Your City Budget

By Ernesto Reyes, Assistant to the City Manager for Budget and Strategic Planning

BROWARD COUNTY: 2016 Proposed Millage Rates

Millage Rate: The amount per \$1,000 that is used to calculate taxes on property. Millage rates are most often found in personal property taxes, where the expressed millage rate is multiplied by the total taxable value of the property to arrive at the property taxes due.

In September, the City Commission approved a balanced budget of \$237,168,756. Overall, the Fiscal Year 2016 budget reflects an increase of 5.88% from the previous years adopted budget. The increase is attributed to increased services to the residents of Pompano Beach. These services include enhancing and improving the City's aging utility infrastructure, capital improvement projects, replacing aging equipment and vehicles, an increase in the police services contract with The Broward Sheriff's Office

By Ernesto Reyes, Assistant to the City Manager for Budget and Strategic Planning and promoting economic development and tourism functions. To provide for these services, the millage rate was set at 5.4865.

How does Pompano Beach compare with other cities in Broward County? You may be pleasantly surprised. In Broward County, the City's millage rate is ranked tenth lowest among the 31 municipalities. In addition, the City's fire assessment fee of \$134 is ranked as the third lowest residential fire assessment fee within Broward County.

CITY COMMISSION APPOINTS New City Attorney

The

Pompano
Beach City Com-
mission has

selected Mark Berman to serve as the new city attorney. Mr. Berman brings nearly twenty years of local government law experience to his new position. He has served as assistant city attorney with the City of Pompano Beach since 1995.

Mr. Berman has been board certified by the Florida Bar as a specialist in city, county and local government law. His professional experience includes time as a Broward County assistant state attorney as well as in private practice. Mark is also a certified circuit and county court mediator.

Berman earned his Juris Doctorate Degree at the University of Miami School of Law and earned his Bachelor of Arts Degree at the University of Delaware.

Mayor Lamar Fisher said, "Mr. Berman's extensive legal experience in city, county and local government as well as his knowledge of Pompano Beach makes him the perfect selection for city attorney".

The city attorney position became available after the current city attorney, Gordon Linn, announced his intention to retire after serving more than twenty years as city attorney.

CITY'S EMPLOYMENT PROCESS GOES DIGITAL

We have exciting news to share for anyone seeking a career with the City of Pompano Beach. Employment candidates will now be able to apply on the City's website by visiting pompanobeachfl.gov using a new software system designed to improve the application and hiring process.

The new system is a secure site that will allow job applicants to create a user account, apply for current job opportunities and check the status of their candidacy online. The system will store the applicant's employment information so they will not have to complete a new application each time they apply. Candidates will also be able to complete job interest cards online and will be notified if the position becomes available.

The City of Pompano Beach will no longer accept paper applications or resumes. Candidates will be required to create a digital account online.

How to Apply

If this is your first time applying for a job using the online job application system, you will need to create an account by selecting a username and password. The account set-up requires that you provide a valid email address. Your email address will be used to provide you with important information and communications throughout the selection process. If you do not have an email address, you can easily create one for free. Do not share your account information and do not use another person's email address to sign up. Follow the prompts and instructions to complete the application process.

Computer Access

If you do not have access to a computer, you may go to any public library or visit the City's Human Resources Department where a computer has been set up for the application

process. Application assistance will be provided at the City's Human Resources Department Monday through Friday between 8:00 a.m. and 5:00 p.m.

Submitting Your Employment Application

All current job opportunities are listed on the City's website www.pompanobeachfl.gov. Go to Job Opportunities. Click on the job title you are interested in and then click on the Apply link. Some positions require a job specific supplemental questionnaire. You will have an opportunity to copy and paste your resume into the application; however, resumes alone are not accepted. Incomplete applications will not be considered. All statements made on the application are subject to verification.

Online applications are stored on a secure site. Only authorized employees and hiring authorities have access to the information submitted. The application takes approximately 30 to 45 minutes to complete and must be completed and submitted by 11:59 p.m. on the closing date of the posted position.

Apply Today

The City of Pompano Beach is an Equal Opportunity Employer. The City offers competitive pay and benefits. Full time employees enjoy group health insurance that is paid by the City 100% for the employee and 50% for eligible dependents, a defined benefit pension plan, paid vacation (10 days), sick leave (12 days), holidays (12 days), and personal days (2 days). Other benefits include health insurance coverage for registered domestic partners, cost of living adjustments, merit salary increases, tuition reimbursement, tax deferred savings plan, credit union services, direct deposit, sick leave bank, sick leave to vacation conversion, and an employee assistance program.

LEAN 6 SIGMA

INTRODUCED IN POMPANO BEACH CITY GOVERNMENT

As a part of the City's Strategic Planning initiative, City Manager Dennis Beach initiated the process of introducing Lean Six Sigma techniques to all City employees. Lean Six Sigma is a management approach to business performance improvement that has blended Lean and Six Sigma.

Lean Six Sigma combines Lean Manufacturing (originally developed by Toyota) and Six Sigma (originally developed by Motorola) and today Lean Six Sigma is a well-established business process model for many corporations around the world.

The focus of Lean is about speed, efficiency and taking waste out of a process. Six Sigma focuses on effectiveness and removal of errors. When combined and implemented properly, it can be a powerful management tool that can greatly improve an organization's performance, by providing a structured approach to resolving problems.

Lean Six Sigma levels of proficiency are gained through training. Participants are tested on their understanding of the body of knowledge associated with each level. There are four levels in the program: White Belt, Yellow Belt, Green Belt and Black Belt.

- White Belts are familiar with the basic concepts and participate in larger teams. 469 City Employees have completed this level.
- Yellow Belts are more advanced and participate on project teams and may lead less complicated projects. 79 City Employees have completed this level.
- Green Belts assist with data collection and analysis for Black belts and may lead projects or teams. 35 City Employees have completed this level and 43 more will do so by February 2016. Training was provided by the Florida Atlantic University College of Business.
- Black Belts and Master Black Belts work with and coach many teams and assure coordinated efforts as most of these projects will involve more than one City department. The City has included a new position, Strategic Performance Manager, which will be required to hold a Master Black Belt certification.

