McNair Park Proposed Plan Concept

- Buffer Landscaping
- Practice Field (natural sod) (lighted)
- Running Track, 8 lanes
- High Jump/Long Jump
- Concession/Restrooms
- Existing Limited Access Roadway
- Two Basketball Courts
- 2 Covered playgrounds (Toddler and Ages 5-12)
- Football/Soccer Field (Lighted) (Synthetic Turf)
- Press box
- Interactive Water Feature
- Interactive Water Feature
- Addition to Existing Building (In-door fitness area)
- Bleachers
- Expanded Parking (total 215 spaces)

McNair Park Additional Modifications

Additional exercise areas for training field was not in budget

Full kitchen in concession was not in budget

Gate added for emergency access

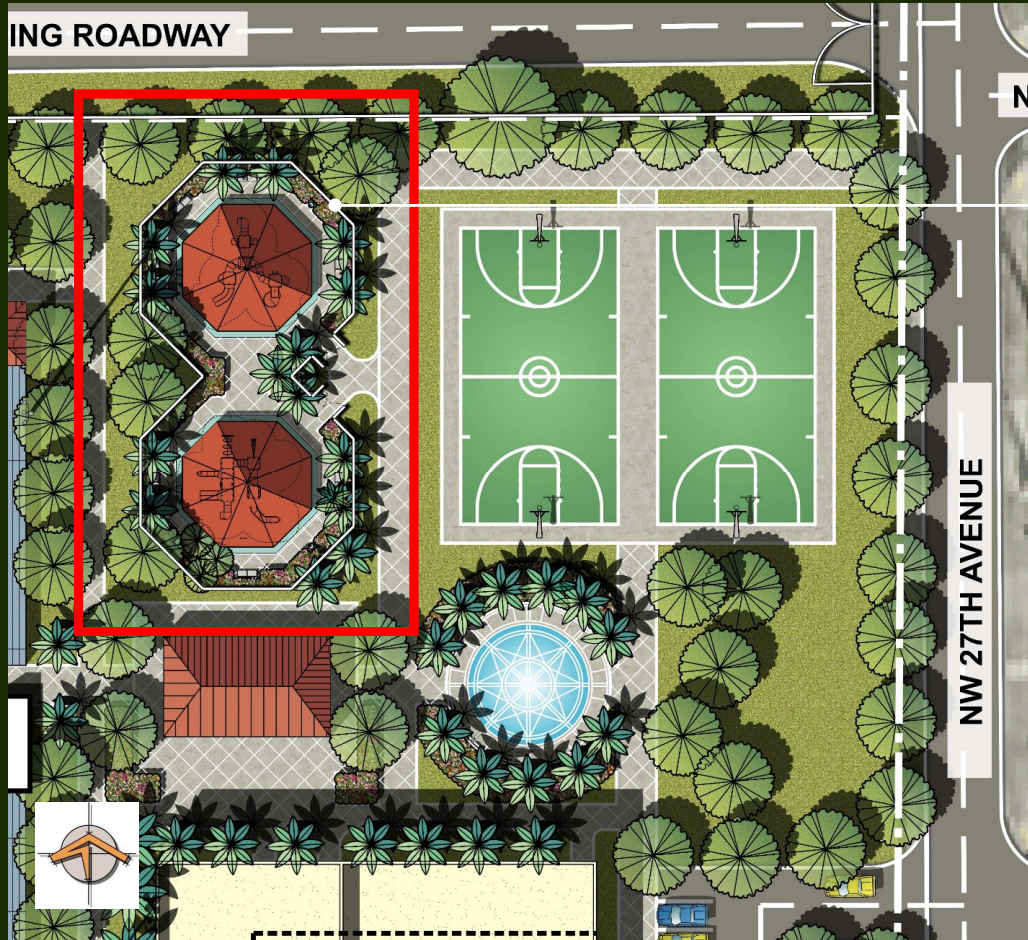

See enlargement for playground and basketball courts (Next Slide)

Added road connection with gates for limited access
Press box was relocated to east side of field

