2. Initial consideration. No Application shall be processed unless until Code Compliance has verified all property(ies) owned by the Property Owner in the City of Pompano Beach (“City”) are documented as being in compliance. If relief is denied due to lack of compliance, such denial shall be without prejudice to re-file the Application.

The Clerk shall not process an Application on any Property which is the subject of any pending foreclosure action filed by the City Attorney's Office or on which the City Attorney's Office has filed a claim for surplus funds without the expressed written consent of the City Attorney's Office.

3. Hearings. Abatement hearings on Applications are held every second Wednesday at 3pm in the City Commission Chambers located at 100 West Atlantic Boulevard, Pompano Beach, FL 33060. City staff reviews the Applications on the Friday or Monday before the Application is scheduled for hearing before the Special Magistrate and will contact the Applicant by phone and/or email with the City's recommended settlement sum.

If the Applicant finds the City's recommendation acceptable, the parties will confirm the terms in writing and the Applicant need not appear at the abatement hearing as City staff will present said agreement to the Special Magistrate for formal approval.

If the Applicant does not agree with the City's recommendation, the Applicant shall attend the abatement hearing and plead his/her case to the Special Magistrate who shall make the final determination regarding a settlement sum and deadline for payment in full.

4. Hearing. The Application will be set for the next available hearing date after the Application is reviewed and processed. If all compliance requirements have been met, the Clerk shall schedule an abatement hearing before the Special Magistrate and notify the Applicant not less than ten (10) business days prior to the scheduled hearing.

5. Determination. The Special Magistrate shall enter an Order denying or granting the requested relief, or such other relief as the Special Magistrate deems proper. The Special Magistrate shall consider all relevant factors to determine what relief, if any, is appropriate including, but not limited to:

- (a) The nature and gravity of the violation(s);
- (b) Any actions taken by the Property Owner to correct the violation(s);
- (c) Any previous violations committed by the Property Owner on the subject property or any other property owned by the Property Owner in the City of Pompano Beach;
- (d) The length of time it took the Property Owner to comply the violation(s);
- (e) Any costs expended by the Property Owner to cure the violation(s) as provided by supporting documentation; and
- (f) Any other special circumstances deemed relevant by the City or Special Magistrate such as death, illness, litigation, etc....

Any relief granted by the Special Magistrate shall be contingent upon payment of the settlement sum in full within the time specified in the Abatement Order as well as payment in full of any other special assessment lien(s) the City may have against properties in the City owned by the Property Owner. The Clerk shall provide copies of the Abatement Order to the City and to the Property Owner within two weeks after said Order is rendered by the Special Magistrate.

6. Payment. Payment can be made in cash or via personal check, credit/debit card, money order or wire transfer made payable to the City of Pompano Beach and delivered to Code Compliance at the mailing address indicated above. The Property Owner shall be responsible to reimburse the City any costs it incurs as a result of insufficient funds received. It takes the Clerk approximately two to three weeks after payment in full is received to process payment, prepare/record a Release of Lien(s) and forward said recorded Release to the Applicant.

7. Appeal of Abatement Order. Relief under this section is strictly discretionary by the Special Magistrate.