Lean Six Sigma is about possessing the tools to do a better, more efficient job. It's about reducing variability, maximizing time and using data to make informed decisions. It's about creating positive culture change, encouraging input from all employees, and promoting a standard way of thinking when encountering all work processes. The proven management philosophy that initiated within the manufacturing sector has been utilized in other industries to address business improvement needs for years. Now, your City government is part of Lean Six Sigma's reach.

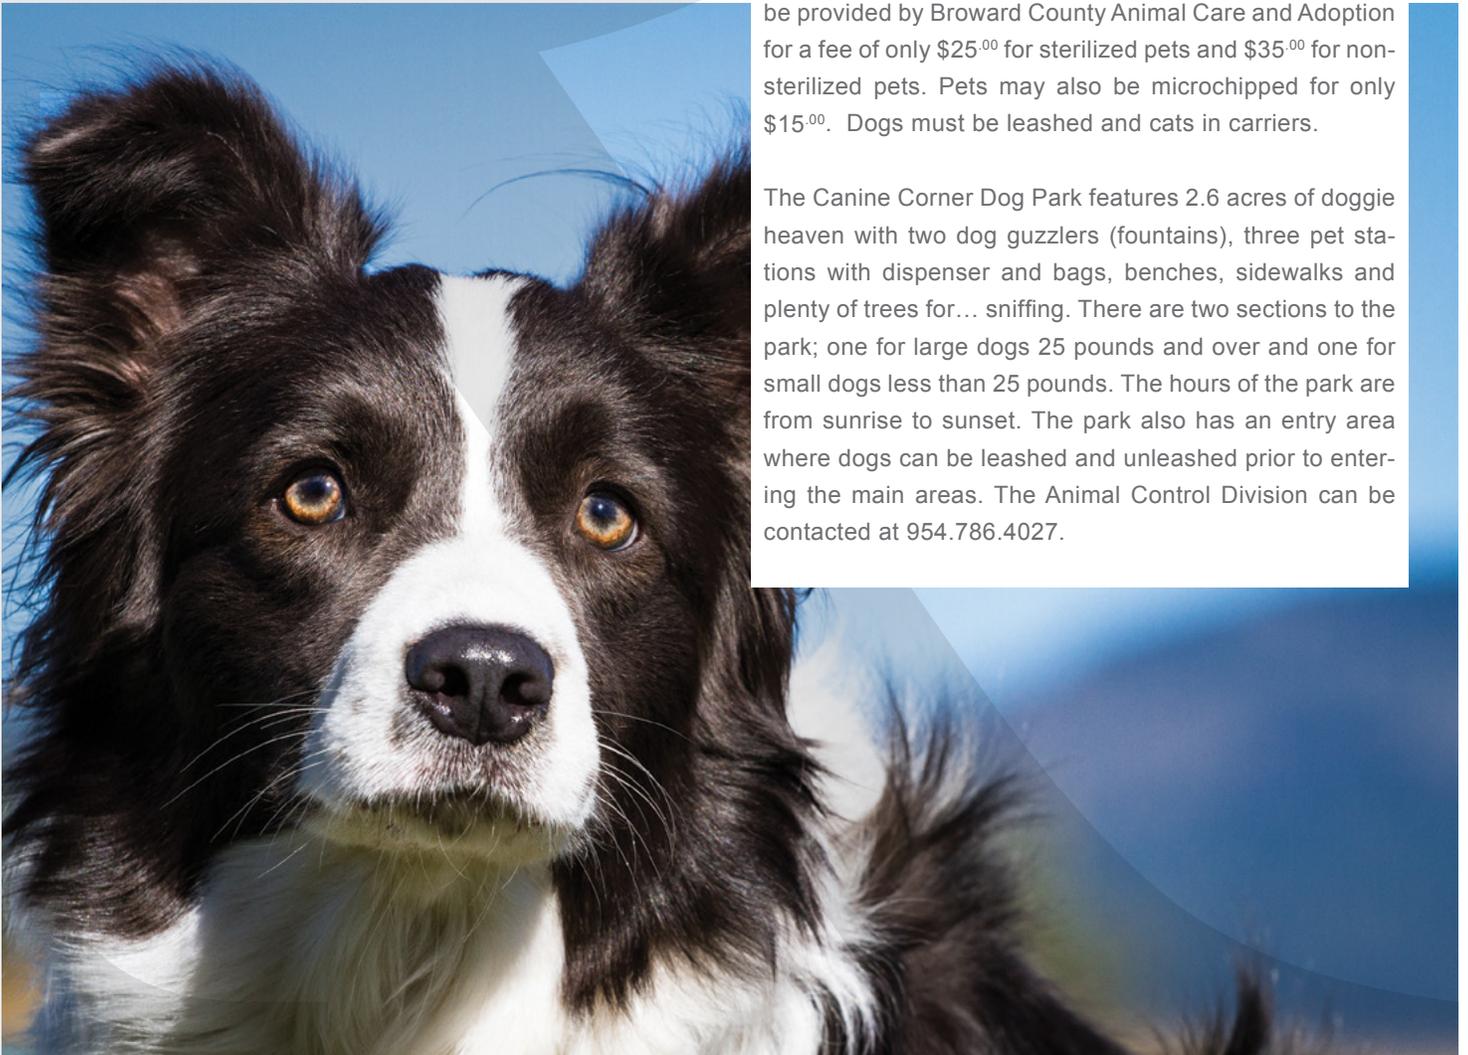

Rabies Vaccination Clinic at the Canine Corner Dog Park

The City of Pompano Animal Control Division and the Parks, Recreation & Cultural Arts Department will host its 3rd Annual Rabies Vaccination Clinic at the Canine Corner Dog Park. Canine Corner Dog Park is located at 1101 N. Federal Highway which is at the intersection of Federal Highway and NE 10th Street. The event will be held on Saturday, December 5th from 9:00 a.m. until 2:00 p.m.

