Life Guard Towers – Sub-contractor

Design Description

Ocean Rescue Building

- Improvements to the interior of an existing building including but not limited to upgrades to existing bathrooms, locker rooms, meeting rooms, storage, offices, etc.
- **Alternate:** Expansion of building to include a second floor. The second floor addition will be in support of existing Ocean Rescue services.
- This addition will allow the facility to expand its usability to include a large meeting room.

Design Description

Lifeguard Towers

- Construct and install eight (8) custom designed lifeguard stations

Thank you for your time!
