**ADDENDUM #3, BID E-12-16**

**Design-Build Services for Construction of New Fire Station No. 24**

To Whom It May Concern,

Please review the following Proposal clarifications and questions submitted by potential proposers, with corresponding answers from the City.

**PROPOSER QUESTIONS**

**Q1.** What facilities are you going to need operational during construction?

**Response:** The design and performance criteria for **Alternate Proposal Item #1** are as listed on **Page 2, last paragraph, Page 4, item 2C), Page7, item 4E.2)** along with the other requirements of the proposal. Proposers should assume that this will need to be a fully functional temporary operations center. Refinements to the requirements will be made with the successful proposer along with City Fire Services personnel and other City staff. Contractors should propose the solution that they feel best meets the needs of the City and the requirements of this proposal. The City has contemplated various options, one of which is the use of mountable portable trailers that could be located in the southwest corner of Galuppi's restaurant parking lot, Pompano Community Park, or the existing fire station which would be the preferred site, subject to cost, spatial, utility service and other limitations.

**Q2.** How many people and trucks are anticipated at the site during construction?

**Response:** The Fire Services department is requiring temporary operations facilities to house a minimum of 7 individuals. Proposer shall plan covered parking space and related ingress/egress with suitable weight loading surfaces for a minimum of 3 vehicles (engine truck, rescue truck and battalion chief's vehicle) and related apparatus. The temporary facility shall be fenced for security control.

Addendum #3 is posted on the City's website:

<http://pompanobeachfl.gov/index.php/pages/purchasing/purchasing>. Proposers must submit their Proposal with this revised information and acknowledge **in writing** the receipt of this addendum on **Page 25** Proposal Signature Page of this Proposal.

Deadline for proposer questions was **Mar 28, 2016**.

The deadline for acceptance of sealed bids in the Purchasing Office, 1190 N.E. 3<sup>rd</sup> Avenue, Bldg. C, Pompano Beach, 33060, is **2:00 p.m. (local), April 4, 2016.** The remainder of the solicitation is unchanged at this time.

Sincerely,

A handwritten signature in blue ink, appearing to read "Jeff English".