Rabies vaccinations, registration, tags and adoption will be provided by Broward County Animal Care and Adoption for a fee of only \$25⁰⁰ for sterilized pets and \$35⁰⁰ for non-sterilized pets. Pets may also be microchipped for only \$15⁰⁰. Dogs must be leashed and cats in carriers.

The Canine Corner Dog Park features 2.6 acres of doggie heaven with two dog guzzlers (fountains), three pet stations with dispenser and bags, benches, sidewalks and plenty of trees for... sniffing. There are two sections to the park; one for large dogs 25 pounds and over and one for small dogs less than 25 pounds. The hours of the park are from sunrise to sunset. The park also has an entry area where dogs can be leashed and unleashed prior to entering the main areas. The Animal Control Division can be contacted at 954.786.4027.

MUSIC UNDER THE STARS

Music Under the Stars concert series has been an extremely popular event in Pompano Beach for over ten years. In the beginning, it was held during the summer months on the beach and at local parks. Due to popular demand, the Parks, Recreation & Cultural Arts Department has increased the Music Under the Stars concert series to run monthly throughout the year, on the second Friday of every month. Two years ago, the home of this concert

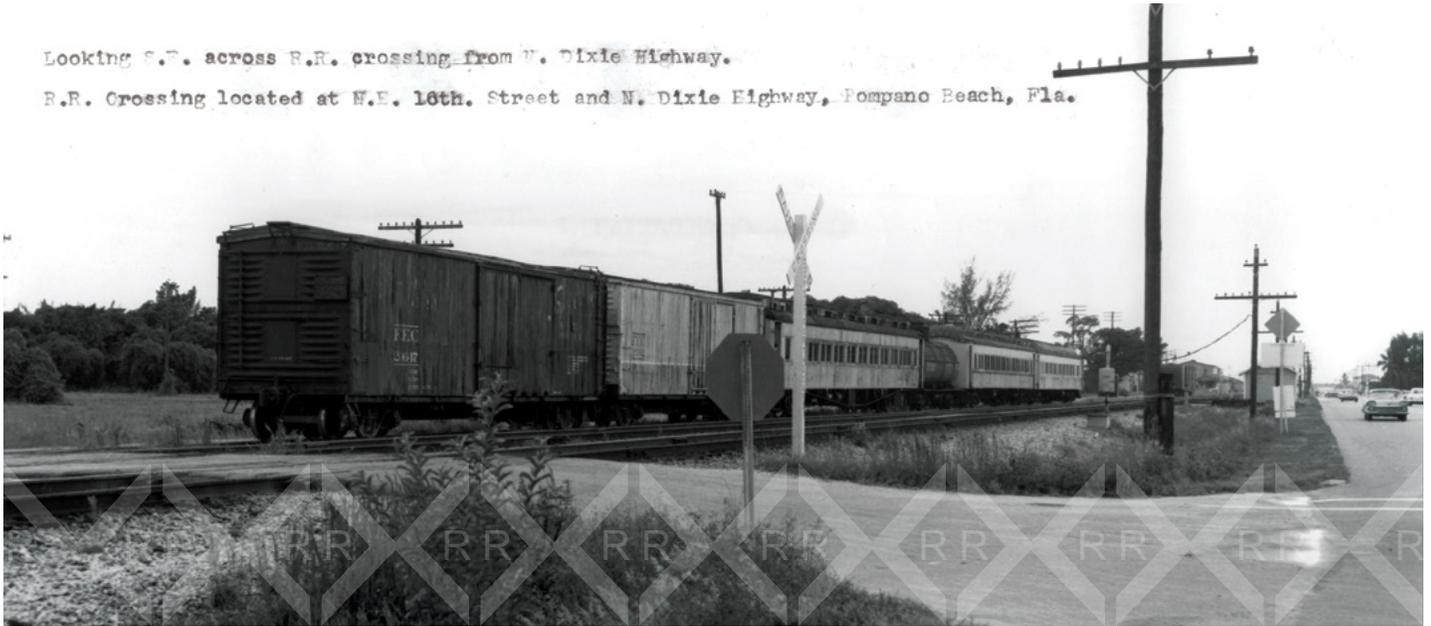

series moved to the newly developed Great Lawn area at the intersection of Atlantic Boulevard and Pompano Beach Boulevard. The Great Lawn is ideal for concerts in many ways. It has an open beach-side lawn area for seating and picnicking, interactive water feature for children, convenient parking and nearby restaurants and shops.

The variety of great South Florida acts that make their way to the stage range from classic rock, R&B, country, reggae, blues, to contemporary. Because of the increased popularity of this event, there has been an increasing number of bands interested in playing on stage. Some of the acts that have graced the stage have been the Pitbull of Blues Band, R&B sensation Eloquence, Orange Sunshine Band and some great tribute bands such as Tina Turner, ZZ Top and The Beatlemanix.

The City has created a safe atmosphere for families to enjoy a free musical event “under the stars” and a great way for children to get exposed to a variety of music. The average monthly attendance for Music Under the Stars has grown significantly from one or two hundred to nearly one thousand each month. In addition to the safe atmosphere and variety of music, part of the event includes a monthly car display.

Don't miss the great lineup of music for this upcoming year. The Music Under the Stars concert series will continue to be a fantastic program pleasing residents and visitors alike.

How the Streets Got Their Names

By Dan Hobby,
Sample-McDougald
House Executive Director

A significant amount of Pompano Beach's history is found in the names of thoroughfares that crisscross the city. Several originated as farm roads and when they became part of the city's street system they retained the names of the farmers who had first established them. Others represent geographical features or even the entity that funded construction.

