SHORT TITLE A RESOLUTION OF THE POMPANO BEACH COMMUNITY REDEVELOPMENT
 OR MOTION: AGENCY, APPROVING AND AUTHORIZING THE PROPER OFFICIAL TO
 EXECUTE A CONTRACT FOR SALE AND PURCHASE BETWEEN THE POMPANO
 BEACH COMMUNITY REDEVELOPMENT AGENCY AND MICHAEL BRINKMANN
 FOR THE PURCHASE OF PROPERTY LOCATED AT 432 NW 4th AVENUE;
 PROVIDING AN EFFECTIVE DATE.

Summary of Purpose and Why:

The CRA has a contract for purchase and Sale for one vacant lot located near the southeast corner of the intersection of NW 4th Avenue and NW 5th Street (432 NW 4 Avenue). CRA staff was contacted by Michael Brinkmann and has been in negotiations with this property owner since 2012. The CRA owns several properties adjacent to this lot and aggregating this lot for a larger land assemblage would enhance the development opportunity within this block (see attached aerial). The seller recently performed a land appraisal on the property and the agreed price was based upon this land appraisal report which valued the lot at \$21,500 (attached).

Staff recommends that the CRA Board approve this Contract for Sale and Purchase between the Pompano Beach CRA and Michael Brinkmann in the amount of \$21,500.

MEMORANDUM

Date: June 20, 2017

To: CRA Board

Through: Christopher J. Brown, Co-Executive Director
Kim Briesemeister

From: Nguyen Tran, NW CRA Director 

Subject: Contract for Sale and Purchase with Michael Brinkmann for 432 NW 4th Avenue

The CRA has a contract for purchase and Sale for one vacant lot located near the southeast corner of the intersection of NW 4th Avenue and NW 5th Street. CRA staff was contacted by Michael Brinkmann and has been in negotiations with this property owner since 2012. As seen from the attached aerial, the CRA owns several adjacent properties surrounding this lot. The seller initiated a land appraisal report and the agreed contract price is based upon the land appraisal value of \$21,500. Enclosed is a copy of the Appraisal.

The lot measures approximately 5,000 sq. ft. and will be aggregated with adjacent CRA owned properties for better development opportunities. Since the vacant lot is not owned by an investment company and the purchase price is at fair market value, the opportunity should not be missed. The Northwest CRA Advisory Committee reviewed the item at their regularly scheduled meeting of June 5, 2017 and recommended approval of the Contract for Sale and Purchase in the amount of \$21,500 with a vote of 6-0 (Jackson, Copeland & Frazier Absent).