10' wide recovery zone around field with 4' chain link fence

Requested parking is off the park site and not in contract

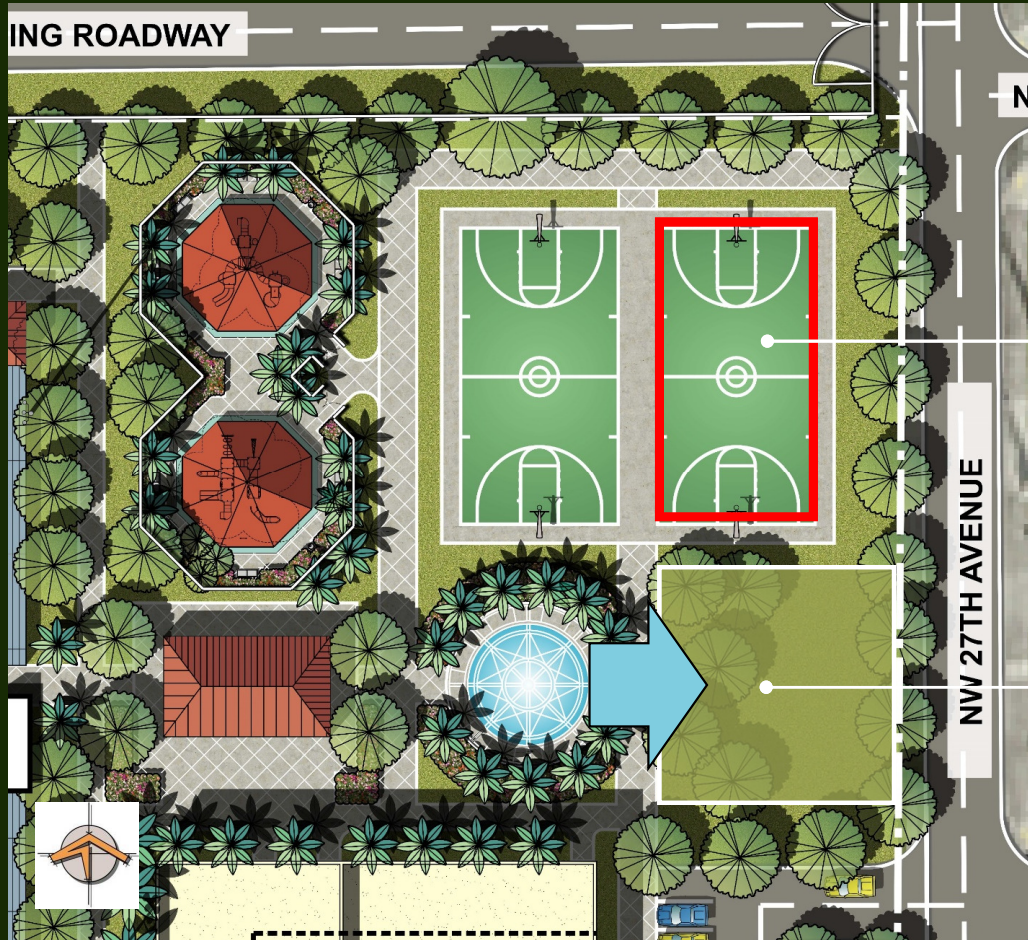

McNair Park Playground and Basketball Courts

Playgrounds have four foot fence around all sides of playgrounds with self closing/locking gates