Below are the origins of some of Pompano Beach's major roads:

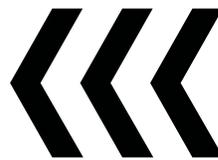

McNab Road: Pompano pioneers William "Harry" McNab (1878 – 1956) and Robert A. McNab (1882 – 1958), arrived in Pompano around the turn of the twentieth century and were active in the agricultural, commercial and civic life of the community. The two yellow brick homes located in the 1700 block of East Atlantic Boulevard were built by the brothers in the mid-1920s. What is today known as McNab Road began as an access road to reach their farmlands south of Pompano. There is also a school and a park in Pompano Beach that takes the name McNab.

Atlantic Boulevard: Obviously this thoroughfare takes its name from the body of water at its eastern terminus, but before it was Atlantic Boulevard its name was Ocean Drive. Why was the name changed? It seems that the impetus was an increasing amount of confusion between Ocean Drive and Ocean Boulevard (A1A). This hadn't been much of a problem when the town was small, but by the early 1950s many visitors and new residents were finding it difficult to make the distinction – even the City Directory mixed up the two roadways – and Ocean Drive became Atlantic Boulevard.

1969

North Federal Highway

Federal Highway: The name of this major north-south roadway is obvious: much of the funding to configure and improve the thoroughfare was provided by the United States government during the Great Depression. Federal Highway was originally designated State Road 4 by the Florida Legislature in 1923. At that time it was largely a collection of local road connected together. So as to standardize numbering across state lines, in 1926 the federal government authorized the numbering of highways on a national basis, leading to State Road 4 becoming U.S. 1.

held in 1915 to promote the roadway, the moniker was changed to Dixie Highway to honor “Fifty Years of Peace” between North and South. Less than a year-and-a-half later, Fisher led a caravan on the Dixie Highway from Indianapolis to Miami. In the years that followed, tens of thousands of new residents and visitors took the same route to Florida.

Cypress Road: Today’s Cypress Road, running from Atlantic Boulevard south to the Pompano Beach city limits and serving as the city’s east-west dividing line below Atlantic Boulevard, was originally known as Cypress Creek Farm Road. In its early days, the road did not bridge the Pompano Canal (and so did not connect to Atlantic Boulevard) and had its southern terminus at today’s McNab Road, just north of the then natural-flowing Cypress Creek. For the most part, the roadway passed through farmland and wilderness — up until the 1950s, very few people lived in what is today south Pompano Beach.

Development Services Department Gets a Makeover *Easier. Faster. Efficient.*

When the elevator doors open onto the newly remodeled 3rd floor of City Hall, you will be pleasantly surprised. Building division customers conducting business at the new “one-stop shop” for building, zoning, permitting, landscaping and business tax receipt services are greeted with a completely updated reception and service area designed for comfort and efficiency. Customers have been very happy with the proactive sign-in process and streamlined services.

The building inspection division serves approximately 150 to 200 customers per day. All new business owners and those requesting a business tax receipt will be greeted in the same area for assistance. The new intake area is still undergoing a few more upgrades which include installing new customer intake software and doubling the current number of self-service kiosks to four. The “super counter” is already serving as a model for neighboring cities which have sent representatives to tour the new facilities and learn about the successful e-plan system.

The planning, zoning and urban forestry division is settling down in its new permanent home on the east end of the 3rd floor. This newly remodeled section includes an open, work-friendly floor plan.

The final addition to the 3rd floor is a new conference area located on the north side by the elevators. This 3-in-1 multi-purpose meeting space was designed for flexibility and can accommodate one large or two smaller rooms when needed. New security doors are also being installed in this area. The project is expected to be finished in October.

The Development Services Department makeover has been carefully designed to bring improved communication, time management and overall outstanding customer service.

SOCIAL SERVICES RESOURCE CONNECTION EVENT

Featured: Family Services / Job Opportunities / Health Resources / Elderly Services

Pompano Beach Social Services Resource Connection Event.

The Pompano Beach Social Services Resource Connection Event was held in September at the E. Pat Larkins Community Center. Over 50 federal, state, county and local social service agencies and resources were on hand to provide every possible resource available to those who need help but do not know who to turn to for assistance. The idea for the event was initiated by Pompano Beach Commissioner Ed Phillips whose vision was to bring local, county, state and federal social service organizations directly to the community to help simplify the process for those in need.

In the photo above, Commissioner Ed Phillips poses with participants from the social services resource connection event.

The City of Pompano Beach and numerous community leaders including State Representative Gwyndolen Clarke-Reed and County Commissioner Dale Holness partnered together to host the

If you did not attend the event and are in need of help, call 2-1-1. It is a helpline to provide support to people in our community with crisis, health and human services issues.

BROWARD SHERIFF'S OFFICE IS HOT

HOT: Homeless Outreach Team

The Broward Sheriff's Office has a new Homeless Outreach Team (HOT) whose main objective is to provide direct outreach services to the homeless in order to reduce the prevalence and duration of homelessness in Pompano Beach. The HOT deputies are able to connect with people experiencing homelessness and provide and inform them of the services available to them. They provide a continuum of care that will allow a person to break the homeless cycle. The services that are offered include shelter, health care, detox facilities, housing, and reunification to family members.

The Homeless Outreach Team consists of two deputies that work in this capacity on a full time basis allowing them to build trust, rapport and empathy within the homeless community. This trust allows the HOT deputies to gather information on street crimes, as well as direct people towards services they desperately need. These deputies also educate the homeless of the community's concerns.

Additionally, the Homeless Outreach Team works closely with businesses and homeowner associations providing them with information regarding

the homeless. This brings understanding of the needs and problems associated with homelessness so we can work together to improve the community and get the homeless the help they need.

In the photo above from left to right: Homeless Outreach Deputy, Dennis Lichtenberg, Sergeant, Sharon Wesolowski and Homeless Outreach Deputy, Robert Ferrelli

PROGRESS

in Pompano

Pier Development Project Breaks Ground

In the last year, the City of Pompano Beach Community Redevelopment Agency has made a lot of new and exciting changes to the Barrier Island in Pompano Beach.

