

**CITY OF POMPANO BEACH
UPDATE ON CLOSURE OF HILLSBORO INLET
BRIDGE, CLOSURE OF HILLSBORO INLET, AND
DAILY HOURS OF CONSTRUCTION**

YOU ARE HEREBY NOTIFIED that on February 20, 2014, the Coast Guard issued the following statement regarding FLORIDA - EAST COAST - HILLSBORO INLET, Bridge Repairs:

Due to repairs to the Hillsboro Inlet Bridge, this bridge will be allowed to remain closed to navigation from 7:00 a.m. to 11:00 and from 12:01 p.m. to 4:00 p.m. for a two week period. This work will be completed after Easter and before July 4th, 2015. Comments on this bridge closure should be directed Mr. Michael Lieberum at michael.b.lieberum@uscg.mil. The times may be changed based on comments received; however there is a need for the two 4 hour closures to allow these repairs to be completed within the two week time period. Vessels that can pass under the bridge without an opening may do so at any time.

The roadway will be closed to the vehicle traffic completely for 19 days in additional to the above two weeks two four hours closure periods. The Florida Department of Transportation will be issuing a separate press release on this restriction.
