ADDENDUM #2, Bid L-47-15 UTILITY BOX VINYL WRAPS

To Whom It May Concern,

The deadline for acceptance of sealed Bids in the Purchasing Office, 1190 NE 3rd Avenue, Bldg. C, Pompano Beach, FL 33060 **HAS BEEN EXTENDED TO 2:00 p.m. (local), September 8, 2015.**

Please review the following questions submitted by potential bidders, and answers from the City.

Q1: We were just getting ready to finalize our bid to submit and noticed the calculations of square footage on the boxes do not match the square footage we are coming up with. Are all 4 sides of the boxes getting wrapped? If so, the square footage for the small box would equal 31 sq. ft. and not 21 sq. ft. and the square footage for the large boxes would be 93.5 sq. ft. and not 75.4 sq. ft. We are getting this calculation by adding one front and one back and two sides. Can you please confirm which way you would like us to bid this so we may proceed.

Response: Whenever possible the City requires the boxes be wrapped on all four (4) sides and the top.

For the smallest box (located at A1A & NE 4th Street), only 3 sides are exposed. The dimensions of the exposed box are 48"H x 30"W x 17.25"D = 21.5 sq. ft. without the top. When adding the top the correct total square footage of the box is 25.1 sq. ft. The total square footage of the smallest box as stated in Section J. Detail Specifications Bids page 5 and Section III Proposal on page 13 has been adjusted from 21.5 sq. ft. to 25.1 sq. ft. The square footage of 31 sq. ft. was calculated by the potential bidder for all four sides of the box with a 2" bleed all around.

For the largest box (located at NE 10th Street & NE 5th Ave) the dimensions are 76.5"H x 44"W x 27"D = 75.4 sq. ft. without the top. When adding the top the correct total square footage of the box is 83.7 sq. ft. The total square footage of the largest box as stated in Section J. Detail Specifications Bids page 5 and Section III Proposal on page 13 has been adjusted from 75.4 sq. ft. to 83.7 sq. ft. The square footage of 93.5 sq. ft. was calculated by the potential bidder with a 2" bleed all around.