The Pier Parking Garage will be the first public parking garage in Pompano Beach and will feature iconic architecture, five levels of enclosed parking with 663 spaces, 6,200 square feet of retail space and a new tourism and welcome center. The garage is the first development to break ground as part of the overall Pier Development Project that will include 40,000 square feet of retail and restaurant space and two new pedestrian friendly streets connecting the Pier to the Intracoastal. A ground-breaking ceremony for the garage was held in June.

The Pier Development Project will also include oceanic fine dining restaurants to enhance the beachfront experience and will break ground in the coming months.

Pompano Beach Pier Parking Garage
Northeast 2nd Street & A1A

Fire Station 11 Ribbon Cutting & Dedication

The City of Pompano Beach celebrated the grand opening of the new Fire Station 11, known as the beach fire station, with a ribbon cutting and dedication. The new fire station, located on Ocean Boulevard, replaces the original beach fire station which was built in 1957. This new two-story 13,000 square foot building has been designed to provide a safe and efficient fire station built to withstand a category five hurricane. The new fire station has three 80 foot apparatus bays among other features. It is ADA compliant and LEED Silver certified and will meet the emergency fire and rescue needs of Pompano Beach residents. This ergonomically designed station also houses the EMS cart used for responses on the beach, a rescue boat and a reserve fire engine.

Fire Station 11 has been dedicated to Pompano Beach Fire-Rescue Lt. William Fay. Bill Fay was a well-respected and dedicated 23-year veteran of the Fire Department who passed away while still employed with the department in 2010 due to illness.

Fire Chief John Jurgle, and Mayor Lamar Fisher with William Fay's family.

Pompano Beach Fire Station 11
109 North Ocean Boulevard

Beach Library is *now Open*

The City of Pompano Beach celebrated the grand opening of the new Beach Branch Library located at the SE corner of NE 2nd Street and Riverside Drive.

The Grand Opening event included an official ribbon cutting ceremony with the City of Pompano Beach and Broward County Commissioners.

The 5,400 square foot library, within steps from the beach, features a 1,000 square foot meeting room and a veranda with outdoor seating overlooking the Intracoastal Waterway. The old beach library building, which used to be located in the Pompano Fishing Pier Parking Lot, had to be demolished ahead of the new pier development. The City's Community Redevelopment Agency has been working hand-in-hand with Broward County library staff to achieve the transition to the new library site.

