**ADDENDUM #1, RLI L-33-16 – VISIONING STUDY  
TRANSPORTATION CORRIDORS**

Please review the following questions submitted by potential proposers, and answers from the City.

**Q1:** Please clarify how Section E: Skills and Experience of the Project Team differs from Section D: Statement of Skills and Experience of the Project Team?

- a. Is Section E intended to highlight team (prime and Subconsultant) project experience, whereas Section D is to outline individual staff and firm experience, availability, etc.? Or is project experience intended to be highlighted in Section K: References for Past Projects?

**Response:** The difference between Section D and Section E is Section D is assessing the specific team members and firms who will work on this project, including resumes and lists of past projects. One page per team member is permitted. Whereas Section E is limited to three pages and is a narrative description summarizing the collective related experience. References to past projects should be made in Section E, but not a full description on the work. Also Section K allows the respondent to submit a full list of projects.

Addendum #1 is posted on the City's website: [www.pompanobeachfl.gov](http://www.pompanobeachfl.gov).

The deadline for acceptance of proposals in the Purchasing Office, 1190 N.E. 3<sup>rd</sup> Avenue, Bldg. C, Pompano Beach, 33060, is **2:00 p.m. (local), May 24, 2016.**

The remainder of the solicitation is unchanged at this time.
