**ADDENDUM #2, RFQ L-15-16 CONSTRUCTION MANAGEMENT AT RISK CONTRACT
SERVICES FOR CITY OF POMPANO BEACH
FISHING PIER**

To Whom It May Concern,

Please review the following questions submitted by potential bidders, and answers from the City.

Q1: On page 32 of the RFQ, at the bottom, Attachment 1 – Certificate of Accountant Attachment 1A is requested. When we have our financials audited, the CPA includes an opinion letter on their letterhead in the beginning which they sign. Would this suffice for this section?

Response: Please refer to page 15 item 5 of the RFQ which states “A certificate by a Certified Public Accountant (CPA) is required. The CPA may submit a certificate in his/her own words, including such qualifications as may be necessary in view of the scope of this assignment, provided that such qualifications shall not be so extensive as to nullify the value of the statement or its usefulness to the City of Pompano Beach. Certificate shall be signed and shall indicate license/certificate number.” The CPA opinion letter in your audited financials will meet this requirement.

Q2: On page 31, B. of the RFQ it asks to list the names of the Bonding firms utilized by your organization in the last 5 years for projects over \$3 Million. It also asks to fill out the amount bonded, percentage, and completed date. We have used the same bonding company for years. Would we just list our only bonding company, or do we need to list every project in the past 5 years over \$3 Mil that our bonding company has committed to provide a P&P bond for? This would be a very long list, if so. Please clarify.

Response: The Proposer should fill out the name of the bonding company(ies) and if the bonding company bonded multiple projects provide the information for a minimum of two the projects bonded per company.

Addendum #2 is posted on the City’s website: www.pompanobeachfl.gov. Acknowledge receipt of this Addendum in the area provided on page 35 of the Request for Qualification document.