Beach Branch Library Grand Opening
3250 Northeast 2nd Street

731 Building *Grand Opening*

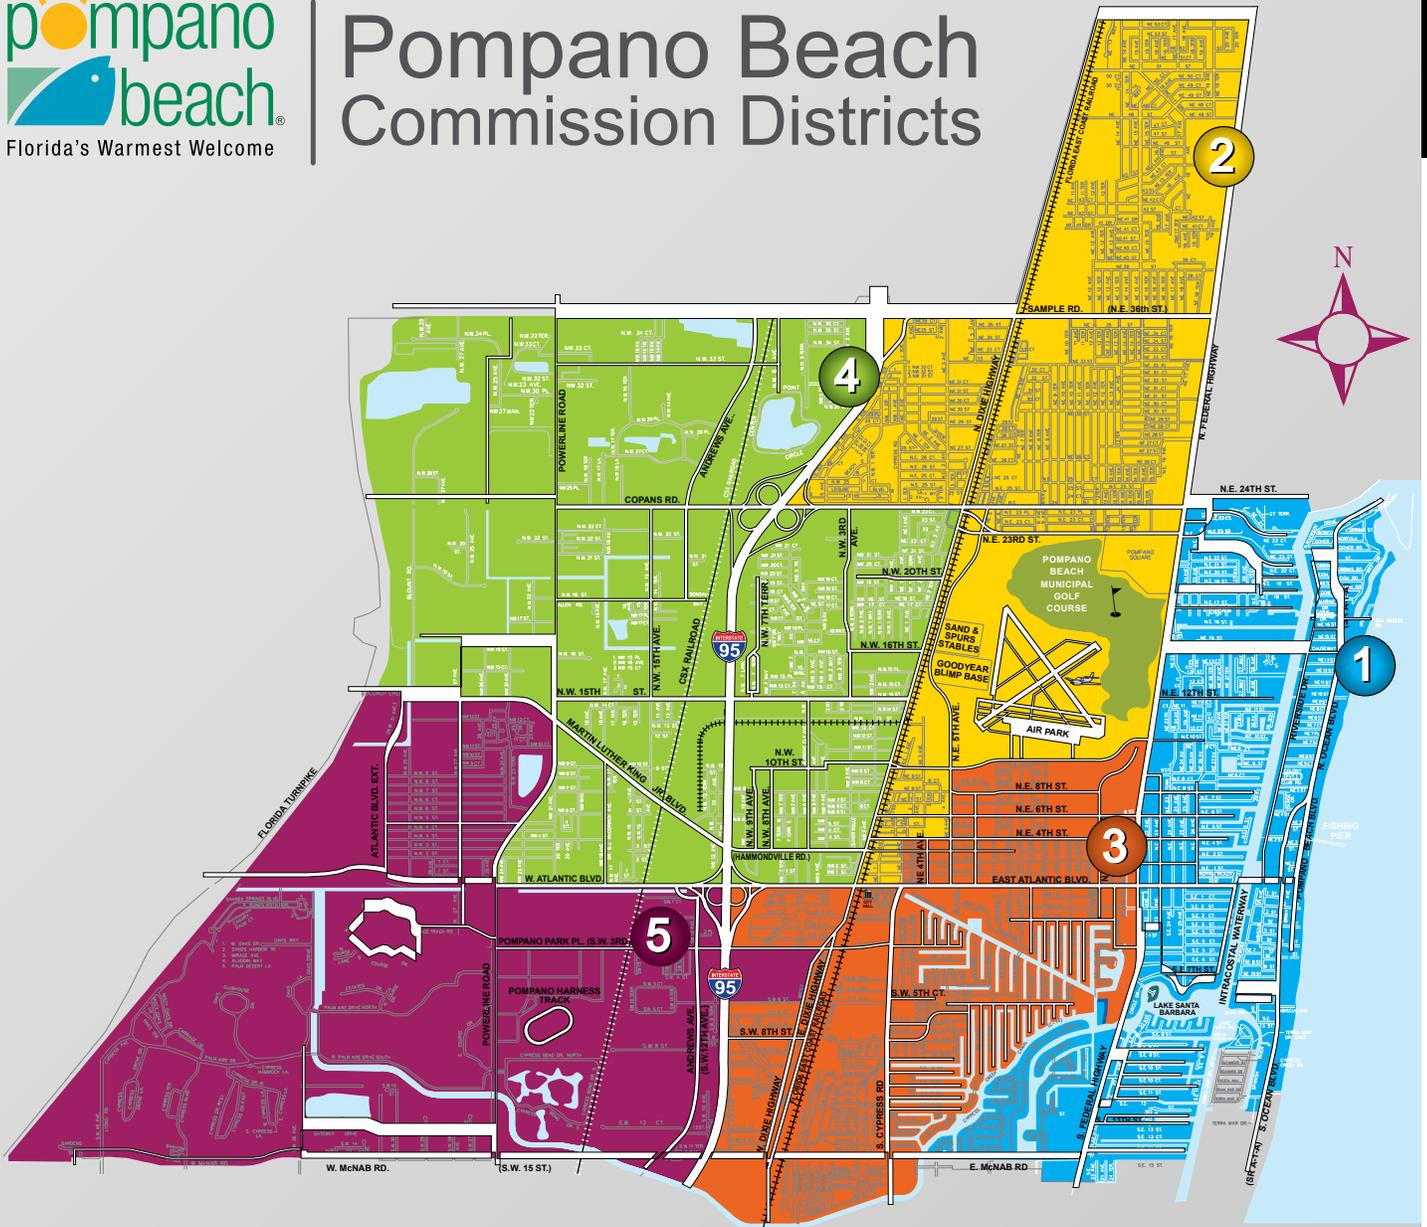

The Pompano Beach Community Redevelopment Agency has done an outstanding job improving the streetscape of the MLK corridor including the landscape, road work and most distinctively the construction of a building which is the first to be established on the boulevard in fifty years.

The 731 Building now houses a number of merchants that bring something unique to the building that enhances the feel of the street and is sure to bring in more economy and foot traffic to Pompano Beach. This building is the epitome of a full service piazza. Spend the day primping before shining at your photo shoot and round out the day with some soul food before heading home or out for the night.

FISH OUT OF WATER!

The City of Pompano Beach has started installing the twelve painted pompano fish sculptures for the two-year outdoor exhibition called “The Painted Pompano Series.” The unveiling of the giant fish sculptures took place earlier this year and they were on display along with their human artists and City officials in front of BaCA, which is the restored historic Bailey building. BaCA is the City’s new art destination offering art and performances, gallery space and eight independent artist studios. Some of the artists used BaCA studios to paint the fish.

Twelve artists were chosen to paint the five foot tall fish sculptures which are painted in various mediums, styles and techniques. The sculptures are being placed at locations throughout the City. The design of the fish is an enlarged and stylized pompano fish jumping out of the ground or water.

The Painted Pompano Series is the first project to be unveiled as part of the City’s Public Art Program. The Public Art Committee is currently finalizing a ten year Master Plan. Keep your eyes on the street for the Painted Pompano and for many new public art projects that will be rolled out in the upcoming years!

YEAR-ROUND Water Restrictions

Landscape Irrigation Schedule (*existing landscapes*)

Did you know that Pompano Beach along with all of Broward County are under year-round water restrictions? In general, NO watering of lawns and landscapes is allowed on Monday, Tuesday, and Fridays. Residences and businesses with an odd-numbered street address may water lawns and landscapes on Wednesdays and/or Saturdays, only before 10:00 a.m. or after 4:00 p.m.

Residences and businesses that use reuse water for irrigation are allowed to water all days, except between 10:00 a.m. and 4:00 p.m. Special exceptions may also apply if using a smart irrigation soil moisture sensor controller.

Residences and businesses with an even-numbered street address, no street address, or those who irrigate both even and odd addresses within the same zones, which may include multi-family units and home-owners associations, may water lawns and landscapes on Thursdays and/or Sundays, only before 10:00 a.m. or after 4:00 p.m.

UPCOMING Adventures

DECEMBER 3 YULETIDE ON ATLANTIC

Keeping with tradition, the Annual Yuletide parade will be marching down Atlantic Boulevard beginning at 6:00 pm and will end at McNab Park for an after party. This is free and open to the public. For parade float opportunities call 954.786.4111.

OCTOBER 23 BOO BASH

Join us for a spooktacular time at this year's Boo Bash! We will be scaring up some fun with our carnival games, un-boo-lievable stage performers, DJ music and dancing, hootin' & howlin' haunted bus, amazing inflatables, and much more! Don't forget we will have the pick of the patch costume contest as well! 954.786.4111

DECEMBER 9 & 10 SANTA'S SWITCHBOARD

Would you like Santa Clause to call you? The man from the North Pole is making phone calls! Fill out our online form: pompanobeach.gov/switchboard and he'll be happy to call you in the language of your choice (English, Spanish or Creole). Calls will be made from 4:00 pm until 7:00 pm. Free and open to the public.

DECEMBER 13
POMPANO BEACH BOAT PARADE

Mark your calendar for the 53rd Annual Pompano Beach Boat Parade, a favorite of residents and captains alike. The dazzling boats will begin coasting down the Pompano Beach Intracoastal Waterway from Lake Santa Barbara and ending at Hillsboro Boulevard. 954.941.2940

JANUARY 30
UNITY IN THE COMMUNITY

Join us at Pompano Community Park for this free annual grass roots event with music, cultural groups, community bands, singers, kids activities, food vendors and demonstrations from the Broward Sheriff's Office.

