Sealed bids will be received until **2:00 p.m. (local), February 17, 2016**, in the Purchasing office at 1190 North East 3rd Avenue, Building C, Pompano Beach, Florida. These bids will then be publicly opened at the above time and date in the presence of City officials. Bid openings are open to the public. All bidders and/or their representatives are invited to be present. Bids may not be submitted by facsimile.

Once opened, the bids will be tabulated, evaluated, and presented to the appropriate City officials for contract award.

There are three (3) sections in this bid: Specifications/Special Conditions, General Conditions, and Proposal. Please read all sections thoroughly. Complete the bid in accordance with the instructions and return all numbered pages, initialed at the bottom of each page, when you submit your bid package. Failure to do so may result in the rejection of your bid.

If you need any additional information regarding this bid, please contact Cassandra LeMasurier, Purchasing Supervisor, at (954) 786-4098.

**SECTION I - SPECIFICATIONS/SPECIAL CONDITIONS**

A. **Intent**

The intent of this bid is to establish annual, open-end contracts for the purchase of safety work shoes and boots, with and without steel toes, for use by various City departments. Shoes will be required for both male and female personnel, and should be manufactured using appropriate patterns. Vendors must normally maintain an ample range of styles and sizes for both male and female shoes.

When necessary, footwear shall meet all O.S.H.A. and City requirements. All items shall be new and unused, manufacturer's latest production, carry manufacturer's standard warranty, and be of the best quality and highest grade of workmanship.

B. Contract Period

The initial contract period shall be one year, commencing upon award by the appropriate City officials.

The contract will be renewed for three additional one-year periods, unless the General Services Director or the successful bidder receiving award shall give notice to the other party of intent not to renew for the additional period, which notice must be delivered by certified mail and must be received at least sixty (60) days prior to the end of the current contract period. All terms, prices and conditions shall remain firm for the initial period of the contract, and any renewal period.

In the event delivery/service is scheduled to end because of the expiration of this contract, the Contractor shall continue to deliver/service upon the request of the General Services Director. The extension period shall not extend for more than ninety (90) days beyond the expiration date of the existing contract. The Contractor shall be compensated for the product/service at the rate in effect when this extension clause is invoked by the City.

C. Quantities

No warranty or guarantee is given or implied as to the total amount to be purchased as a result of this contract. Shoes will be ordered as needed.

Bidders should indicate in their proposal the minimum order required for free delivery (if shoes are ordered), and the minimum anticipated expenditure required to schedule a shoemobile visit.

D. Basis of Award

Contract award will be based on the percentage discount(s) offered, and/or discounted price lists. In order to meet the needs of the City, contract awards will be made to multiple vendors. The City will be the sole judge of acceptability or non-acceptability of a bidder's proposal.

E. Pricing

Bid pricing should be submitted as a discount from a published price list, or as firm discounted unit pricing of identified styles, or a combination of both pricing methods.

If bidding a discount, such discount must be a fixed discount from a current published price list. Discount(s) offered must be held firm for the entire period of the contract.

If bidding firm discounted unit pricing for identified styles, such discounted pricing must be held firm for the entire contract.

One copy of each catalog and price list should be submitted with your bid. In addition, successful bidders will be required to furnish additional catalogs and price lists, after bid award. Catalogs may be provided in electronic form.

If bidding on safety shoes to be delivered, prices bid shall be F.O.B. destination/delivered (all freight charges included in cost of shoes), to any City department, as indicated on each individual order. Bidders are to state the minimum order required for free delivery.

F. Delivery

Bids shall be based on either pick-up at bidder's place of business, or delivery to any location within the City of Pompano, or pre-arranged shoemobile visits to City site(s).

For items to be delivered, bidders are to state the number of calendar days after receipt of an order required for delivery. The City seeks a source of supply that will provide accurate and timely delivery. The ordering department must be notified of any "backorders" immediately, as employees cannot be without safety shoes for any extended length of time.

The awarded bidder must adhere to delivery schedules. If, in the opinion of the General Services Director, the successful bidder(s) fail at any time to meet the requirements herein, including the delivery requirements, then the contract may be cancelled upon written notice. See Section II - General Conditions, (6) "Delivery," and (10) "Default," for additional information.

G. Addenda

The issuance of a written addendum is the only official method whereby interpretation, clarification, or additional information can be given. If any addenda are issued to this Bid solicitation the City will attempt to notify all known prospective Bidders, however, it shall be the responsibility of each Bidder, prior to submitting their bid, to contact the City Purchasing Office at (954) 786-4098 to determine if addenda were issued and to make such addenda a part of their Bid proposal. Addenda will be posted to the City's website.

H. Small Business Enterprise Program

The Pompano Beach City Commission has established a voluntary Small Business Enterprise (SBE) Program to encourage and foster the participation of Small Business Enterprises in the central procurement activities of the City. The City of Pompano Beach is strongly committed to ensuring the participation of Small Business Enterprises (SBE's) as contractors and subcontractors for the procurement of goods and services. The definition of a SBE, for the purpose of the City's voluntary program, is taken from the State of Florida Statute 288.703(1).

