, one of the subconsultants identified on the Project Team sheet is Landscaping. In order to properly reflect this work in the City forms, does the scope anticipate installing/extending reuse pipes through landscaped areas?

Response: Proposed scopes may or may not include main installations through landscaped areas, however this will be dictated by existing conditions and proposed design.

Q2: On the Project Team's Form there are spaces available to include information for Surveying and Landscaping services. Is it mandatory that the team include companies who provide this services or is it just a standard form? please advise.

Response: The project team form is a standard form. Item 6. Required Proposal Submittal of the RLI states "Submit a completed "Project Team" form. The purpose of this form is to identify the key members of your team, including any specialty subconsultants."

Q3: If the prime is not a certified MBE firm, will the firm be awarded points if some of its subconsultants are MBE firms?

Response: Proposers will be awarded one (1) point for each subconsultant who is a certified Minority Business Enterprise listed on Exhibit I Minority Business Enterprise Participation.

Addendum #1 is posted on the City's website: <http://www.pompanobeachfl.gov>. Acknowledge receipt of this Addendum in your proposal as instructed on page 5 of the Request for Letters of Interest.

The deadline for acceptance of bids in the Purchasing Office, 1190 N.E. 3rd Avenue, Bldg. C, Pompano Beach, 33060, is **2:00 p.m. (local), September 23, 2015.**

The remainder of the solicitation is unchanged at this time.

Sincerely,

Cassandra LeMasurier, Purchasing Supervisor