JANUARY 23 & 24
26TH ANNUAL NAUTICAL FLEA MARKET

If it's nautical, you'll find it here - all types of boating equipment, fishing gear, nautical antiques and artwork, scuba gear, beach attire, boat shoes, jewelry, motors, anchors, tackle, hard to find parts and manufacturer close-outs! Want to try scuba diving or stand up paddle boarding? Bring your bathing suit and walk next door to the Aquatic Center for a mini lesson. info@nauticalfleamarket.com

Beach

Hours of Operation

North Pompano Beach Boulevard & Atlantic Boulevard

The public beach is open 365 days a year. Swimming areas guarded 7 days a week 9 a.m - 4:45 p.m. During day light savings the guards extend their coverage until 6:45 p.m (early March to early September).

Restroom facilities, showers, picnic shelter and tables, barbecue grills, beach wheelchairs, and children's playground are located on the beach.

The Municipal Pier, 222 N. Pompano Beach Boulevard, is open 24 hours a day. Food and beverages can be purchased at the Pier Concession.

The public beach has two beach wheelchairs which make the beach accessible to our special needs residents and visitors. The beach chairs are available seven days a week on a first-come, first-served basis. For more information go to Ocean Rescue Headquarters (50 N. Pompano Beach Blvd.) or ask any lifeguard.

Ocean Rescue

Pompano Beach Ocean Rescue is a division of Pompano Beach Fire Rescue. The beach patrol consists of 17 full-time and 35 part-time highly trained men and women who protect swimmers along 1,200 yards of beach. All of our ocean lifeguards are certified First Responders or Emergency Medical Technicians who are trained to handle any emergency and are equipped with full basic life support equipment such as AED's and oxygen. Our agency's lifeguard certification is provided through the United States Lifesaving Association. Ocean Rescue lifeguards receive additional training with Pompano Beach Fire Rescue. Our ocean lifeguards also have extensive knowledge of the ocean and beach environment and are always happy to answer questions from the public.

Special Considerations

Boogie boarding is allowed everywhere on the beach, however, surfing is only allowed in designated areas. Wrist or ankle leashes are mandatory. Stand up paddleboards have been interpreted to be the same as surfboards if inside the vessel exclusion buoys. Launching for stand up paddleboards is north of Lifeguard Tower 6 located on the north side of the municipal pier or south of Lifeguard Tower 3 located at the eastern Atlantic Avenue terminus. No craft shall be operated at a distance closer than 100

yards (300 feet) of the municipal pier. Stand up paddleboarders outside the vessel exclusion buoys are required to wear a life vest

Hobie cats, kite boarders, paddle and wind driven vessels can be launched at NE 13th and 16th Streets only and must stay 100 yards off the public beach. Boats (both sail and motor) must also stay 100 yards off the public beach. Vessel exclusion buoys are an added visual reference.

Boat and Jet Ski launching is available at Alsdorf Park on NE 14th Street Causeway and the Intracoastal Waterway. A playground and picnic area is also available at this site.

Beach Picnic Pavilions, Sand Volleyball and Soccer Courts

Pavilions and Courts are available on a first-come, first-served basis; however, to rent either one for a special activity, an application must be made at the Emma Lou Olson Civic Center. Info: 954.786.4111

North Ocean Park, NE 16th Street, also offers a picnic area.

- Alcohol Is Prohibited On The Public Beach And In All Parks.

- Pets are not allowed on the beach or in City Parks.

Beach Conditions

Daily Conditions Report 954.786.4005

Information is provided daily regarding swimming conditions at Pompano Beach. After 9 a.m. daily, call the above telephone number for a recording describing water and weather conditions as well as the presence of Man-O-War or Sea Lice.

Beach Condition Flags

Green: Low Hazard

Yellow: Medium Hazard

Red: High Hazard

Double Red: Water is closed to the public

Purple: Dangerous Marine Life

Adopt-A-Beach

Adopt-A-Beach is an environmental program for various age groups promoting cleaner beaches. Organizations or individuals interested in participating in an Adopt-A-Beach and/or beach cleanup of Pompano Beach can request information by e-mailing oceanrescue@copbfl.com

ALL activities and prices are subject to change. Please call ahead to confirm.

POMPANO BEACH

Yuletide on Atlantic

pompano beach
Florida's Warmest Welcome

On Atlantic Blvd | DECEMBER 3RD | 6 PM

Golf Course

Drive Range Hours
1101 North Federal Highway, Pompano Beach

Summer (Apr 15 - Nov 19)
Mon, Tue, Thu, Fri & Sat: 7:00 am - Dark
Wed & Sun: 7:00 am - 6:30 pm

Winter (Nov 20 - Apr 14)
Mon, Tue, Thu, Fri, Sat: 6:30 am - Dark
Wed & Sun: 6:30 am - 4:30 pm

Business Hours:
Mon - Sun: 7:00 am - 6:00 pm
Phone: 954.786.4142

Pompano's Municipal Golf Courses consists of two 18-hole courses; the Palms and the Pines. The golf courses are conveniently located on North Federal Highway between Atlantic Avenue and Copans Road and are easily accessed from I-95 and Florida's Turnpike.

The recently redesigned and renovated Greg Norman Signature Pines Course opened on January 1, 2013 to rave reviews. With state of the art design, Celebration Bermuda fairways and TifEagle greens, the Pines

will most assuredly become a golf destination for residents and visitors to the region. The Palms golf course continues to cater to a loyal following of golfers who have enjoyed the layout for over a half a century.

The Golf Shop and Golf Course Restaurant & Lounge are open to the public as well as members and guests. The friendly and professional Staff, led by PGA Professional Bob Loring, is also available for expert golf instruction and club/golf ball fitting.

