

**BROWARD COUNTY ADMINISTRATOR'S  
EMERGENCY ORDER 20-01**

**WHEREAS**, COVID-19, a respiratory illness caused by a virus that spreads rapidly from person to person and may result in serious illness or death, constitutes a clear and present threat to the lives, health, welfare, and safety of the people of Broward County;

**WHEREAS**, on March 1, 2020, Governor DeSantis declared a Public Health Emergency as a result of COVID-19;

**WHEREAS**, on March 9, 2020, Governor DeSantis issued Executive Order 20-52, declaring a State of Emergency as a result of COVID-19;

**WHEREAS**, on March 10, 2020, I declared a Local State of Emergency; on March 11, 2020, the Mayor of Miami-Dade County declared a Local State of Emergency; and on March 13, 2020, the Mayor of Palm Beach County declared a Local State of Emergency;

**WHEREAS**, on March 11, 2020, the World Health Organization declared the spread of COVID-19 to be a global pandemic;

**WHEREAS**, on March 13, 2020, President Trump declared a national emergency concerning COVID-19;

**WHEREAS**, on March 17, 2020, Governor DeSantis issued Executive Order 20-68, prohibiting the sale of alcoholic beverages at certain establishments and placing certain limitations on gatherings for bars, restaurants, and beaches;

**WHEREAS**, there is no vaccine or drug currently available to combat COVID-19;

**WHEREAS**, to reduce the spread of COVID-19, the United States Centers for Disease Control and Prevention ("CDC") and the Florida State Department of Health recommend implementation of community mitigation strategies to increase containment of the virus, including cancellation of large gatherings and social distancing of at least six (6) feet between persons in smaller gatherings;

**WHEREAS**, limitations on gatherings and the use of social distancing to prevent transmission of COVID-19 are especially important for people who are over sixty (60) years old and people with chronic health conditions because those populations are at a higher risk of severe illness and death from COVID-19. However, it appears that everyone, regardless of age or health condition, is threatened by COVID-19;

**WHEREAS**, the tri-county area of South Florida, comprised of Miami-Dade County, Broward County, and Palm Beach County, is a contiguous community with both commercial and cultural continuities, and both Broward County and Miami-Dade County have emerged as clusters of positive COVID-19 cases;

**WHEREAS**, on March 19, 2020, Miami-Dade County enacted an Emergency Order imposing restrictions on all nonessential business and services;

**WHEREAS**, the public health emergency created by COVID-19 will not be limited to one county or municipality in the South Florida area;

**WHEREAS**, on March 10, 2020, the Broward County Board of County Commissioners authorized me to take any appropriate and necessary action to protect the health and safety of Broward County residents and visitors in connection with COVID-19;

**WHEREAS**, this Emergency Order is necessary because of the propensity of the virus to spread person to person and also because the virus is physically causing property damage due to its proclivity to attach to surfaces for prolonged periods of time;

**WHEREAS**, the continuing operation of essential businesses is necessary to provide essential goods and services to the public; and

**WHEREAS**, this Emergency Order is necessary to protect the lives, health, welfare, and safety of the County's residents from the devastating impacts of this pandemic,
