MEMORANDUM

Date: February 20, 2018

To: Community Redevelopment Agency Board

From: Jordan Pace, Esq.

Thru: Kim Briesemeister, Co-Executive Director
Christopher Brown, Co-Executive Director

Subject: Bid Authorization Up to \$30,000.00 for Tax Deed Auction of 690 Dr. Martin Luther King, Jr. Boulevard, Pompano Beach, FL 33060

Issue:

Staff is seeking CRA Board authorization to bid up to \$30,000.00 for property located at 690 Dr. Martin Luther King, Jr. Boulevard, Pompano Beach, FL 33060, that is being sold at a tax deed auction by the Broward County Tax Collector.

Recommendation:

CRA recommends approval of the Resolution.

Background:

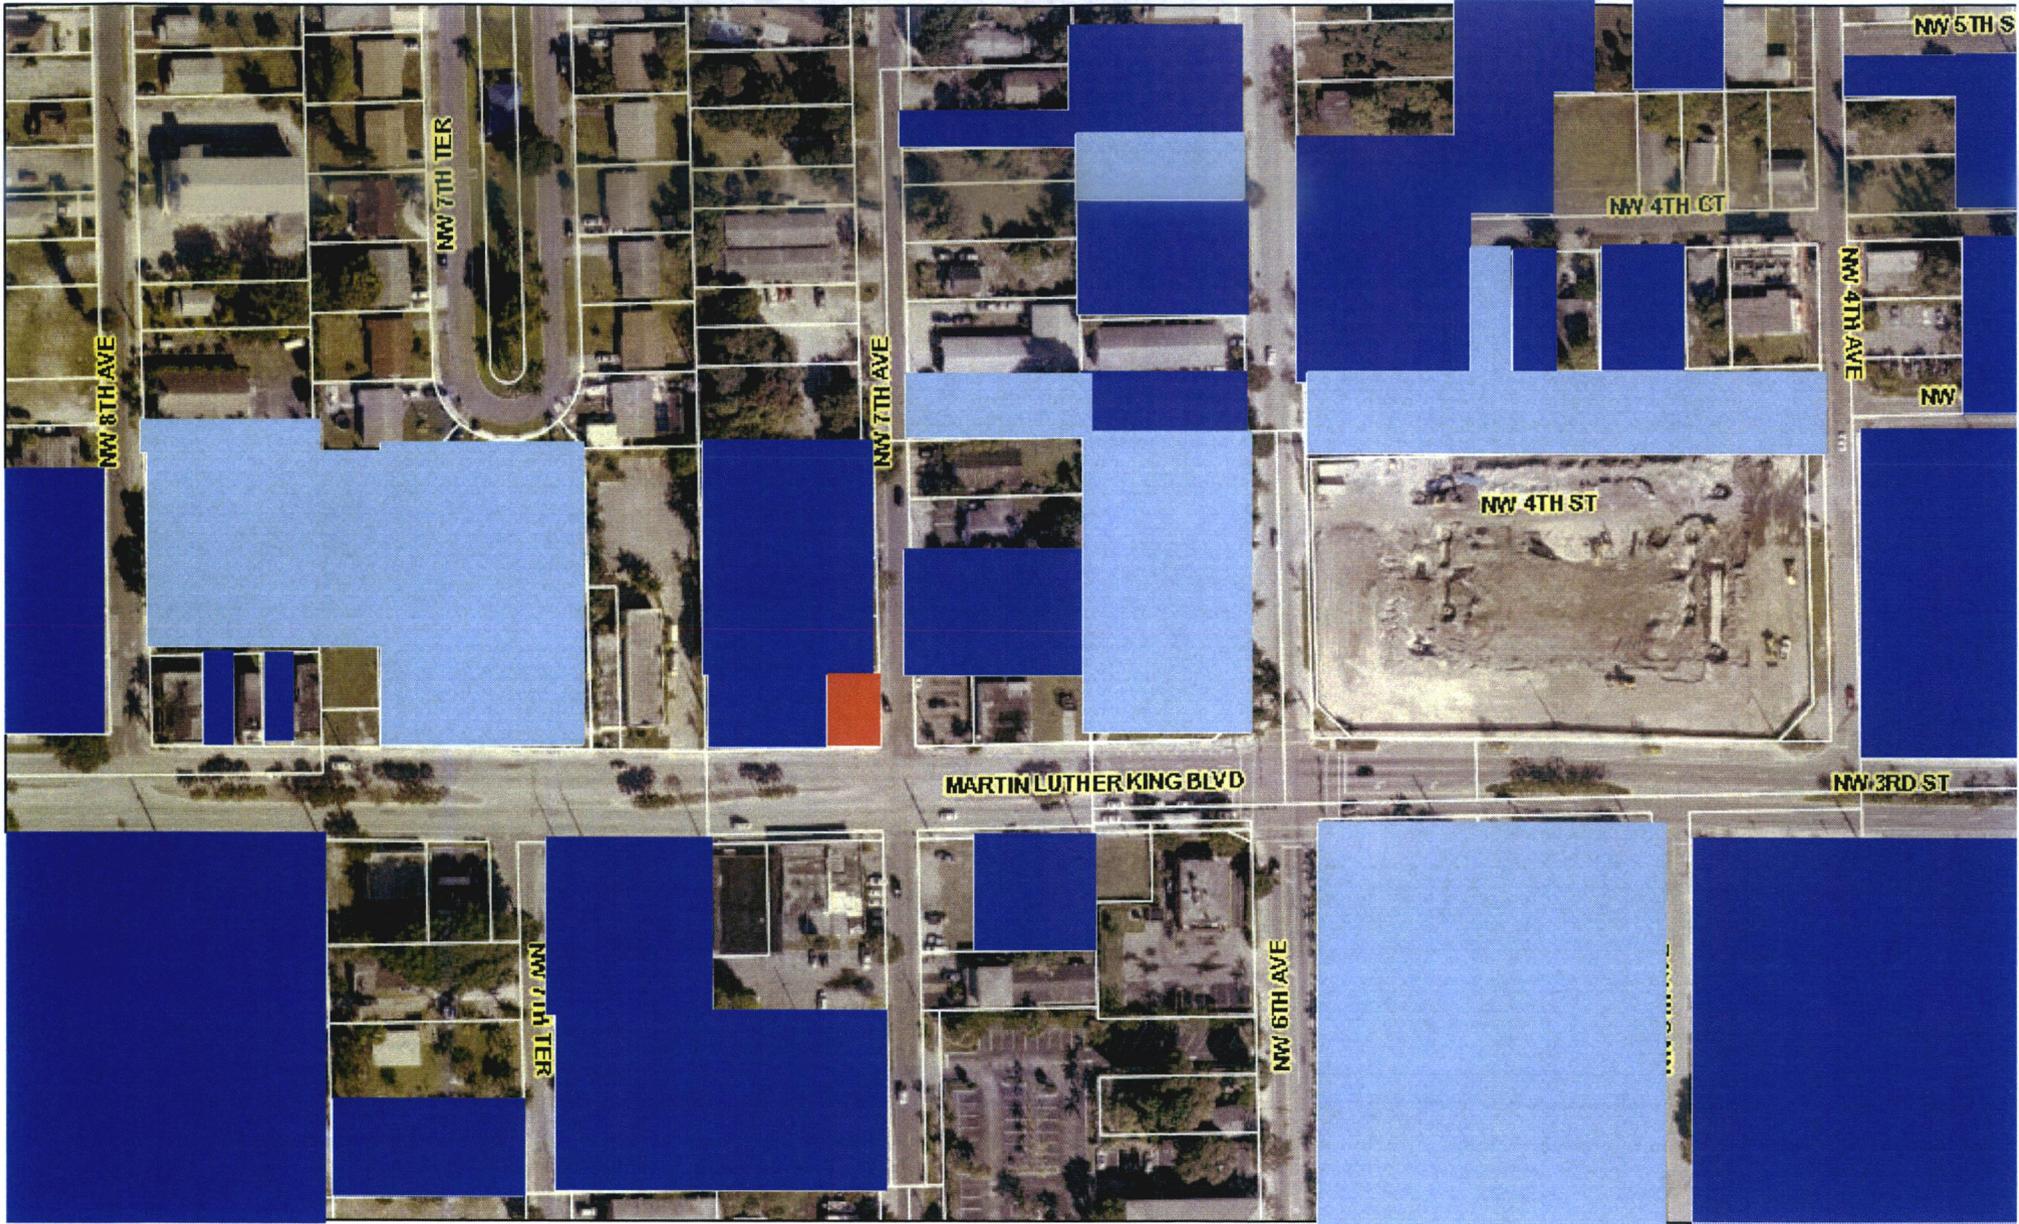

Over twenty (20) years ago, the Pompano Beach Community Redevelopment Agency (CRA) initiated the planning and development of a new downtown located within an approximately 180-acre area located within the Northwest CRA district. To make this plan come to fruition, the CRA began acquiring property located within this geographic area to create an assemblage of properties that will eventually be sold to private developers. Additionally, zoning and land use regulations were passed to create the Downtown Pompano Transit Overlay District (DPTOD).

While the CRA has acquired some property within this area, not all property has been made available for purchase. However, on January 22, 2018, the CRA received notice from the Broward County Records, Taxes and Treasury Division / Tax Deed Section of the impending tax deed auction of property located at 690 Dr. Martin Luther King, Jr. Boulevard, Pompano Beach, Florida 33060. This property is both adjacent to CRA-owned parcels and located within the DPTOD.

Acquiring this property, which has both a Just/Market value and an Assessed value of \$26,230.00, would allow the CRA to further its goal of acquiring an assemblage of property within the DPTOD to attract potential real estate developers. The CRA is seeking authorization to bid up to \$30,000.00 for the property as it may sell for greater than the aforementioned Just/Market and Assessed value.