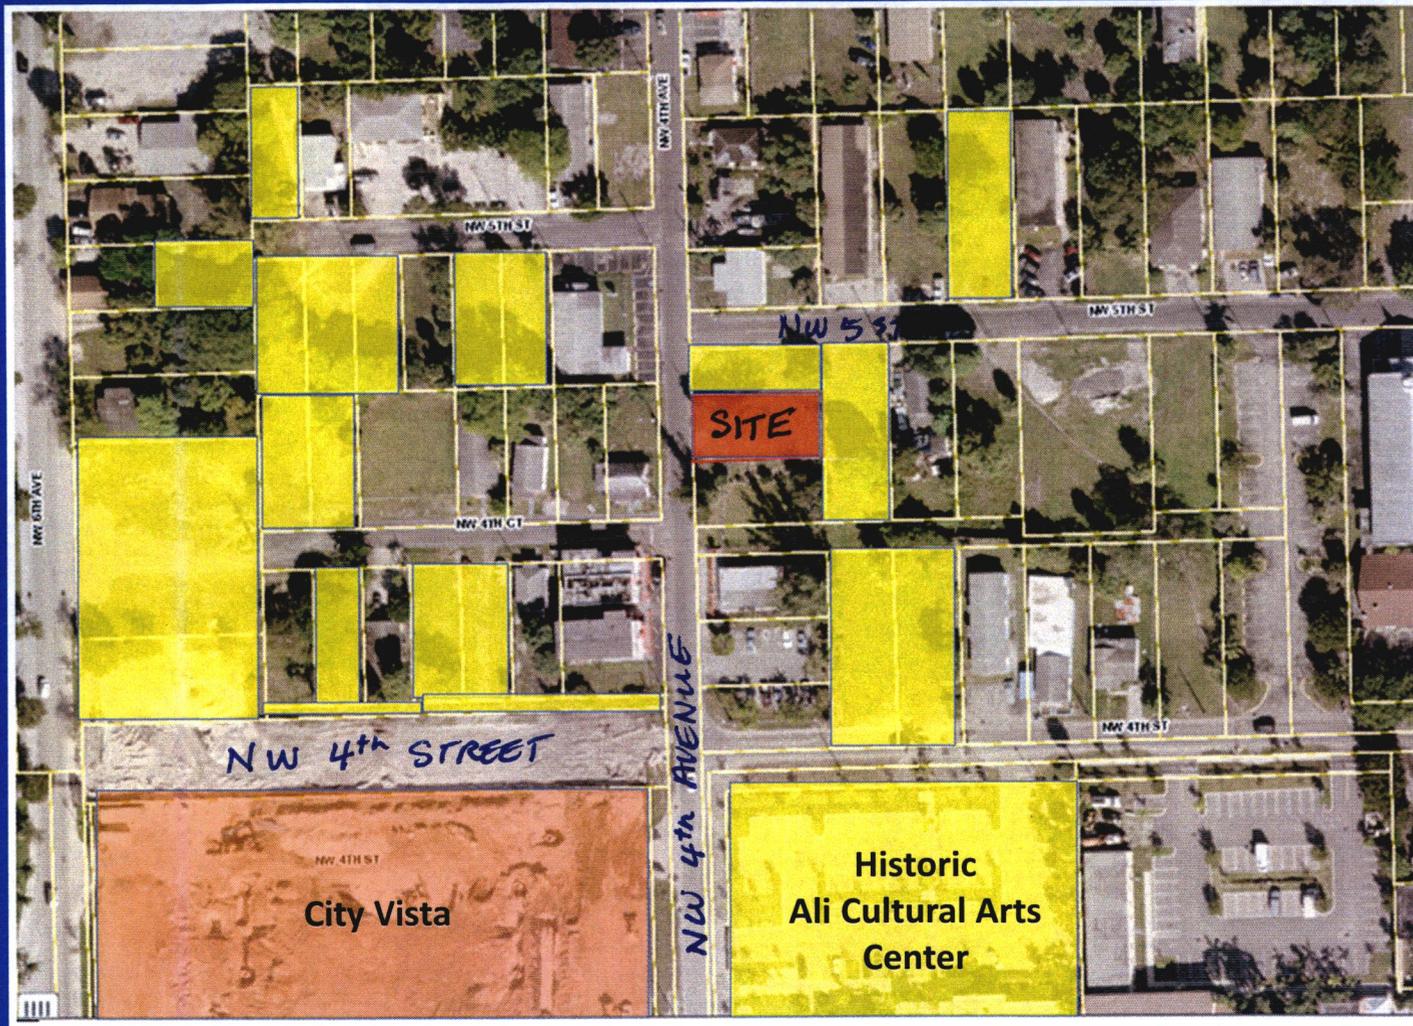

Recommendation:

Staff recommends approval of this Contract for Sale and Purchase with Michael Brinkmann for a vacant lot located at 432 NW 4 Avenue in the amount of \$21,500.

File No.: 1703007

Property Address: NW 4th Ave City: Pompano Beach State: FL Zip Code: 33060
Client: MICHAEL C BRINKMANN CONTRACTING Address: 842 BROOKSHIRE BLVD, MARYVILLE, TN 37003
Appraiser: Joseph A. Tavormina, Cert. Res. RD3807 Address: 9621 Ridgeside Ct., Davie, FL 33328

