Code Enforcement Lien Amnesty Program

The City of Pompano Beach adopted a Code Enforcement Lien Amnesty Program that will be in effect until August 18, 2020. During this difficult time, we thought it might be a good time to remind property owners about the Program.

The Amnesty Program will provide property owners in the City an opportunity to erase financial burdens on their properties at significantly discounted amounts and also stimulate compliance of problem properties in an effort to protect property values and preserve the quality of life for the City's residents.

A Fact Sheet and Amnesty Process Summary is posted on the City's website at www.pompanobeachfl.gov/pages/code_compliance as well as other important details regarding this limited time offer to settle your Code Enforcement Lien(s) at a significant discount.