Owned and operated by the City of Pompano Beach, our Golf Courses cater to the daily public play, annual members, charity, corporate events, and junior groups. Schedule a tee-time at pompanobeachfl.gov

Flood Damage {Protect Your Home and Property}

This article is required by the Federal Emergency Management Agency (F.E.M.A.) to satisfy provisions in the Community Rating System (C.R.S.) for reduced costs for flood insurance. The following is offered to Pompano Beach residents to help prevent and minimize the impact on lives and property caused by floodwaters.

Flood Hazard Map

The City's Engineering Division has enhanced FEMA's Flood Criteria Map identifying flood zones for all properties in the city. The FEMA Flood Hazard Areas found within the City limits include Zone X, Zone AE, Zone AH, and Zone VE. The map depicts the flood hazard associated with any parcel in the City. A Summarized flood zones map is located in the Building Inspections Division at City Hall and is available in electronic GIS format.

Flood Risk

Although we have been relatively fortunate for many years, the recent flooding on Halloween 2011 reminds us of the possibility of a flooding event without a major storm or hurricane. The risk of flooding within the City of Pompano Beach can increase by the presence of higher water levels within the Atlantic Ocean and the Intracoastal Waterway due to storm surge. In general, property located east of State Road A1A within the City has been designated as a coastal zone which encounters greater flooding risk due to waves and storm surge during a significant storm event.

Flood Warning System

The City of Pompano Beach, in coordination with Broward County, has a warning system to notify residents of impending flood danger. Warnings will be transmitted on public address systems such as the City's website, CODE RED, television channel 78, telephone, and on a door-to-door basis. Listen for instructions during times of flood risk.

Flood Safety

These are precautionary steps to consider before possible flooding:

- Listen to radio or television for warnings.
- Obey warning and evacuation instructions from disaster officials.
- Know your evacuation zone and route.
- Take your own essentials (food, toiletries, clothes, blankets, etc.).
- Turn off the electricity and gas before leaving your home.
- Bring a battery-operated flashlight.
- Be careful at all times, particularly at night, and try to remain calm.
- Do not drive through flooded roadways
- Do not walk through high waters
- Stay away from electrical wires

Flood Insurance

Most homeowners' insurance policies do not cover property losses due to flood waters. To

insure your property for flood damage, you need a flood insurance policy. If you do not have valid flood insurance, contact an agent immediately. Property owners can insure property; renters can insure possessions. The City of Pompano Beach participates in the National Flood Insurance Program (N.F.I.P.) to provide city residents with the initial qualification to purchase flood insurance. Flood insurance typically covers the building structure but not the contents so verify your coverage for contents under your homeowner's insurance. Please note that there is a 30-day waiting period after purchase before NFIP flood insurance coverage takes effect. We applied to F.E.M.A. for participation in the C.R.S. program to enable our residents to qualify for lower flood insurance premiums.

Property Protection

There are ways to minimize property losses from flood damage, including:

- Move furniture and other household valuables to rooms or spaces in the upper story of a two-story dwelling or a location higher than the regular floor elevation in a single story home.
- Place sandbags in strategic places around your property prior to flood status. When sandbags are placed correctly at proper locations, they can slow up and divert flood waters.
- Upgrading your property can include regarding your property to provide for on-site storage of stormwater runoff, installing an earthen berm along the perimeter, retrofitting the existing structure to be flood-proofed, or elevating the existing structure to raise the finish floor elevation.

Development Permits

All development (new construction, additions, renovations, alterations to properties, etc.) in the City of Pompano Beach require a construction permit. The N.F.I.P. and the Florida Building Code require the entire building to conform to the requirements for a new building when building repairs or alterations exceed 50 percent of the building's market value. All applicable building permit applications must conform to this requirement when submitted to the Building Inspections Division. The requirement may also apply if a building is substantially damaged. Before building on, altering, regarding, or replacing fill on your property, always check with the Building Division on any permit requirements. A permit may be required to ensure that the construction does not negatively impact adjacent properties. If an ongoing construction project within a City does not have a posted permit sign, please contact the City's Building Division to report the possible violation.

Stormwater Management

Stormwater is managed through a system of pipes and drainage canals maintained regularly by our Public Works and Utilities Departments, the Broward County Office of Environmental Services and South Florida Water Management District. Constant water flow through these canals, especially during heavy storms, is essential to flood prevention in the City. City and state laws prohibit dumping trash in waterways. Report violators to Public Works Department at 954.786.4060.

Natural Habitat

Natural areas of the City provide a beneficial function by the reducing the potential severity of flooding. These natural areas typically collect and retain stormwater runoff during rainfall events and allow for the infiltration of stormwater into the natural ground surface, which can reduce the flooding levels within the developed areas of the City. These natural areas also enhance the water quality of stormwater runoff by allowing suspended sediments and nutrients to settle during the retention period. State regulations protect those natural areas that help to reduce the risks associated with flooding. Along the beach, no new structures are permitted seaward of the Coastal Construction Line without permission. Other restrictions protect some wetland areas from development.

Rate Reductions

On June 11th, 1993, F.E.M.A. awarded the City with a Class 9 rating in the C.R.S. This rating earned Pompano Beach residents a five percent discount on flood insurance premiums. In September 1994, the City received official notification that Pompano Beach residents are eligible for an additional five percent discount, or ten percent total, on flood insurance based on the City complying with the requirements for a Class 8 rating in the C.R.S. In July 2012, F.E.M.A. awarded the City a class 7 rating so flood insurance policy holders in special flood hazard areas in the City now receive a 15% discount on their insurance premiums.

Additional Information

We urge City residents to visit www.broward.org or visit the Building Inspections Division to determine the flood zone and flood elevation for their property. Pompano Beach City Hall is at 100 W. Atlantic Boulevard, Pompano Beach, Florida. The Pompano Beach Branch of the Broward County Library, located at 1213 East Atlantic Boulevard, has information on flood insurance, flood protection and flood plain management. For More Information email floodzoneinfo@copbfl.com or contact Paola West, City of Pompano Beach CRS Coordinator at 954.454.7780 or Michael Rada, City of Pompano Beach Floodplain Manager at 954.786.4062.