STATEMENT OF ASSUMPTIONS & LIMITING CONDITIONS

- The appraiser will not be responsible for matters of a legal nature that affect either the property being appraised or the title to it. The appraiser assumes that the title is good and marketable and, therefore, will not render any opinions about the title. The property is appraised on the basis of it being under responsible ownership.
- The appraiser may have provided a plat and/or parcel map in the appraisal report to assist the reader in visualizing the lot size, shape, and/or orientation. The appraiser has not made a survey of the subject property.
- If so indicated, the appraiser has examined the available flood maps that are provided by the Federal Emergency Management Agency (or other data sources) and has noted in the appraisal report whether the subject site is located in an identified Special Flood Hazard Area. Because the appraiser is not a surveyor, he or she makes no guarantees, express or implied, regarding this determination.
- The appraiser will not give testimony or appear in court because he or she made an appraisal of the property in question, unless specific arrangements to do so have been made beforehand.
- The appraiser has noted in the appraisal report any adverse conditions (including, but not limited to, the presence of hazardous wastes, toxic substances, etc.) observed during the inspection of the subject property, or that he or she became aware of during the normal research involved in performing the appraisal. Unless otherwise stated in the appraisal report, the appraiser has no knowledge of any hidden or unapparent conditions of the property, or adverse environmental conditions (including, but not limited to, the presence of hazardous wastes, toxic substances, etc.) that would make the property more or less valuable, and has assumed that there are no such conditions and makes no guarantees or warranties, express or implied, regarding the condition of the property. The appraiser will not be responsible for any such conditions that do exist or for any engineering or testing that might be required to discover whether such conditions exist. Because the appraiser is not an expert in the field of environmental hazards, the appraisal report must not be considered as an environmental assessment of the property.
- The appraiser obtained the information, estimates, and opinions that were expressed in the appraisal report from sources that he or she considers to be reliable and believes them to be true and correct. The appraiser does not assume responsibility for the accuracy of such items that were furnished by other parties.
- The appraiser will not disclose the contents of the appraisal report except as provided for in the Uniform Standards of Professional Appraisal Practice, and any applicable federal, state or local laws.
- An appraiser's client is the party (or parties) who engage an appraiser in a specific assignment. Any other party acquiring this report from the client does not become a party to the appraiser-client relationship. Any persons receiving this appraisal report because of disclosure requirements applicable to the appraiser's client do not become intended users of this report unless specifically identified by the client at the time of the assignment.
- The appraiser's written consent and approval must be obtained before this appraisal report can be conveyed by anyone to the public, through advertising, public relations, news, sales, or by means of any other media, or by its inclusion in a private or public database. Possession of this report or any copy thereof does not carry with it the right of publication.
- Forecasts of effective demand for the highest and best use or the best fitting and most appropriate use were based on the best available data concerning the market and are subject to conditions of economic uncertainty about the future.

The Scope of Work is the type and extent of research and analyses performed in an appraisal assignment that is required to produce credible assignment results, given the nature of the appraisal problem, the specific requirements of the intended user(s) and the intended use of the appraisal report. Reliance upon this report, regardless of how acquired, by any party or for any use, other than those specified in this report by the Appraiser, is prohibited. The Opinion of Value that is the conclusion of this report is credible only within the context of the Scope of Work, Effective Date, the Date of Report, the Intended User(s), the Intended Use, the stated Assumptions and Limiting Conditions, any Hypothetical Conditions and/or Extraordinary Assumptions, and the Type of Value, as defined herein. The appraiser, appraisal firm, and related parties assume no obligation, liability, or accountability, and will not be responsible for any unauthorized use of this report or its conclusions.

DEFINITION OF MARKET VALUE *:

Market value means the most probable price which a property should bring in a competitive and open market under all conditions requisite to a fair sale, the buyer and seller each acting prudently and knowledgeably, and assuming the price is not affected by undue stimulus. Implicit in this definition is the consummation of a sale as of a specified date and the passing of title from seller to buyer under conditions whereby:

1. Buyer and seller are typically motivated;
2. Both parties are well informed or well advised and acting in what they consider their own best interests;
3. A reasonable time is allowed for exposure in the open market;
4. Payment is made in terms of cash in U.S. dollars or in terms of financial arrangements comparable thereto; and
5. The price represents the normal consideration for the property sold unaffected by special or creative financing or sales concessions granted by anyone associated with the sale.

* This definition is from regulations published by federal regulatory agencies pursuant to Title XI of the Financial Institutions Reform, Recovery, and Enforcement Act (FIRREA) of 1989 between July 5, 1990, and August 24, 1990, by the Federal Reserve System (FRS), National Credit Union Administration (NCUA), Federal Deposit Insurance Corporation (FDIC), the Office of Thrift Supervision (OTS), and the Office of Comptroller of the Currency (OCC). This definition is also referenced in regulations jointly published by the OCC, OTS, FRS, and FDIC on June 7, 1994, and in the Interagency Appraisal and Evaluation Guidelines, dated October 27, 1994.