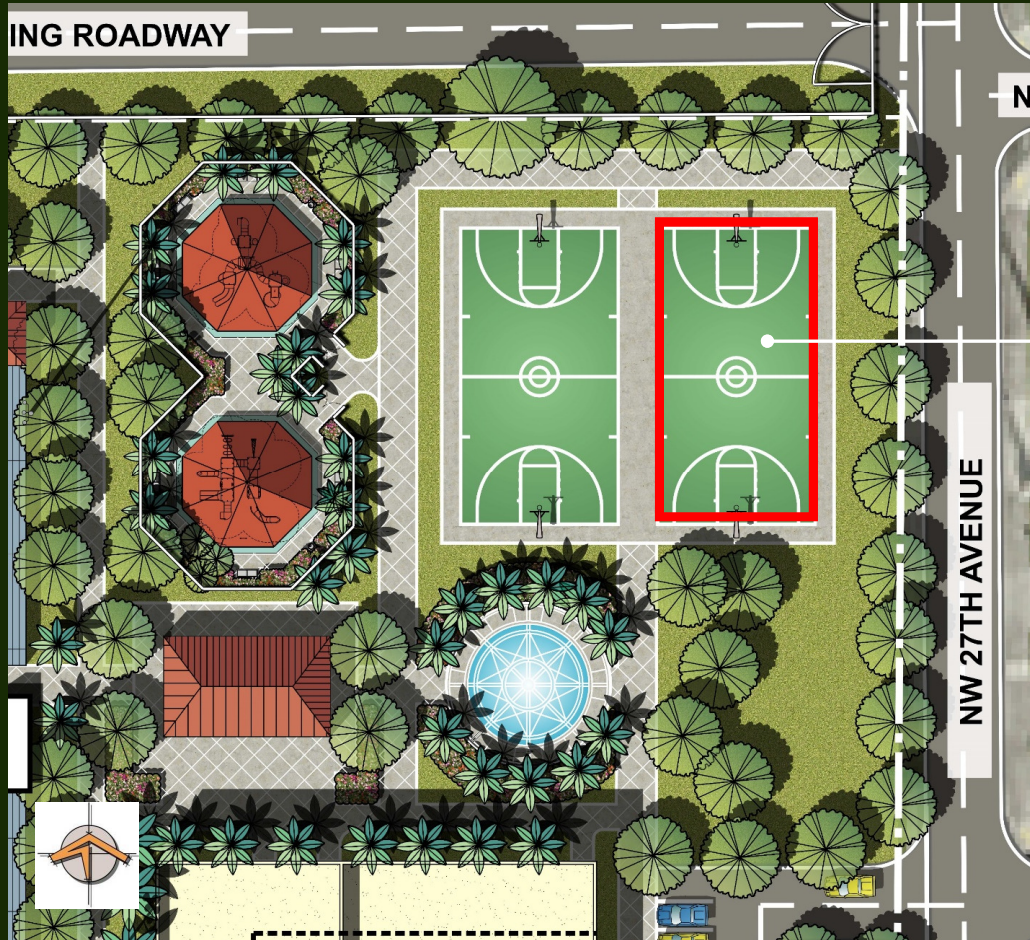

McNair Park Playground and Basketball Courts

East court to have adjustable net height to accommodate toddler play

Proposed location for third "toddler" basketball court. Area designated for interactive water feature, pump equipment and potential expansion of restrooms and concession

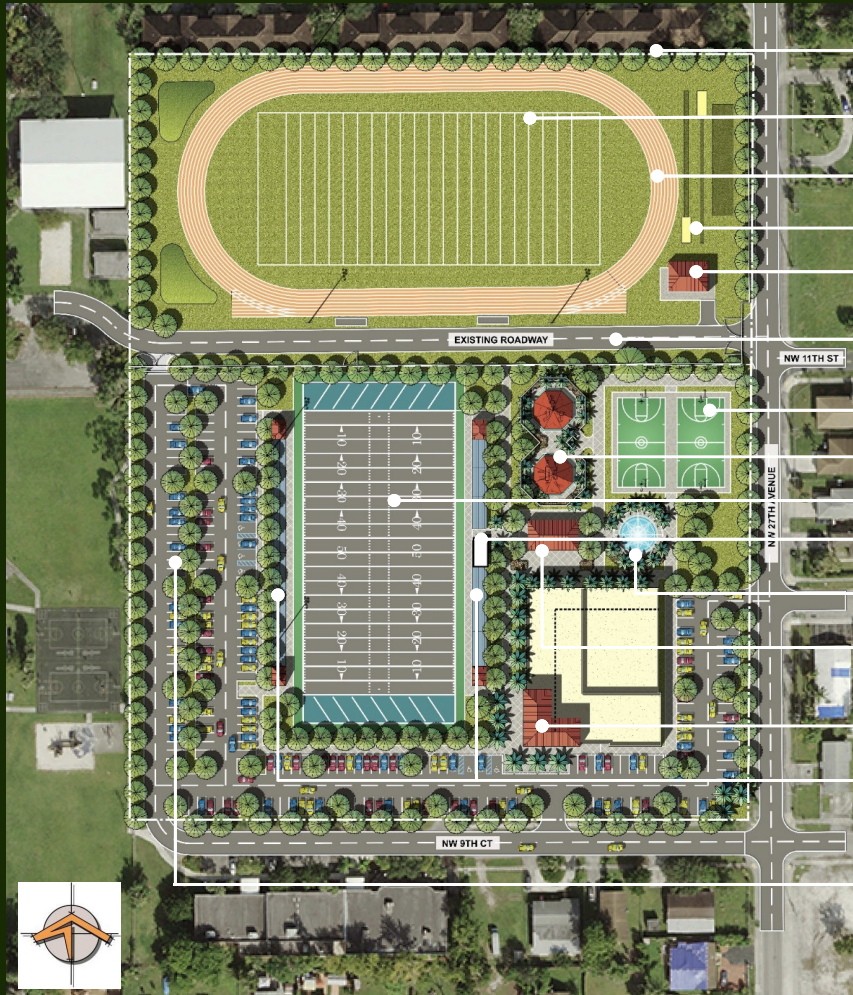

McNair Park Playground and Basketball Courts

East court to have adjustable net height to accommodate toddler play

McNair Park Proposed Plan Concept