As of the date of publication of this solicitation, a small business means an independently owned and operated business concern that employs 200 or fewer permanent full-time employees and that, together with its affiliates, has a net worth of not more than \$5 million or any firm based in Florida that has a Small Business Administration 8(a) certification. As applicable to sole proprietorships, the \$5 million net worth requirement shall include both personal and business investments.

The City encourages all firms to undertake good faith efforts to identify appropriate Small Business Enterprise partners. Sources of information on certified Small Business Enterprises include the Broward County Small Business Development Division, the State of Florida Office of Supplier Diversity, South Florida Water Management District, and other agencies throughout the State. The City includes links to these organizations from the City's website [www.pompanobeachfl.gov](http://www.pompanobeachfl.gov). Please indicate in your response if your firm is a certified Small Business Enterprise.

**Please note that, while no voluntary goals have been established for this solicitation, the City encourages small business participation in *all* of its procurements.**

I. Local Business Program

On March 23, 2010, the City Commission approved a Resolution establishing a Local Business Program, a policy to increase the participation of City of Pompano Beach businesses in the City's procurement process.

You can view the list of City businesses that have a current Business Tax Receipt on the City's website, and locate local firms that are available to perform the work required by the bid specifications. The business information, sorted by business use classification, is posted on the webpage for the Business Tax Receipt Division:  
[www.pompanobeachfl.gov](http://www.pompanobeachfl.gov).

**Please note that, while no voluntary goals have been established for this solicitation, the City encourages Local Business participation in *all* of its procurements.**

J. Price Adjustment - Discount Percentages

The percentage discount offered shall be applied to the price list submitted with bid. In the event revisions are made to the price list(s) or catalog(s) submitted with the bid, the vendor must forward this information to the Purchasing Division, with a written request that they be considered a replacement for the catalog(s) and price list(s) currently in effect. This written request must state the effective date of any such revision, and must be received by the City of Pompano Beach not less than ten (10) days prior to the effective date of same.

The City will notify the contractor in writing only in the event of non-acceptance of the submission. In the event of non-acceptance, the contract will be deemed terminated as of the close of business the day prior to effective date of change as stated in contractor's submission. In the event of acceptance by the City, the revisions will be effective as of the date stated in letter of submission.

THE CITY WILL ACCEPT ONLY ONE REVISION TO THE PRICE LIST DURING ANY ONE-YEAR CONTRACT PERIOD. The percentage discount offered at time of submission of bid is not subject to any reduction during the contract period. THE PRICES APPLICABLE TO ANY ORDER ARE THOSE THAT WERE IN EFFECT ON THE DATE OF ISSUANCE OF THE ORDER BY THE CITY.

If bidding firm discounted unit pricing for identified styles, rather than a discount from price list, such pricing must be held firm for the first year of the contract, and may only be changed once annually, with notice to be provided to the City as above.

K. Shoes to be Picked Up

For those bidders located a reasonable distance from the City of Pompano Beach, employees may choose to pick up shoes, rather than have them delivered.

Contractors who allow employees to pick up shoes at their store must agree to the following procedure:

The City pays an established amount for safety shoes based upon provisions contained in current Union contracts. Each department/division will establish a Purchase Order for the purchase of safety shoes, and each Purchase Order will explain how much that department/division will pay toward safety shoes. Employees must pay any excess between their department/division's allowance, and the actual cost of the shoes, when they pick up the shoes. Contractor agrees to invoice the City for the net amount due, showing the City's Purchase Order number, employee's name, exact style of footwear, the amount paid by the employee, and the amount to be paid by the City. A Purchase Order is required for ALL orders. All tickets must be signed by employee and name printed under signature.

All prices charged to City employees for safety shoes are to be the prices bid by the vendor to the City in this bid.

L. Warranty

Bidders should include a copy of each shoe manufacturer's standard warranty with their bid. Describe how your company process warranty claims for defective shoes in your Bid Proposal.

M. Shoemobile Service

All shoemobile service will only be scheduled upon request of a specific City department/division. No unscheduled visits will be allowed. Bidders must clearly state in their Proposal the price schedule to apply to shoes purchased through a shoemobile visit, and shall describe the range of styles and sizes carried by the shoemobile.

The purchase procedure through a shoemobile shall be identical to that outlined above for shoes to be picked up from a fixed store.

Any vendor providing shoemobile service must provide proof of insurance as specified.

N. Insurance

The contractor shall not commence operations (shoemobile service) pursuant to the terms of this agreement until certification or proof of insurance, detailing terms and provisions of coverage, has been received and approved by the City of Pompano Beach Risk Manager.

The following insurance coverage shall be required.

A. Worker's Compensation Insurance covering all employees and providing benefits as required by Florida Statute, Chapter 440, regardless of the size of the company (number of employees). The Contractor further agrees to be responsible for employment, control and conduct of its employees and for any injury sustained by such employees in the course of their employment.

B. Liability Insurance

- 1) Naming the City of Pompano Beach as an additional insured, on General Liability Insurance only, in connection with work being done under this contract.
- 2) Such Liability insurance shall include the following checked types of insurance and indicated minimum policy limits.

C. Real & Personal Property Insurance
